Angela's Purse Eileen Finn Loving,2021-11-05 The generosity of the residents of Baybridge never wavered as Angela Coughlan continued her battle with cancer. Their contributions to her local, somewhat unorthodox fund, dubbed Angela's Purse, more than doubled since its inception. Her neighbour and benefactor was the rock for the community. Amy, Angela's young sister, and their friend Charly were a force to be reckoned with. The simplicity of their solutions to the adults' unsurmountable problems never failed to amaze. When presented with issues of style or etiquette, they consulted the Twins Killfeather, ninety-four years old, well-versed in both matters. When the linchpin of their community left them suddenly, shock, disbelief, and avoidance overtook them. The common path they trod was splintered. They tiptoed around its sharp edges until in time nature restored their commitment and resilience. With a burst of energy, they forged a new path, one with twists and turns they could never have imagined.

Mariposa Landing Margaret Nava, 2010-11-11 When sixty-ish Angel Dunn left Indiana for the exotic world of south Florida in EGRET COVE, she was a lonely aging snowbird with dreams of tropical adventure but no real hope of new passions. Then she met an invigorating group of new friends, got caught up in some gently wild adventures, and fell in love with a worldly Italian name Gilberto. Next, now married, she and Gilberto moved to the wilds of HUMMINGBIRD RIDGE, West Virginia, where they started their married life by raising goats and battling dilemmas that included Angela's health crisis, Gilberto's mysterious lady friend and a loving intervention for Angela's hard-drinking brother, Tony. Now, in MARIPOSA LANDING, Angela travels to the lovely Gulf coast of Alabama to meet Rebecca, the daughter she was forced to give up for adoption decades ago. With Gilberto's adoring support, Angela becomes the mother (and grandmother) she's always wanted to be, and helps her troubled grandson discover the peaceful road he was meant to travel. Finally, after years of turmoil and searching, Angela fully embraces the powerful faith and joy she calls the Circle of Life.

Shark Heart Emily Habeck, 2023-08-08 A gorgeous debut novel of marriage, motherhood, metamorphosis, and letting go, this intergenerational love story begins with newlyweds Wren and her husband, Lewis—a man who, over the course of nine months, transforms into a great white shark. For Lewis and Wren, their first year of marriage is also their last. A few weeks after their wedding, Lewis receives a rare diagnosis. He will retain most of his consciousness, memories, and intellect, but his physical body will gradually turn into a great white shark. As Lewis develops the features and impulses of one of the most predatory creatures in the ocean, his complicated artist's heart struggles to make peace with his unfulfilled dreams. At first, Wren internally resists her husband's fate. Is there a way for them to be together after Lewis changes? Then, a glimpse of Lewis's developing carnivorous nature activates long-repressed memories for Wren, whose story vacillates between her childhood living on a houseboat in Oklahoma, her time with a college ex-girlfriend, and her unusual friendship with a woman pregnant with twin birds. Woven throughout this bold novel is the story of Wren's mother, Angela, who becomes pregnant with Wren at fifteen in an abusive relationship amidst her parents' crumbling marriage. In the present, all of Wren's grief eventually collides, and she is forced to make an impossible choice. A sweeping love story that is at once lyrical and funny, airy and visceral, *Shark Heart* is an unforgettable, gorgeous novel about life's perennial questions, the fragility of memories, finding joy amidst grief, and creating a meaningful life. This daring debut marks the arrival of a wildly talented new writer abounding with originality, humor, and heart.

Drawing from her growing-up years on the island of Trinidad, her career as a teacher, and the experiences of those close to her, Bevan shares times when God brought joyful outcomes in surprising ways. You'll meet a forty-seven-year-old woman who finds herself pregnant; a university student with a family to support and a dwindling bank account; a recent graduate whose phone line goes dead while she's waiting for that all-important call about a job offer. In these moments and many others, you'll see how God "showed Himself strong" in ordinary people's lives, giving them abundant reasons to Insert Praise Here! Bevan's encouraging stories will inspire you to praise the Lord, even when you face perplexing circumstances.
