**Bonnie Bryant**

Horace the Horse Threw a Shoe Kody Keith, 2010-10 Horace the horse does not care for vegetables at all. Just the idea of having corn and green beans for dinner made him so angry that he kicked the wall and threw his shoe right off! The longer he pouts in his room, though, the more he realizes he may have been a little ornery. Join Horace and author Kody Keith for a valuable lesson about consequences and trust in *Threw a Shoe*.

*Body Language of Horses* Tom Ainslee, Tom Ainslie, 1980-05-01 Horses communicate with remarkable accuracy in a language of posture, gesture and sound. They express their needs, wishes and emotions to each other and to the rare human being who understands them. After reading this unprecedented, exciting and up-lifting book, you will understand the equine language. You therefore will know how to recognize: A happy horse. A frightened horse. An angry horse. A bored horse. A grieving horse. A frustrated horse. A horse in pain. A playful horse. A proud horse. An eagerly competitive horse. And many horses more! Moreover, you will know how to reassure the frightened, calm the angry, comfort the grieving, divert the bored -- and deal with most other human-equine difficulties. You will know how to educate a foal or rehabilitate a rogue. You will know how to look at race horses on their way to the starting gate and differentiate the likely winners from the losers. You even will know how to buy a horse. But best of all, you will finally understand what these grand animals are all about, and you will know better than ever before how they (and we) fit into nature's scheme of things.

*The Horse Cure* Michelle Holling-Brooks, 2019-09-01 ASHLEY was locked in closets as punishment, and physically and sexually abused, resulting in an angry and violent child

who threatened her adoptive family—until she met Cocoa and Radar, the horses that helped her learn to trust again. BRENDA was diagnosed bipolar and lived through humiliating domestic abuse, but three horses—Delilah, Wiscy, and Diesel—helped her establish a sense of self-worth, hope for the future, and ultimately, the will to go on. NICK was angry, suicidal, and a veteran with combat PTSD, who now says, “Horses literally saved my life.” Inspired by her own childhood trauma when she spent seven days in a coma, awakened to a severely compromised body and brain, and rebuilt her life with the help of a horse, Michelle Holling-Brooks founded Unbridled Change, a non-profit Equine-Partnered Therapy organization that helps match horses to individuals in need. Here she shares amazing stories of the people she’s worked with and the “horse cure” that changed their lives. Survivors of trauma, loss, illness, abuse, stress, and depression can face seemingly insurmountable obstacles. But today, a growing body of scientific evidence suggests that horses play a crucial role in therapy for those struggling with significant psychological and emotional challenges. Horses respond to angry, inhibited, heartbroken, defiant, terrified clients in many different ways, often breaking through defensive barriers via their physical presence, or by pointing to areas of psychological distress not immediately apparent. The horse’s response guides the treatment team, as well as the client, in the healing process.

**A Father's Choice** Kalyn Lorenz, 2013-06-20 A Father's Choice is a horse story about a young girl, Anna, whose father has made the choice to leave the family. Due to financial difficulties, the family loses their home and has been forced to live with relatives, making Anna's life difficult. Recently, they have come to stay at Anna's grandparent's home, where

she discovers a horse. Immediately falling in love with the horse, Anna learns to continue her love for the people that she is angry with, like her father. Unfortunately, Anna is unable to raise enough money to purchase the horse, so when she moves away from her grandmother's, she won't be able to see the horse again. This is the first entry into the *Horses from Heaven* series, a new series in kid's fiction. It is a brilliant short story about girls and horses for kids, as it is an entertaining and enlightening read, especially for any child that is struggling to overcome an anger issue. Short stories for kids in recent years have been created for a quick profit rather than to entertain and teach their readers. Often, these books treat children like fools, and assume they are incapable of handling deeper plots or anything less than a completely happy and innocent story. Luckily, this book is a one of the few short stories for children that attempts to both entertain, and instruct its readers in a deep manner.

*Why Do Horses Neigh?* Joan Holub, 2003-01-27 Do you love horses? If you do, you're not alone. There's so much to know about these amazing animals. Why do horses neigh? What are baby and adult horses called? How do horses communicate? Beginning readers can find out the answers to these questions-and many more-in this lively, fact-filled introduction to these popular animals. Filled with colorful illustrations and dynamic color photos of real horses, this is a perfect selection for any young horse lover. Illustrated by Anna DiVito.

*Horse Wise* Cheryl Kimball, 2004-04-01 Sharing stories from the stable, Kimball explains how the lessons learned from the horse apply to relationships in the world of people.

Straight from the Horse's Mouth Meryem Alaoui, 2020-09-15 Named a Best Book of the Year by the Los Angeles Public Library This hilarious, colorful portrait of a sex worker navigating life in modern Morocco introduces a promising new literary voice. Thirty-four-year-old prostitute Jmiaa reflects on the bustling world around her with a brutal honesty, but also a quick wit that cuts through the drudgery. Like many of the women in her working-class Casablanca neighborhood, Jmiaa struggles to earn enough money to support herself and her family—often including the deadbeat husband who walked out on her and their young daughter. While she doesn't despair about her profession like her roommate, Halima, who reads the Quran between clients, she still has to maintain a delicate balance between her reality and the "respectable" one she paints for her own more conservative mother. This daily grind is interrupted by the arrival of an aspiring young director, Chadlia, whom Jmiaa takes to calling "Horse Mouth." Chadlia enlists Jmiaa's help on a film project, initially just to make sure the plot and dialogue are authentic. But when she's unable to find an actress who's right for the starring role, she turns again to Jmiaa, giving the latter an incredible opportunity for a better life. In her breakout debut novel, Meryem Alaoui creates a vibrant picture of the day-to-day challenges faced by working people in Casablanca, which they meet head-on with resourcefulness and resilience.

**Wild Horses** George Edward Stanley, 2009-07-01 Long ago, all horse were wild. In time, people taught them to wear a saddle and a bit. But some horses were not tamed. And today, all over the world, wild horses still run free.

*Running for Home* Brenda Dawson, 2012-05-15 Michael is twelve years old and has never known anything but foster homes in inner-city Detroit. When relatives are located in

a small Tennessee town, he is sent to live with them. Hurt and angry, feeling that no one wants him, Michael strikes out at a lonely horse in a back pasture. Little did he know that it was a champion barrel-racing horse. Sparks Twister Doc was the kind of barrel horse all barrel racers hoped to have, yet he was hated by his owner and sentenced to a far back pasture to live out his days. *Running for Home* is a horse story for the whole family. A homeless boy and a forgotten horse are brought together by an act of anger. Though wary of each other at first, they form a bond of love and trust that yields miraculous results. Join them as they go on a journey that is filled with fun, compelling characters, both animal and human, to complete a quest only a homeless boy and a hopeless horse can accomplish.

*Hot Horse Harry* Jerry Lee Miller, 2018-04-24 *Hot Horse Harry* lived up to his name, mad at the world, especially at flies. Then one day, he overreacted and ended up with his hooves stuck in a cloud. Of course, when he finally got unstuck, the cloud leaked like crazy, and *Hot Horse Harry* nearly drowned. After getting into a position where thinking was inevitable, he became a changed horse, and *Hot Horse* was no longer an adequate name for him. He spent the rest of his life teaching other horses that it was not worth it to become angry at the world.

*The Horse and the Hurricane King* Loretta Crawford, 2016

*Police Horses* Sunita Apte, 2007-01-01 In *Police Horses*, children will learn the history and widespread use of mounted police units. With candid photos and fast-paced narrative text that show horses in action, *Police Horses* details how police departments worldwide use mounted officers to help fight crime and control crowds. Whether chasing a criminal down the street or patrolling the neighborhood to ensure the peace, police horses are

always ready for action. Kids will learn which breeds are best suited for police work as they follow horses through training school to the first day on the job working with their human partners.

*Trouble Rides a Fast Horse* Elizabeth Sellers, 2012-11 In this exciting sequel to *If Horses Were Wishes*, Katy's adventures continue in her guise as Lady, the horse who makes up the sixth part of a detecting gang of friends. The suspense runs high as the Fallon Five are determined to get to the bottom of some very strange goings on in the large stable yard of their mortal rival in the show jumping arena. Katy has to use every ounce of her strength and the skills she has only recently learned, to smuggle herself into the yard as an undercover horse-spy. But she discovers the stakes are much higher than any of them had expected - and that their foes are armed, dangerous, and very angry. With the help of the horses in the yard, and then from a surprisingly unexpected quarter, the Fallon Five cause mayhem in their quest, and finally succeed in finding out what they've come for. But will the friends be able to make it home safely and persuade the adults that they are telling the truth about what they have found? Will they be able to save the remaining horses at the stable yard? And will Katy remain happy in her new life as a horse, or will she finally decide to try and turn back into a girl?

**TRUST: What A Horse Taught Me About God** Marie Timm, 2014-06-02 Two months after a new horse was delivered to her ranch, Marie Timm found herself slammed into the corral dirt, barely escaping a flying hoof aimed at her head. Her ribs were badly bruised, a shoulder was nearly broken, and she sustained a mild concussion. Those injuries paled in comparison to the hurt welling up from her heart. Astounded, confused, and angry that a

horse portrayed to her as gentle and willing could be so much the opposite, and when the former owners refused to take this horse back, she began a journey of rehabilitation for him. The goal would only be to procure a new owner or, if necessary, have him humanely destroyed. What ensued was not just a retraining for the horse, but a surprising journey of her own directed by God's gentle hand and voice. That voice speaks to everyone who is willing to listen.

**"Income Tax Refunds" ,**

**Horse Nation** Teresa Martino, 2004 Having spent more than 40 years living and working with horses, Martino shares the tales of the heroes and the fallen, the gentle pony and the angry stallion in this collection that includes her poems and sketches that explore the unique relationship between horse and human.

**Horses for Courses** Lisette Starr, 2019-09 A delightful rhyming story with fun illustrations and a great positive message! When the farmer buys a new tractor all the horses worry they will lose their jobs, but Henry has an idea! Ever since he was a tiny young foal, his parents thought Henry was out of control. While other young horses were studying hard, Henry would do circus tricks in the yard. He'd make up rhymes and put on little shows, and tell silly jokes about the dog's nose. He'd whinny and jump and joyously trot, but attend to his lessons? No, Henry would not! A delightful story with bright, fun illustrations and a great positive message! *Horses for Courses* is a bright, fun way for younger children to learn about adapting to change, and developing resilience.
