Angels and Wonders Joan Wester Anderson,2009-03-09 Sometimes, the only answer is an angel. As a woman flees an abusive boyfriend, her gas tank on empty, money materializes in her empty purse. Millions of fireflies suddenly appear and offer guiding light to desperate refugees trying to find a path through a mountain storm. Two women strongly sense that a missionary priest, far away, needs prayer at the exact moment when he faces catastrophe. These are just a few of the more than thirty true stories recounted in Angels and Wonders, a book that points readers to the spiritual realm for answers to otherwise inexplicable occurrences. For anyone inclined toward spirituality, each amazing story provides further proof of God's heavenly care in difficult times; for those who aren't sure if heaven really does intervene on earth, this book provides plenty of reasons for them to doubt their disbelief.

*My Guardian Angel* Lisa Fulscher,2008-04 Teaches young readers that angels are sent by God to protect and guide in daily life.

**Heaven's Angels** Bill Vincent,2023-03-21 There are many movies on UFOs, which shows that man has a great desire to believe in a higher form of life. However, while I may not have personal evidence of the existence or non-existence of UFO, according to scriptures, we have the IFO (identified flying object), also known as angels. So, when you hear the word angel, what comes to mind? Most of us know about angel Michael and that is pretty much all we know about angels. However, there is much more to angels than just knowing about archangel Michael. For example, did you know that there are ranks of angels? Did you also know that there are different types of angels? I bet these questions have opened your eyes a bit more to angels and the importance of learning about angels. But you may probably be wondering: So who are angels? How did angels come about? What do angels do? Are there senior angels in ranks than others? What determines their ranks if there are senior angels? If you have these and other related questions, this book is for you so keep reading, as it covers the ins and outs about angels in a language that you will understand. More precisely, here is a preview of what you will learn: Some essential truths about angels Why we should believe the existence of angels The nature of angels The different ranks of angels And so much more I understand that matters dealing with spirituality can become a little complex making it challenging to comprehend important information. With this understanding, I have broken down complex information into bits of information that you can actually understand to make it easier for you to get valuable information from this book and to use it to improve your knowledge of the Bible. Would you love to know more about angels? Are you excited to learn about the different kinds of angels?

A Book of Angels Sophy Burnham,2011-03-31 A gorgeous new edition of the New York Times bestseller that has sold more than a million copies. A golden conjunction of heaven and earth...reminding us that there are angels in every religion. -The Washington Post As far as angels are concerned, now you see them, now you don't. A Book of Angels gives us a lovely, sustained glimpse. -Chicago Tribune When Sophy Burnham wrote A Book of Angels, she inspired a phenomenon. An instant bestseller when it

was originally published in 1990, this beautiful book not only tells the extraordinary true stories of present-day encounters with angels, but also traces the study of angels throughout history and in different cultures. With great feeling, Burnham offers an eloquent report from the place where earth and heaven meet. A wondrous journey into the world of angels, this book is a song of praise to life.

**Visitations to Heaven and Talking with Angels** Brenda Medley, 2020-11-09 Would God actually summon someone to Heaven far above the earth, the sun, the moon, and all the constellations? Prior to standing on a cloud and viewing all of Heaven's beauty and glory, my answer would have been an emphatic no. However, I found myself standing on a fluffy, impenetrable white cloud, witnessing the beautiful holy city called Heaven, and then I saw Him. His face and garment radiated a supernatural brilliant light that was much brighter than the morning sun coming up over a horizon

**Born for Heaven** Phyllis Beltz, 2012-08-23 Three deaths of family members in four years, including my husband, did not prepare me for the words I was hearing from the police chief. "Christopher has been killed by a school bus." Death did not come quietly that cold February morning but crashed into my life like a destroying tornado. The tragic death of my ten-year-old grandson, whom I was raising, set me on a deep, dark journey into grief. This was a frightening journey I had never traveled before, and I didn't want to be on this path of despair. I was not alone, for a gracious, loving, sovereign God journeyed with me through this strange, unknown valley and brought me through to victory. Someday there will be a final victory over death, as we see in Scripture. Revelation 21:4: "And He shall wipe away every tear from their eyes; and there shall no longer be any death; there shall no longer be any mourning, or crying, or pain the first things have passed away."

**Somewhere Angels** Larry Libby, 1994 Talks about angels and the wonderful things they do, and answers such questions as, what do angels look like, why can't we see angels, and are angels happier than people.

The four responding officers heard a voice: Please hurry, there isn't much time. They assumed it was Lily's mother who was still trapped inside. Once the two victims were recovered, the officers realized their mistake—her mother had been killed on impact. The officers all wondered the same thing: What was that voice? -- Publisher.
