Coffeehouse Angel Suzanne Selfors,2010-08-10 Katrina works in her grandmother's coffee shop in a small town in Washington State, which isn't exactly the coolest job, given that it's an old-world Scandinavian coffee shop rather than the ultra hip Java Hut next door. One morning, when she gives a free cup of coffee and muffin to a homeless guy sleeping out behind the shop, this random act of kindness turns her life upside down. She soon learns that the homeless guy is actually a teenage guardian angel intent on returning the favor. Fame and fortune seem like the obvious requests, but after two botched wishes, Malcolm knows Katrina is hiding something from him. But how can she tell him the truth, when her heart's desire has become Malcolm himself?

Nonstop Jen Vuhuong,2017-03-08 Today is the day for you to make a choice to reconnect with your purpose, passion, and infinitive resource of energy. I wrote this book once I felt struggled because of fighting between following my passion and my purpose. My family is a reason for me to live in life. Seeing my family and people around me work hard, life is a struggle for them; I desire to help people to make a difference in life. Once I define my passion is to become a personal development trainer, writer, and social entrepreneur, I quit the engineering job. I had to overcome my feeling of against my family expectation as an engineer, live a stable life. After months, I found I just made an excuse. I could not use my reason for living become a reason for stopping doing what I am doing. I wrote this book to express my thankful to my reason for living. The book is to reconnect with my purpose, my infinitive resource of energy. The book is to reconnect with your purpose, your passion, your infinitive resource of energy. This book is purely written from the memory of my childhood. In the continuous complex world, we often forget to feel appreciated little things. Little things matter. Appreciate little things, better yourself every day and often reconnect with your purpose, your infinitive sources of energy and passion. That make you live meaningfully, love completely, and give joyfully to achieve more. Every moment of life.

Kissing Angels Deswin R. Gbala,2006-08-01 This is a story about Angels who need to live their human term before they can earn their wings to become true Angels of the Almighty. An Angel doing his Human Term means that that Angel must live as a human on the Earth to experience what it is to be human. During the course of this term, many Angels learn at least one major weakness because of their mischievousness. Some learn how to use drugs, others learn about sex, a few learn to drink alcohol, but worse yet, some learn the sin of pride. Once an Angel has earned their wings, he may live either as an Angel or as a person at will. This is the story of Diana Abagotti, the Angel of Love. Her assignment: to love the unlovable.

**Tuning the Student Mind** Molly Beauregard,2020-07-01 How can we rethink teaching practices to include and engage the whole student? What would student experience look like if we integrated silence and feeling with empirical analysis? Tuning the Student Mind is the story of one teacher's attempt to answer these questions by creating an innovative college course that marries the spiritual and the theoretical, integrating meditation and self-reflection with more conventional academic curriculum. The book follows Molly Beauregard and her students on their intellectual and spiritual journey over the course of a semester in her class, Consciousness, Creativity, and Identity. Interweaving personal stories, student writing, and Beauregard's responses, along with recommendations for further reading and a research appendix, it makes the case for the transformative power of consciousness-centered education.
