My Way Paul Anka, David Dalton, 2013-04-09 A teen idol of the 1950s who virtually invented the singer/songwriter/heartthrob combination that still tops pop music today, Paul Anka rocketed to fame with a slew of hits-from Diana to Put Your Head on my Shoulder-that earned him a place touring with the major stars of his era, including Chuck Berry, Jerry Lee Lewis, and Buddy Holly. He wrote Holly's last hit, and just missed joining the rocker on his final, fatal plane flight. Anka also stepped in front of the camera in the teen beach-party movie era, scoring the movies and romancing their starlets, including Annette Funicello. When the British invasion made his fans swoon for a new style of music-and musician--Anka made sure he wasn't conquered. A rapier-canny businessman and image-builder who took his career into his own hands-just as he had from the very beginning, swiping his mother's car at fourteen to drive himself, underage, to his first gigs in Quebec-Anka toured the world until he could return home in triumph. A charter member of the Rat Pack, he wrote the theme music for The Tonight Show as well as his friend Frank Sinatra's anthem My Way. By the 1970s, a multi-decade string of pop chart-toppers, including Puppy Love and (You're) Having My Baby, cemented his status as an icon. My Way is bursting with rich, rollicking stories of the business and the people in Anka's life: Elizabeth Taylor, Dodi Fayed, Tom Jones, Michael Jackson, Adnan Khashoggi, Little Richard, Brooke Shields, Johnny Roselli, Sammy Davis, Jr., Brigitte Bardot, Barnum & Bailey Circus acrobats, and many more. Anka is forthcoming, funny and smart as a whip about the business he's been in for almost six decades. My Way moves from New York to Vegas, from the casino stage to backstages all over the world. It's the most entertaining autobiography of the year.

My Day With Anka Jananne Nelson, Nan F. Nelson, 1996-09-30 When Anka comes each week on Thursday, young Karrie enjoys her Czech cooking and helps her with the housework.

Anka's Orb CB Samet, 2023-07-25 When a man introduces a mysterious Norse relic to Anka before his untimely death, she realizes the power within the orb must not fall into the hands of darkness. Can they track down the orb before the goddess of darkness secures it, or will the forces of evil have it within their power to end the world? Anka's Orb is a novella in The Shadow Guardians urban fantasy romantic suspense series. This is best read between books 2 and 3. If you like engaging characters, sizzling tension, and magic, then you'll love this series.

Monsieur Proust's Library Anka Muhlstein, 2012-11-06 Reading was so important to Marcel Proust that it sometimes seems he was unable to create a personage without a book in hand. Everybody in his work reads: servants and masters, children and parents, artists and physicians. The more sophisticated characters find it natural to speak in quotations. Proust made literary taste a means of defining personalities and gave literature an actual role to play in his novels. In this wonderfully entertaining book, scholar and biographer Anka Muhlstein, the author of

Balzac's Omelette, draws out these themes in Proust's work and life, thus providing not only a friendly introduction to the momentous In Search of Lost Time, but also exciting highlights of some of the finest work in French literature.

My Day with Anka Nan Ferring Nelson,1996 When Anka comes each week on Thursday, young Karrie enjoys her Czech cooking and helps her with the housework.

Heart-breaking Documentary Report Anka "Anik" Ziegler,2022-02-27 This account is a horrific story about a young woman who while crossing a road as a pedestrian was run over twice by an unscrupulous lawyer in Naples. The story serves as a powerful message; particularly for young women, to always be on their guard against evil humans who take advantage of others. The lawyer who ran over her, laughed in her injured face and drove off. A terrible series of events followed wherein a young woman was deprived of her film star looks and body, suffered unbelievable pain and suffering, starting with a botched operation for a torn meniscus, involved an extremely nasty, but well-connected doctor, with no conscience whatsoever; and she suffered humiliating treatment from all sides and then ended up trapped in a foreign country; crippled and broke.

Shards of a Shattered Mirror Book I Darryl Anka,2017-09-28 Willa Hillicrissing, a thirteen-year-old human-alien Hybrid with golden eyes and a wild mane of fox-fur hair, was raised amid the green forests and peaceful seaside setting of Port Dublin in Ireland where, as an apprentice to her Hybrid mentor, Holly Cotton, she takes her first steps on the path to becoming a Cryptic.

La Salle Anka Muhlstein, 2012-02-07 Seventeenth-century North America was a dangerous, untamed land, a vast wilderness where settlers, fur traders, and missionaries all struggled to eke out an existence. But the New World was also a place that attracted a special breed—men with a thirst for adventure and discovery. Robert Cavelier de La Salle, whose energy and single-minded ambition made him one of the greatest explorers of the time, was such a man. At the age of twenty-four, La Salle crossed the Atlantic to America. Like Columbus before him, he was obsessed with finding a western passage to China. But the New World so intrigued him and inflamed his imagination that he abandoned the Far East for the mysteries of the still uncharted regions of North America. La Salle's explorations took him all over the continent, and finally, in 1682, he followed the Mississippi River to the Gulf of Mexico, where he claimed the territory he had traveled through for France, and named it Louisiana in honor of the Sun King, Louis XIV. Throughout his adventurous years, he never lost sight of this grand strategic goal, which was to link the Great Lakes to warm water ports on the Gulf of Mexico. The author combines impeccable scholarship with a novelist's narrative power and eye for stunning detail in this portrayal of La Salle's life and explorations.

The Pen and the Brush Anka Muhlstein, 2017-01-31 A scintillating glimpse into the lives of acclaimed writers and artists and their inspiring, often surprising convergences, from the author of Monsieur Proust's Library With the wit and penetration well known to readers of Anka Muhlstein's previous books, The Pen and the Brush revisits the delights of the French novel. This time she focuses on late 19th- and 20th-century writers--Balzac, Zola, Proust,

Huysmans, and Maupassant--through the lens of their passionate involvement with the fine arts. She delves into the crucial role that painters play as characters in their novels, which she pairs with an exploration of the profound influence that painting exercised on the novelists' techniques, offering an intimate view of the intertwined worlds of painters and writers at the time. Muhlstein's deftly chosen vignettes bring to life a portrait of the nineteenth century's tight-knit artistic community, where Cézanne and Zola befriended each other as boys and Balzac yearned for the approval of Delacroix. She leads the reader on a journey of spontaneous discovery as she explores how a great painting can open a mind and spark creative fire.
