**Angel's Duty: A Paranormal Angel Romance** Aimee Robinson,2023-02-28 Her touch rekindled his dormant power, yet she wants nothing to do with him. Can he convince her he's more than the stuff of her nightmares? Tungsten, leader of the fallen sentinel angels, has one job: restore heaven's light to its celestial throne and cut down any demon charmers who get in his way. A task made difficult when the very light he's sworn to protect manifests in the one mortal woman who refuses to even look at him. His very nature reminds her of the abuse she suffered during a demon abduction, but his angel fire cries out for her. It's a call he's growing more powerless to resist. Any day now, Tammy Meyer hopes her life will return to normal. But normal is a pipe dream when her sleepless nights are plagued with terrifying nightmares of torturous demons who still hunt her. For her protection, a fallen angel is assigned as her bodyguard. An angel who claims she's something more, just like the demons had. But she'll be damned if she's bound to another thing ever again. Tammy refuses to be managed. Especially not by a dangerously strong angel whose constant nearness threatens to break through her indestructible resolve. But the bond between them cannot be denied. When a great enemy resumes the hunt for Tammy and threatens to annihilate the sentinels, Tungsten must convince her to let him in before heaven's guard, and his heart, is destroyed for good. Reader advisory: Contains themes of abduction and post-traumatic stress

**Arlen Angel's Victory by Estimate** Smoke Winters,2018-06-05 After facing

violent elimination by the sloppy/stupid, CIA operative Nick Blue's considering employment modification. Later experiencing former navy pilot and TBI-survivor S. Mikayla "Magic Rat" Stihl, including her beautiful eyes and enticing jasmine fragrance, disturbing modification tingles. Emotionally-detached him is falling fast for this reputable, sassy, and sexy survivor who dislikes him (in spite of scorching mutual heat) but, true-to-her-call sign, is cozying in the dark nasty place somewhat describing his existence. To capture her, he must convince overcoming misperception and accepting victory by estimate is impossible without him - sooner the better. Lieutenant Stihl was a talented combat aviator protecting her country and challenging peers onboard the USS Yankee Excalibur, until a car wreck en route to her beloved father, Arlen's, funeral steals her dream and forces recovering and redefining. Successfully rebuilding her ambitious life, she avoids the complicated, like romance with a way-too-smart, handsome spook with someone's blood on his clothing and always doing as he pleases. But pride and goals demand his respect and perhaps sex with this disturbing T.H.R.I.L.L-Man, if she can withstand his challenge, manipulation, and heat without falling for bad-outcome-likely-him!

Bureau of Indian Affairs Agent, Mystic Rayne's personal dilemma and assignment nearly gets her killed. Divine intervention is a complication she never expected and her growing attraction to Caden is undeniable. Can she trust him with her secret? Their quest to uncover her attacker takes them from the pristine mountains in Colorado to the wilds of Wyoming. Along the way, they find answers which may place them in more danger. **Angel's Cage (Molotov Obsession Duet Book 2)** Anna Zaires, Dima Zales, 2021-05-25 Back in the devil's lair, I'm at the mercy of a man who fascinates and terrifies me, a tender killer whose obsession with me is growing by the day. Nikolai Molotov is as much my captor as he is my protector, his compound both my safe haven and my gilded cage. If only I could resist his lethally seductive touch... or fight his growing hold on my heart and mind. Because no matter how far I delve into the enigma of his past, I still don't know the answer to the most crucial question: Just how dangerous is his love for me? Note: This is the conclusion of Nikolai and Chloe's story.

**The Beauty Experiment** Phoebe Baker Hyde,2012-12-25 I looked at my reflection and despaired. As an exhausted young mother I felt ugly and saw that a new dress or face cream would never help. I was at risk of passing on a habit of feeling miserable about my looks to my baby girl—if nothing changed. Soon afterward Phoebe Baker Hyde made a vow: to give up new clothes, makeup, haircuts, and jewelry in hopes of revealing something she had always paid lip service to but never quite believed in—her inner beauty. The Beauty Experiment chronicles Hyde's quest for self-acceptance in nothing but her own skin. In thoughtful, exquisite prose, Hyde holds up a mirror to all women and shows how perfectionism can keep us from achieving what we really want: happiness, confidence, and serenity.

**Killer Cuts** Elaine Viets, 2009-05-05 Helen Hawthorne's latest gig is working in Miguel Angel's Fort Lauderdale hair salon, where a trim can cost as much as a car payment and a blowout can wipe you out. But when a famous husband of one of the salon's clients is murdered at their wedding reception, things get a little hairy...

*High-Caliber Concealer* Bethany Maines, 2015-10-12 Carrie Mae might look like an organization of nice young ladies who sell make-up, but a few know the truth - they are an international espionage agency dedicated to helping women everywhere. And Nikki Lanier is a top level Carrie Mae agent with everything under control - except her life. Her relationship is on the rocks, her mother is pestering her to come home, and her teammates just made an unexpected blunder that put them all on suspension. Nikki takes the opportunity to visit her grandmother's farm in rural Washington State, but her simple, easy vacation is complicated by dangerous drug smugglers, the childhood sweetheart who broke her heart, and the sudden arrival of not only her mother (who is obviously hiding something) and teammates, but also her current boyfriend, CIA Agent Z'ev Coralles. Now Nikki must discover what her family is hiding, whether or not she still has feelings for her ex, and how the smugglers are getting their drugs across the Canadian border, all while keeping her family - and Z'ev - in the dark about what she really does for a living. But soon Nikki must choose between doing what's right and keeping her secret if she wants to keep her family alive. Nikki might be a high-caliber concealer, but

this time it might not be enough.

*Louisa May Alcott and the Textual Child* Kristina West,2020-04-28 This book examines constructions of childhood in the works of Louisa May Alcott. While *Little Women* continues to gain popular and critical attention, Alcott's wider works for children have largely been consigned to history. This book therefore investigates Alcott's lesser-known children's texts to reconsider critical assumptions about childhood in her works and in literature more widely. Kristina West investigates the trend towards reading Alcott's life into her works; readings of gender and sexuality, race, disability, and class; the sentimental domestic; portrayals of Transcendentalism and American education; and adaptations of these works. Analyzing Alcott as a writer for twenty-first-century children, West considers Alcott's place in the children's canon and how new media and fan fiction impact readings of her works today.

**Plots of Epiphany** John B. Weaver, 2013-02-06 Past scholarship on the prison-escapes in the Acts of the Apostles has tended to focus on lexical similarities to Euripides' *Bacchae*, going so far as to argue for direct literary dependence. Moving beyond such explanations, the present study argues that miraculous prison-escape was a central event in a traditional and culturally significant story about the introduction and foundation of cults - a story discernable in the *Bacchae* and other ancient texts. When the mythic

quality and cultural diffusion of the prison-escape narratives are taken into account, the resemblance of Lukan and Dionysian narrative episodes is seen to depend less on specific literary borrowing, and more on shared familiarity with cultural discourses involving the legitimating portrayal of new cults in the ancient world.
