Nonstop Jen Vuhuong, 2017-03-08 Today is the day for you to make a choice to reconnect with your purpose, passion, and infinitive resource of energy. I wrote this book once I felt struggled because of fighting between following my passion and my purpose. My family is a reason for me to live in life. Seeing my family and people around me work hard, life is a struggle for them; I desire to help people to make a difference in life. Once I define my passion is to become a personal development trainer, writer, and social entrepreneur, I quit the engineering job. I had to overcome my feeling of against my family expectation as an engineer, live a stable life. After months, I found I just made an excuse. I could not use my reason for living become a reason for stopping doing what I am doing. I wrote this book to express my thankful to my reason for living. The book is to reconnect with my purpose, my infinitive resource of energy. The book is to reconnect with your purpose, your passion, your infinitive resource of energy. This book is purely written from the memory of my childhood. In the continuous complex world, we often forget to feel appreciated little things. Little things matter.

Appreciate little things, better yourself every day and often reconnect with your purpose, your infinite sources of energy and passion. That make you live meaningfully, love completely, and give joyfully to achieve more. Every moment of life.

Angel Love Bonnie Altenhein, Monica

Sheehan, 1994-12-01 Everyone has a special love angel, or two, or three or more. Your love angel may be your spouse or your closest sister, your oldest friend or even your favorite pet. Regardless how far apart you may be you always know where your love angel is: right in center of heart.

And the Angel Rocked Me Casey Jones, 2013 No one heard her cries. From broken bones to murdered pets to violated innocence, Casey Jones endured countless atrocities as a child. Trapped in a world of unbearable cruelty, her mind shattered into alternate personalities, and she escaped into the arms of an angel. Despite the abusive home she was raised in, Casey found the strength to forge her way in the world, thriving as a flight attendant who entertained passengers with her in-flight songs and antics. But later, a calculating predator pulled her into his snare. This smooth talking, charismatic psychopath had everything under control, so he thought. Like so many others she was taken in, but realizing that God commands us to stand against evil, she fought back. Heart wrenching, *And the Angel Rocked Me* gives a glimpse into childhood trauma and the breakthroughs that are possible for those who endure. This touching memoir includes insights for those who are in a relationship with a psychopath. And the importance of having faith that your suffering is often the path to your purpose.

Forty years later, his tribute continues in this heartwarming collection of poignant verses and luminous antique photographs. Tuning the Student Mind Molly Beauregard,2020-07-01 How can we rethink teaching practices to include and engage the whole student? What would student experience look like if we integrated silence and feeling with empirical analysis? Tuning the Student

Mind is the story of one teacher's attempt to answer these questions by creating an innovative college course that marries the spiritual and the theoretical, integrating meditation and self-reflection with more conventional academic curriculum. The book follows Molly Beauregard and her students on their intellectual and spiritual journey over the course of a semester in her class, Consciousness, Creativity, and Identity. Interweaving personal stories, student writing, and Beauregard's responses, along with recommendations for further reading and a research appendix, it makes the case for the transformative power of consciousness-centered education. Written in a warm, engaging voice that reflects Beauregard's teaching style, *Tuning the Student Mind* provides an accessible, step-by-step template for other educators, while inviting readers more broadly to reconnect with the joy of learning in and beyond the classroom.

Beverley has managed to bring romance, mystery and intrigue . . . just fun! ~An Actual Reader Leander, Lord Charrington has a problem. Raised to be a charming diplomat, women fall in love with him. He, however, seeks a marriage of convenience with a sensible woman with whom he can live on honest terms. The impoverished widow, Judith Rossiter, Angel Bride of poet Sebastian Rossiter, seems ideal. Still dressing in black, she remains devoted to her dead husband, and she has children to provide for. Judith Rossiter thanks heaven for the earl's offered escape from disaster. Though her story is not what the earl believes, the terms of his agreement—to not fall in love with him—seem simple enough. Or so she believes on her wedding day From

The Herland Trilogy: Moving the Mountain, Herland, With Her in Ourland (Utopian Classic) Charlotte Perkins Gilman,2015-04-01 This carefully crafted ebook: *The Herland Trilogy: Moving the Mountain, Herland, With Her in Ourland (Utopian Classic)* is formatted for your eReader with a functional and detailed table of contents. *Moving the Mountain* is a feminist utopian novel. The book was one element in the major wave of utopian and dystopian literature that marked the later nineteenth and early twentieth centuries. Perkins sends a man forward in time to a better world, but gives him deep difficulties in adjusting to it. *Herland* describes an isolated society composed entirely of women who reproduce via parthenogenesis. The result is an ideal social order, free of war, conflict and domination. The story is told from the perspective of Van Jennings, a student of sociology who, along with two friends, Terry O. Nicholson and Jeff Margrave, forms an expedition party to explore an area of uncharted land where it is rumored lives a society consisting entirely of women. The three friends do not really believe the rumors as they are unable to conceive of how human reproduction could occur without males. The men speculate about what a society of women would be like, each guessing differently based on the stereotype of women which he holds most dear... *With Her in Ourland*

draws a contrast between Gilman's idealized vision of a feminist society in Herland and the darker realities of real, outside, male-dominated world. Charlotte Perkins Gilman (1860-1935) was a prominent American feminist, sociologist, novelist, writer of short stories, poetry, and nonfiction, and a lecturer for social reform.
