Dracula's Vault - A Collection of Vampiric Tales from the Pen of

Bram Stoker Bram Stoker,2019-02-15 A chilling collection of classic gothic short stories written by Bram Stoker, all connected through the theme of vampires. “Gothic fiction” is a subgenre of Gothic horror that is defined by a combination of fiction writing with horror, death, and sometimes romance. It arguably originated from the 1764 novel “The Castle of Otranto” by English author Horace Walpole, which was subtitled “A Gothic Story” after the second edition. Abraham Bram Stoker (1847 – 1912) was an Irish author. He is best remembered for his 1897 Gothic novel “Dracula”, which introduced the world-famous character of Count Dracula and is responsible for various conventions of vampire fantasy that persist to this day. The tales include: 'Dracula', 'The Judge's House', 'The Burial of the Rats' and 'The Squaw'. Other notable works by this author include: “The Primrose Path” (1875), “The Snake's Pass” (1890), and “Seven Golden Buttons” (1891). This volume will appeal to lovers of Gothic literature and classic vampire literature. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

The Real Before the Estate: Chastin Miles, 2018-10-23 Are you are an aspiring, a practicing or a struggling Real Estate agent? When starting out as an agent, there are many challenges you come across. You may have great ideas blowing up in your mind but before long, you realize that nothing has worked. If you are at this stage, don't worry, you are not alone. The main reason why over 80 percent of the beginner agents quit is that they do not know how to differentiate the REALITY from the REAL ESTATE. I feel like I wasted my first 2 years as an agent. I did not make any progress in my career. I made unnecessary mistakes and my personal and professional life was full of struggles. I can't remember how many times I felt like quitting. But then I also learned a few secrets that I want to pass out to all aspiring and beginner agents. My Name is Chastin J. Miles and I'm an award-winning and accomplished real estate agent. I started off in Dallas, TX and had to struggle like most agents. Through the many years of my career, I have managed to turn things around and now I sit among the best. I have won over 10 awards in this short period including being named Best Real Estate Agent by D Magazine and the 2018 Top Social Media Expert Texas by Top Agent Magazine. My work has been featured in over 8 magazines and even TV shows. I could go on and on about my success but this is not about me. This is about you and what you need to break through. The Real Before The Estate is a book I wrote specifically to help those trying to scale up the ladder in the industry. The Real Before The Estate takes you away from the theories you learn in school and the ideas you have in your mind by introducing you to the real world of real estate. Think of this book as the demo mode of Real Estate world. This book gives you practical

knowledge and step by step processes on how to get started and actually succeed in the real estate world. It took me over six years of making mistakes, interacting with industry leaders, and making tough decisions to acquire this knowledge. If I had the knowledge I have now when I started I would be very far in my career. But I don't regret anything; through years of experience, I have managed to reach the peak of my career. Now I use my knowledge to mentor upcoming agents. This is everything you must know before you get into the prosperous yet tumultuous community of Real Estate Agents.
