A Constant Reminder to All Steven Cody Straley,2022-09-27 Confederate general Thomas Jonathan “Stonewall” Jackson was unquestionably one of the most successful and popular military leaders in the Civil War. Long regarded by some as one of Virginia’s great war heroes, many people do not realize that Jackson was born and raised in what is now West Virginia. When Jackson died in 1863, there was little sympathy for him in the new Mountain State. After all, West Virginia was born out of opposition to the Confederacy. Jackson’s own sister preferred that he was dead rather than serving in a rebellion. Yet over the next century and a half, West Virginia’s attitude towards its controversial son changed. Today, many residents celebrate him as one of the state’s greatest historical icons. How did this happen? In the decades after the Civil War, Confederate veterans and their descendants took up the banner of the Lost Cause and embarked on a campaign to normalize Jackson. Through ceremonies, speeches, publications, and monument building, Lost Cause advocates created a romanticized image of Jackson as the model West Virginian – a military hero, and a symbol of honor, integrity, and piety. The countless monuments to Stonewall Jackson in West Virginia serve as a constant reminder of the complicated history of the state and the nation.

Just A Reminder Divine D.,2020-09-22 “Being a teenage girl is hard in today’s society.” This is the message Divine D. has heard from her students. One student told Divine, “If only there was a book on how to be a teenage, it would make my life easier!” So Divine decided to do just that for her students. By using her twenty years in the field of education, personal life experiences and wealth of knowledge that came from her 46 years on this earth, she wrote 40 Things Every Teenage Girl Needs to Know Before She Becomes an Adult. This book is a wonderful gift for any teenage girl. It has a very positive message that would benefit teenagers going through difficulties or just needing a little reminder of how wonderful they are. Divine uses her expertise as a Catholic school administrator, to bring a Christian twist to all of life’s adventures and bumps in the road. Each chapter ends with a song recommendation message to listen to. One of Divine’s students named the book, Just a Reminder, because all girls need a reminder of how wonderfully awesome they have been made even in times when they forget. In the hopes of improving girls mental health, this is a joyful, happy and positive book sharing delightful and inspiring stories of life in the hopes of making girls lives easier. Believe in yourselves, Girls! With sections including: Mental Health and Well-Being, Body Image and Self-Esteem, Building Foundational Skills for Your Future, Taboo Topics and Getting Help, and Finding Joy in Your Daily Life, teenage girls will be inspired to go out and live their dreams.

Wisdom of the Eternal Self Sayyed Aamir Raza,2020-10-10 This book discusses the reality of human being by pointing out some of the very fundamental issues that remain hidden from the eyes of the modern and post-modern western thought. By elaborating Mulla Sadra’s concept of Soul’s origination from the body and its survival through the Spirit, this book explains how the human soul develops stage by stage in a gradual manner from a vegetative body in the womb. By using Mulla Sadra’s principles of causality, this book shows how God and his Angels create man and other species on the Earth without denying Darwin’s evolutionary theory. In this reference, the role of metaphysical worlds in actualizing human knowledge is also discussed. This book also shows how the human life is a journey back towards its origin i.e. towards God and how this journey would continue even after death. In this reference, this book also explains the principles on the basis of which human soul would continue its life in the post-humus world. This book also clarifies the benefits of focusing onto the self and how this focus may lead to the realization of the Eternal Self of God. In this way, it shows how it is not impossible to experience the post-humus conditions even before death. It also specifies what kind of lifestyle may possibly ensure the occurrence of such mystic experiences.
