Shattered Hopes Dr. Ope Banwo, 2024-01-15 The Chronicles Of Muguland [Book I]: Shattered Hopes The Chronicles Of Muguland is a historical 'faction' novel series (a 'faction novel' is a combination of fiction and nonfiction) based on the Saga of an African nation that was blessed with everything God can give any nation to make it great, but which still failed miserably to live up to its potential for greatness. This Book I in the short-book series narrates the heartbreaking tale of how a fictional African country, called Muguland, blessed with so many great human and natural resources squandered its potential for greatness. Using the fictional African nation of Muguland as the focal point, this historical faction book series also explores how a nation with so much potential for greatness became a nation of chronic underachievers because of the ego, greed, and inordinate ambition for power by its leaders, and the complicity of its citizens. Since this is a book of faction, the reader is left to figure out which parts of the tale are facts, and which parts are fiction, while being entertained by the fast-moving narration of events. As you read through and try to verify which incidents are facts, and which are fiction, you will surely have fun as you read through this fast-moving thriller.
