Artful Animals Memory Game Mg003 David Sheskin,2010-08 Pomegranate's new memory games use bright and bold images to help sharpen critical skills! The boxes hold stacks of cards. Place them all upside down and take turns choosing two at a time, looking for a pair. The winner collects the most pairs.

Half Animals Memory Game Agnese Baruzzi,2015-03-26 Ani-magination! This fun memory game will entertain and teach kids, while stimulating their creativity, too. Each card shows part of an animal; through careful observation and by remembering the names and characteristics of each creature they see, children then have to find the card with the other half. Once they've completed these simple matches, young animal inventors can mix up the cards and create entirely new wacky and wonderful animals. There are loads of amusing combinations to try! Plus, the book comes with a little gift for the reader - an app with more activities! AUTHOR: Born in 1980, Agnese Bruzzi graduated in graphic design

from the ISIA in Urbino; currently she lives and works in the hills between Imola and Bologna. Since 2001 she has worked as an illustrator and author: she has illustrated about 40 children's books for Italy, the UK, Japan, Portugal, the United States and South Korea. She works as an illustrator with agencies, graphics studios and publishers. Colour illustrations *** The box-package includes: 62 tiles + 16-page book + poster***

Holidays Activities Valerie Ann Bradford, 2011-10-28 My book on Holiday Activities is about art and crafts for the children to make during the holidays while the adults are busy with cooking, cleaning the house and etc. The children can make games to give to their friends or keep for themselves. I did each one of these activities myself to make sure I wrote down each step so it would be easy for anyone to do them, even grandparents can do these activities. The ages are 4 and up with some guidance from the adult(s). These activities are fun and also have some science in them to help the children to build their language skills along with communication skills with other children.
