Arles 2018. Rencontres de la Photographie. (English Edition). ,2018 Départ imminent pour la 49e édition des Rencontres de la photographie d'Arles. Nous vous convions, cette année, à une expérience spatio-temporelle, à un voyage à travers les époques, sidéral et sidérant. Car la photographie est souvent le médium le mieux placé pour saisir toutes ces secousses, qui nous rappellent que le monde change, parfois juste sous nos yeux. Et une programmation artistique ? constellation d'expositions qui se croisent, se répondent et parfois se télescopent ? peut devenir une formidable machine à explorer le temps pour appréhender le futur proche à l'aune d'un passé récent, pour mettre en lumière,0grâce au regard des artistes, les grands enjeux de notre société moderne.

The Hobbyist Olivia Baeriswyl, Doris Gassert, Pierre Hourquet, Anna Planas, Thomas Seelig, 2017-09 What happens when photographers and artists incorporate hobbies into their work as a means of challenging artistic practices and hierarchies? How do hobbyists describe their passions photographically, not least today in our era of digital communication? The Hobbyist is the first major exhibition to explore the relationship between photography and hobby culture, both in connection to photography of hobbies and also photography as a hobby. Both hobby and photographic practices similarly find themselves in between leisure and labour, ideology and consumerism, between amateur culture and professionalism. From the hippy and avant-garde cultures of the 1960s, to 1980s do-it-yourself, to today's maker movement, The Hobbyist explores photography's engagement with a wide variety of lively, often quirky amateur obsessions.

And with Russian tanks off its streets, Russian nationals are isolated. So Be It Dinshaw Karanjia, 2017-04-17 Guilt. From the missed opportunity of stopping to lend a hand to a fallen fellow on the road, to willfully paying in cash to avoid taxes, to being a silent spectator to the atrocities of those in authority; has your conscience come to terms with it or does the guilt still linger? Professor Siddhartha Kaul, a lecturer of Foundation Course in Model College, led a life as noble as his profession. Educating inside and outside the classroom, Siddhartha was an idealist and he was as popular among his colleagues as he was with his students. With them and his colleague Simi, he promoted education to the less unfortunate; an endeavor which began with his building's security guard Bhanu. He had everything going for him, till one night, when based on his own suggestion, Bhanu had a run in with a bunch of law keepers. What happens when Siddhartha loses his first protégé Bhanu to his own advice? Did Bhanu deserve his fate and if not, how will Siddhartha face the guilt?

10 ½ Stories of our Times Prakash Rajan, 2017-01-09 Two colleagues constantly chat about cricket, movies and women at work, much to the annoyance of The Mechanical Engineer. An astrologer has a strange visitor one evening, who is in a tearing hurry to know his Tomorrow, Today. The friendship between two housemates is disrupted by An Old Friend, who reconnects after a long time over a social networking site. An ardent Dravidfan is ridiculed by his playmates for his classical batting technique, but is determined to earn their respect. A boy narrates the story of The Lucky Day to the police who have come home to interrogate him. All this and more in 10½ Stories of Our Times. Set against the backdrop of an increasingly liberated, empowered and connected world, these hard-hitting stories bring to light the shifting paradigms of modern India, eager to break free from the warp of established conventions and traditional mindsets. The classic tales in this collection are full of drama and suspense. Peppered with humor and satire, the stories serve as a compelling commentary on the times we live in. Ten unique stories. Many interesting characters. Many shades of life... And, a half-a-story that will surely raise a few eyebrows.

The Last Testament Jonas Bendiksen, 2017 Imagined as a sequel to the Old and New Testaments of the Bible, The Last Testament features visual accounts and stories of seven men around the world who claim to be the Second Coming of Jesus Christ. Building on biblical form and structure, chapters dedicated to each Jesus include excerpts of their scriptural testaments, laying out their theology and demands on mankind in their own words. Jonas Bendiksen takes at face value that each one is the true Messiah returned to Earth, to forge an account that is a work of apocalyptic journalism and compelling artistic imagination.

Monsanto Jim Gerritsen, 2017-10-18 As a manufacturer of food and animal feed, seeds and chemical products, Monsanto is relentlessly developing and marketing new technologies. The monopoly it has arguably secured by dubious means bears no relation to its negligence with regard to potential risks. Particularly in light of the devastating consequences that are still causing suffering to people and the environment in many places, the company's self-portrayal as a forward-looking, omnipotent force for good seems cynical. The photographer Mathieu Asselin, who lives in France and Venezuela, has tried his hand at the daunting task of exploring the issues surrounding Monsanto. His investigative photographic study manages to capture the complexity of

this topic, creating links between past, present and future and illuminating many different aspects from a variety of perspectives.
