The Angel of the Crows Katherine Addison,2020-06-23 Katherine Addison, author of *The Goblin Emperor*, returns with *The Angel of the Crows*, a fantasy novel of alternate 1880s London, where killers stalk the night and the ultimate power is naming. This is not the story you think it is. These are not the characters you think they are. This is not the book you are expecting. In an alternate 1880s London, angels inhabit every public building, and vampires and werewolves walk the streets with human beings in a well-regulated truce. A fantastic utopia, except for a few things: Angels can Fall, and that Fall is like a nuclear bomb in both the physical and metaphysical worlds. And human beings remain human, with all their kindness and greed and passions and murderous intent. Jack the Ripper stalks the streets of this London too. But this London has an Angel. The Angel of the Crows. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

License to Ensnare Katharine Kerr,2011-02-01 Psychic Agent Nola O'Grady isn't sure returning to San Francisco, and living near her unusual family, is a good idea. Her job, with a psychic agency so obscure even the CIA doesn't know it exists, can be perilous, and she's afraid of the relatives getting involved. Then the Agency saddles her with Israeli secret agent Ari Nathan, and she has a bigger problem on her hands, because tact and compromise are not Ari's strong points. Their mission is to track down a serial killer obsessed with werewolves. He sees them everywhere and shoots whenever he thinks he has one in his sights. Ari assumes the man's psychotic, but in truth he's murdering actual werewolves. Nola should know. Her younger brother Pat, a lycanthrope, was the first victim. Can Nola's psychic talents and Ari's skill with guns keep them alive long enough to unravel the greater mystery behind the killings? Can they save the werewolves and the world while stopping Nola's family from running headlong into danger?

Dusty Angels and Old Diaries Linda Meikle,2022-04-19 *Dusty Angels and Old Diaries* is a second edition with an Epilogue to Linda's first book by the same title published in 2006. Everyone has a story to tell. This one finds Linda sobbing quietly in a cold, dark attic as she clutches a little red diary and tries to comfort her baby sister who is bruised and bleeding. Below them, a woman's voice yells in anger for the two little girls to come down in an instant. But no! Fresh from a whipping for some small infraction and hidden safely for the moment, Linda and Sandra cling to the hope that their mother will return from the strange place she disappeared to, or their dad will come knocking on the door to rescue them from their fiery grandmother who angrily took them from the orphanage in New York City and hid them in this bleak outpost far from civilization! Linda's first diary in 1964 breathes life into the year she was fourteen years old. A plethora of diaries follow for the next thirty years as Linda and Sandra rise from the ashes of abandonment and loss, the years of searching for love and purpose, and finally, finding that which was lost and losing it again! Gently turn the pages of the fragile little red diary and its siblings, the faded pages now over fifty years old. Linda shares a legend written for those who have a story to tell and want to find the power and strength to tell it. It is a book for women who want to be strong. Put on your soft slippers and walk back in time into tomorrow!

Stalking the Angel Robert Crais, 2020-01-28 Meet Elvis Cole, L.A. private eye . . . he quotes Jiminy Cricket and carries a .38. He's a literate, wisecracking Vietnam vet who is determined never to grow up. The blonde who walked into Cole's office was the best-looking woman he'd seen in weeks. The only thing that kept her from rating a perfect "10" was the briefcase on one arm and the uptight hotel magnate on the other. Bradley Warren had lost something very valuable—something that belonged to someone else: a rare thirteenth-century Japanese manuscript called the Hagakure. Just about all Cole knew about Japanese culture he'd learned from reading Shogun, but he knew a lot about crooks—and what he didn't know his sociopathic sidekick, Joe Pike, did. Together their search begins in L.A.'s Little Tokyo and the nest of notorious Japanese mafia, the yakuza, and leads to a white-knuckled adventure filled with madness, murder, sexual obsession, and a stunning double-whammy ending. For Elvis Cole, it's just another day's work. Praise for *Stalking the Angel* "Stalking the Angel is a righteous California book: intelligent, perceptive, hard, clean."—James Ellroy "Out on the West Coast, where private eyes thrive like avocado trees, Robert Crais has created an interesting and amusing hero in Elvis Cole."—The Wall Street Journal "Devotees of the rock 'em, sock 'em school should find [Stalking the Angel] tasty."—The San Diego Union

Iron Angel Alan Campbell, 2008-04-29 In this stunning follow-up to his epic fantasy debut, Alan Campbell propels readers into a captivating city battling for its own survival—and that of humankind—in a world of deities and demons, fallen angels and killers. After a destructive battle, the ancient swaying city of Deepgate has been overtaken. Most of the chains that suspend it have given way, toxic fumes are emanating from blazing structures, and the temple once inhabited by the ruling Presbyter now dangles upside down above the once-uncharted abyss. The victorious Spine have initiated martial law and are ruthlessly pursuing all who attempt to leave. Amid the turmoil, two captives are returned. Arriving by ship are the young angel Dill, now toughened by war, and traitor assassin Rachel Hael. Incarcerated in the slowly crumbling temple, the two await their fate, while from the abyss beneath them ghosts rise—for the death of the god Ulcis has left open the gates to Hell. But on orders from his

divine brethren, Cospinol, the god of brine and fog, is traveling the world to Deepgate to seal this breach. His great skyship is being dragged through the air by the giant John Anchor, a monster of a man enslaved to pull the god's vessel, moving slowly, inevitably, toward the city. As the city waits, teetering on the brink, myriad plans for vengeance are set in motion, from the continent of Pandemia to Heaven itself. Among them is a ghostly archon sent to deliver a message to the gods on earth—using Dill as his vessel. Thrust from his body, Dill's own soul returns to Hell. When Dill and Rachel are attacked by Spine assassins, Rachel has no choice but to try to escape with the creature that calls itself Dill...and to somehow find a way to restore her friend's soul before it's too late. For powerful forces are stirring, and in the coming battle between gods, it is the world of men that is at stake.

Bitter Angels C. L. Anderson, 2009-08-25 An Imploding Star System. A Murdered Galactic Spy. A Woman Seeking the Truth—and Finding the Unbelievable... The Erasmus System is a sprawling realm of slavery, smugglers, spies—and constant, creeping decrepitude. Here everyone who is not part of the ruling Four Families is a slave of one kind or another. But the Guardians, a special-forces branch inside the United World Government for Earth, have deemed Erasmus a “hot spot.” Somehow, it is believed, this failing colony intends to launch a war upon the solar system. Ex-Field Commander Terese Drajeske, now a mother of three, has been called back to active duty and sent to Erasmus, ostensibly to investigate the murder of her colleague—and friend—Bianca Fayette. At first blush, the death defies explanation: Bianca was immortal. But beneath that single murder lies a twisted foundation of deceptions. Suddenly Terese is plunged into a vortex of shattered lives, endemic deceit, and one dreadful secret. In this society without hope, someone has put into motion a plan that will cast humanity into chaos. And Terese, who has given up her family and her sanity to prevent war, may be asked to make the ultimate sacrifice....

Angels Town Ralph Cintron, 1998-11-01 As issues of power and social order loom large in Angelstown, Ralph Cintron shows how eruptions on the margins of the community are emblematic of a deeper disorder. In their language and images, the members of a Latino community in a mid-sized American city create self-respect under conditions of disrespect. Cintron's innovative ethnography offers a beautiful portrait of a struggling Mexican-American community and shows how people (including ethnographers) make sense of their lives through cultural forms.
