All Quiet on the Western Front Erich Maria

Remarque, 2025-01-07 The classic tale of a young soldier's harrowing experiences in the trenches, widely acclaimed as the greatest war novel of all time—featuring an Introduction by historian Norman Stone. Now a Netflix Film. When twenty-year-old Paul Bäumer and his classmates enlist in the German army during World War I, they are full of youthful enthusiasm. But the world of duty, culture, and progress they had been taught to believe in shatters under the first brutal bombardment in the trenches. Through the ensuing years of horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another. Erich Maria Remarque's classic novel not only portrays in vivid detail the combatants' physical and mental trauma, but dramatizes as well the tragic detachment from civilian life felt by many upon returning home. Remarque's stated intention—"to tell of a generation of men who, even though they may have escaped shells, were destroyed by the war"—remains as powerful and relevant as ever, a century after that conflict's end. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket. Contemporary Classics include an introduction, a select bibliography, and a chronology of the author's life and times.

Blink Malcolm Gladwell, 2007-04-03 From the #1 bestselling author of *The Bomber Mafia*, the landmark book that has revolutionized the way we understand leadership and decision making. In his breakthrough bestseller *The Tipping Point*, Malcolm Gladwell redefined how we understand the world around us. Now, in *Blink*, he revolutionizes the way we understand the world within. *Blink* is a book about how we think without thinking, about choices that seem to be made in an instant--in the blink of an eye--that actually aren't as simple as they seem. Why are some people brilliant decision makers, while others are consistently inept? Why do some people follow their instincts and win, while others end up stumbling into error? How do our brains really work--in the office, in the classroom, in the kitchen, and in the bedroom? And why are

the best decisions often those that are impossible to explain to others? In *Blink* we meet the psychologist who has learned to predict whether a marriage will last, based on a few minutes of observing a couple; the tennis coach who knows when a player will double-fault before the racket even makes contact with the ball; the antiquities experts who recognize a fake at a glance. Here, too, are great failures of blink: the election of Warren Harding; New Coke; and the shooting of Amadou Diallo by police. *Blink* reveals that great decision makers aren't those who process the most information or spend the most time deliberating, but those who have perfected the art of thin-slicing--filtering the very few factors that matter from an overwhelming number of variables.

PISA Take the Test Sample Questions from OECD's PISA Assessments OECD,2009-02-02 This book presents all the publicly available questions from the PISA surveys. Some of these questions were used in the PISA 2000, 2003 and 2006 surveys and others were used in developing and trying out the assessment.

Emma Jane Austen,2017-11-08 *Emma* is a comic novel by Jane Austen, first published in December 1815, about the perils of misconstrued romance. The main character, Emma Woodhouse, is described in the opening paragraph as handsome, clever, and rich but is also rather spoiled. Prior to starting the novel, Austen wrote, I am going to take a heroine whom no-one but myself will much like.

Eleanor & Park Rainbow Rowell,2013-02-26 #1 New York Times Best Seller! *Eleanor & Park* reminded me not just what it's like to be young and in love with a girl, but also what it's like to be young and in love with a book.-John Green, The New York Times Book Review Bono met his wife in high school, Park says. So did Jerry Lee Lewis, Eleanor answers. I'm not kidding, he says. You should be, she says, we're 16. What about Romeo and Juliet? Shallow, confused, then dead. I love you, Park says. Wherefore art thou, Eleanor answers. I'm not kidding, he says. You should be. Set over the course of one school year in 1986, this is the story of two

star-crossed misfits-smart enough to know that first love almost never lasts, but brave and desperate enough to try. When Eleanor meets Park, you'll remember your own first love-and just how hard it pulled you under. A New York Times Best Seller! A 2014 Michael L. Printz Honor Book for Excellence in Young Adult Literature Eleanor & Park is the winner of the 2013 Boston Globe Horn Book Award for Best Fiction Book. Sula Toni Morrison,2002-04-05 From the acclaimed Nobel Prize winner: Two girls who grow up to become women. Two friends who become something worse than enemies. This brilliantly imagined novel brings us the story of Nel Wright and Sula Peace, who meet as children in the small town of Medallion, Ohio. Nel and Sula's devotion is fierce enough to withstand bullies and the burden of a dreadful secret. It endures even after Nel has grown up to be a pillar of the black community and Sula has become a pariah. But their friendship ends in an unforgivable betrayal—or does it end? Terrifying, comic, ribald and tragic, Sula

is a work that overflows with life.

Never Let Me Go Sachin Garg, 2012

Into the Wild Jon Krakauer, 2009-09-22 NATIONAL BESTSELLER

- In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. It may be nonfiction, but *Into the Wild* is a mystery of the highest order. —Entertainment Weekly

McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. *Into the Wild* is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of

the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Chu Ju's House Gloria Whelan, 2009-10-06 One girl too many . . . When a girl is born to Chu Ju's family, it is quickly determined that the baby must be sent away. After all, the law states that a family may have only two children, and tradition dictates that every family should have a boy. To make room for one, this girl will have to go. Fourteen-year-old Chu Ju knows she cannot allow this to happen to her sister. Understanding that one girl must leave, she sets out in the middle of the night, vowing not to return. With luminescent detail, National Book Award-winning author Gloria Whelan transports readers to China, where law conspires with tradition, tearing a young woman from her family, sending her on a remarkable journey to find a home of her own.
