Anthem Ayn Rand, 2021-07-07 About this Edition This 2021-2022 Digital Student Edition of Ayn Rand's Anthem was created for teachers and students receiving free novels from the Ayn Rand Institute, and includes a historic Q&A with Ayn Rand that cannot be found in any other edition of Anthem. In this Q&A from 1979, Rand responds to questions about Anthem sent to her by a high school classroom. About Anthem Anthem is Ayn Rand's "hymn to man's ego." It is the story of one man's rebellion against a totalitarian, collectivist society. Equality 7-2521 is a young man who yearns to understand "the Science of Things." But he lives in a bleak, dystopian future where independent thought is a crime and where science and technology have regressed to primitive levels. All expressions of individualism have been suppressed in the world of Anthem; personal possessions are nonexistent, individual preferences are condemned as sinful and romantic love is forbidden. Obedience to the collective is so deeply ingrained that the very word "I" has been erased from the language. In pursuit of his quest for knowledge, Equality 7-2521 struggles to answer the questions that burn within him — questions that ultimately lead him to uncover the mystery behind his society's downfall and to find the key to a future of freedom and progress. Anthem anticipates the theme of Rand's first best seller, The Fountainhead, which she stated as "individualism versus collectivism, not in politics, but in man's soul."

Anthem Ayn Rand, 2005-04-21 Anthem is Ayn Rand's classic tale of a dystopian future of the great "We"—a world that deprives individuals of a name or independence—that anticipates her later masterpieces, The Fountainhead and Atlas Shrugged. They existed only to serve the state. They were conceived in controlled Palaces of Mating. They died in the Home of the Useless. From cradle to grave, the crowd was one—the great WE. In all that was left of humanity there was only one man

who dared to think, seek, and love. He lived in the dark ages of the future. In a loveless world, he dared to love the woman of his choice. In an age that had lost all trace of science and civilization, he had the courage to seek and find knowledge. But these were not the crimes for which he would be hunted. He was marked for death because he had committed the unpardonable sin: He had stood forth from the mindless human herd. He was a man alone. He had rediscovered the lost and holy word—I. "I worship individuals for their highest possibilities as individuals, and I loathe humanity, for its failure to live up to these possibilities."—Ayn Rand

Anthem Ayn Rand,2017-11-01 Anthem by Ayn Rand As Ayn Rand's predecessor to her later works, *Atlas Shrugged*, and, *The Fountainhead*, *Anthem* is a dystopian novella set in a dark and frightening future. In the world of *Anthem*, individuality has ceased to exist. The main character, Equality 7-2521 reacts against the collectivist society and searches for a way to escape. Written and originally published more than a decade before George Orwell's *1984*, *Anthem* is a thought-provoking look at what it means for society to adopt Socialist policies.

"I" R. Scot Johns,2017-05-31 EQUALITY 7-2521 has vowed one day to return and free his brothers. Now that day has come! An action-packed and thought-provoking sequel to Ayn Rand's 1937 novella *Anthem*, set in a future dystopia where the singular pronoun has been removed from human language. Every event of every day is determined by The World Council. Life ends at 40. And the day will come when I shall break all the chains of the earth, and raze the cities of the enslaved,

and my home will become the capital of a world where each man will be free to exist for his own sake. - Prometheus True to the Objectivist philosophy, I presents essential tenets of metaphysics and epistemology in an entertaining continuation of Rand's classic dystopian tale. We heard that you had gone to the Uncharted Forest, for all the City is speaking of it. - Liberty 5-3000 After Equality Comes Liberty! * * * * Reviews A non-stop, compulsively readable, brilliant, powerful book. Visit a world of heartache, honor and hope and discover what you owe your brother, how to begin to think for yourself, and find the meaning of freedom. This book grabs you from the beginning and brings you from the shadows into the light as you meet new heroes. An incredible accomplishment. - Nettie, Goodreads I loved this book and I think even Ms. Rand would smile upon it knowingly. It gives depth to her rational concepts without sacrificing their integrity in any way. Even more importantly, it evokes a sense of urgency about the ever-looming perils of totalitarian rule and what we as individuals can and must do to counter it. PS. This is also a triumphant love story. Sh-hhhhhh! - Dr. Ellen K. Rudolph * * * * From the Back Cover We hold these truths to be self-evident, that all men are created equal... EQUALITY 7-2521 has fled the collectivist city of his birth with LIBERTY 5-3000, leaving behind a rigid totalitarian state where absolute conformance is enforced and every thought and effort is given to one's brothers. There is no self, no individual, no personal desire. Only the whole is of value. We are all equal. For we are all are the same. INTERNATIONAL 4-8818 secretly mourns the loss of his brother, who surely must have perished in the Uncharted Forest, for none who enter there have ever returned. To feel sorrow is a sin. To do so for an enemy of the state is treason. We are one together. We are never alone. Then one day a paint-splattered image appears upon the walls of the Halls of Justice, a symbol of the one Unspeakable Word, for which the penalty is death... I

Anthem Large Print Edition Ayn Rand,2012-10-05 This is one of my all time favorite books. A succinct commentary on individualism and ego. Ayn Rand is a philosopher no less important than Sartre or Nietzsche. Like Orwell she injects social commentary into novels, which makes her works accessible to all, regardless of formal education. John Shepperd Gotham Daily Telegraph

Anthem Ayn Rand,2014-06-06 We have broken the laws. The laws say that men may not write unless the Council of Vocations bid them so. May we be forgiven! But this is not the only sin upon us. We have committed a greater crime, and for this crime there is no name. What punishment awaits us if it be discovered we know not, for no such crime has come in the memory of men and there are no laws to provide for it. Our name is Equality 7-2521...

Anthem Ayn Rand,2018-05-05 In *Anthem*, Rand examines a frightening future in which individuals have no name, no independence, and no values. Equality 7-2521 lives in the dark ages of the future where all decisions are made by committee, all people live in collectives, and all traces of individualism have been wiped out. Despite such a restrictive environment, the spark of individual thought and freedom still burns in him-a passion which he has been taught to call sinful. In a purely egalitarian world, Equality 7-2521 dares to stand apart from the herd-to think and choose for himself, to discover electricity, and to love the woman of his choice. Now he has been marked for death for committing the ultimate sin. In a world where the great we reign supreme, he has rediscovered the lost and holy word-I. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The

contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Anthem, the Complete Novel Ayn Rand, 2015-01-12 This is a Masterpiece Collection Book Club Edition publication. We have created an after chapter template for notes, character names, and general summary of the chapter. This helps the reader retain the information better. These books are great for not only bookclub readers. They are great for students, and casual readers as well. Having your own notes to draw from helps when writing a book report. Having a bookclub discussion about several chapters. It is great help remembering characters and their significance later in the book. These are not cheat books! We have not done the work for you. You have to read the book and you need to take the notes. Using the templates at the end of each chapter will give you a greater understanding of the work. I love to read and have read thousands of books, but I still forget things that happened hundreds of pages before. These books enable the reader to have a point of reference . Turning the corner of the page and highlighting can help, but returning to your own words helps so much more.

Anthem Ayn Rand, 2017-07-29 How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About Anthem by Ayn Rand Anthem is a dystopian fiction novella by Ayn Rand. It takes place at some unspecified future date when mankind has entered another dark age. Technological advancement is now carefully planned and the concept of individuality has been eliminated. Plot: Equality 7-2521, writing by candlelight in a tunnel under

the earth, tells the story of his life up to that point. He exclusively uses plural pronoun(s) (we, our, they) to refer to himself and others. He was raised like all children in his society, away from his parents in collective homes. Later, he realized that he was born with a curse, that makes him learn quickly and ask many questions. He excelled at the Science of Things and dreamed of becoming a Scholar. However, a Council of Vocations assigns all people to their Life Mandate, and he was assigned to be a Street Sweeper. Equality 7-2521 accepts his street sweeping assignment as penance for his Transgression of Preference in secretly desiring to be a Scholar. He works with Union 5-3992 and International 4-8818, who is Equality's only friend (which is another Transgression of Preference). He found an entrance to a tunnel in their assigned work area. Despite International's protests that any exploration unauthorized by a Council is forbidden, Equality entered the tunnel and found that it contains metal tracks. Equality realized that the tunnel is from the Unmentionable Times of the distant past. He began sneaking away from his community to use the tunnel as a laboratory for scientific experiments. He stole paper and is using it to write his journal. He is now 21 years old. While cleaning a road at the edge of the City, Equality meets Liberty 5-3000, a 17-year-old Peasant girl who works in the fields. He commits another transgression by thinking constantly of her, instead of waiting to be assigned a woman at the annual Time of Mating. She has dark eyes and golden hair, and he names her The Golden One. When he speaks to her, he discovers that she also thinks of him. Later he reveals his secret name for her, and Liberty tells Equality she has named him The Unconquered.

Anthem Ayn Rand, 2018-08-14 My happiness is not the means to any end. It is the end. It is its own goal. It is its own purpose. Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and a clear predecessor to her later masterpieces. The Fountainhead and Atlas Shrugged. In

Anthem Ayn Rand,2020-06-17 Anthem is a dystopian fiction novella by Russian-American writer Ayn Rand, written in 1937 and first published in 1938 in the United Kingdom. The story takes place at an unspecified future date when mankind has entered another Dark Age. Technological advancement is now carefully planned and the concept of individuality has been eliminated. A young

man known as Equality 7-2521 rebels by doing secret scientific research. When his activity is discovered, he flees into the wilderness with the girl he loves. Together they plan to establish a new society based on rediscovered individualism. Rand originally conceived of the story as a play, then decided to write for magazine publication. At her agent's suggestion, she submitted it to book publishers. The novella was first published by Cassell in England. It was published in the United States only after Rand's next novel, *The Fountainhead*, became a best seller. Rand revised the text for the US edition published in 1946.
