The Book Keeper Julia McKenzie Munemo,2020-01-14 In a memoir that's equal parts love story, investigation, and racial reckoning, Munemo unravels and interrogates her whiteness, a shocking secret, and her family's history. When interracial romance novels written by her long-dead father landed on Julia McKenzie Munemo's kitchen table, she—a white woman—had been married to a black man for six years and their first son was a toddler. Out of shame about her father's secret career as a writer of "slavery porn," she hid the books from herself, and from her growing mixed-race family, for more than a decade. But then, with police shootings of African American men more and more in the public eye, she realized that understanding her own legacy was the only way to begin to understand her country.

Keeper Kathi Appelt,2012-05-22 Keeper was born in the ocean, and she believes she is part mermaid. So as a ten-year-old she goes out looking for her mother—an unpredictable and uncommonly gorgeous woman who swam away when Keeper was three—and heads right for the ocean, right for the sandbar where mermaids are known to gather. But her boat is too small for the surf—and much too small for the storm that is brewing on the horizon. Kathi Appelt follows her award-winning and New York Times bestselling novel *The Underneath* with this stunning, mysterious, and breathtaking tale of a girl who outgrows fairy tales just a little too late—and learns in the end that there is nothing more magical and mythical than love itself.

The Keeper David Baldacci,2015-09-10 David Baldacci is back with The Keeper, the follow up to his instant #1 global bestseller and award-winning YA fantasy debut The Finisher. Vega Jane was always told no one could leave the town of Wormwood. She was told there was nothing outside but the Quag, a wilderness filled with danger and death. And she believed it - until the night she stumbled across a secret that proved that everything she knew was a lie. Now Vega and her best friend Delph must find a way to make it across this terrifying land of bloodthirsty creatures and sinister magic. But the Quag is worse than Vega Jane's darkest imagining. It's a living, breathing prison designed to keep enemies out and the villagers of Wormwood in. The Quag will throw everything at Vega. It will try to break her. It will try to kill her. And survival might come at a price not even Vega is willing to pay. Master storyteller David Baldacci unleashes a hurricane of action and adrenalin that takes readers to breaking point in this second instalment in the Vega Jane series.

The Record Keeper Agnes Gomillion,2019-06-18 The Record Keeper is empathy through fiction. - Actor, Comedian and Film Producer Wayne Brady on The Record Keeper which he plans to bring to the Silver Screen. The Record Keeper is a visceral and thrilling near-future dystopia examining past and present race relations. After World War III, Earth is in ruins, and the final armies have come to a reluctant truce. Everyone must obey the law--in every way--or risk shattering the fragile peace and endangering the entire human race. Arika Cobane is on the threshold of taking her place of privilege as a member of the Kongo elite after ten grueling years of training. But everything changes when a new student arrives speaking dangerous words of treason: What does peace matter if innocent lives are lost to maintain it? As Arika is exposed to new beliefs, she realizes that the laws she has dedicated herself to uphold are the root of her people's misery. If Arika is to liberate her people, she must unearth her fierce heart and discover the true meaning of freedom: finding the courage to live--or die--without fear.

A Keeper Graham Norton,2020-08-25 From Graham Norton--the BAFTA Award-winning Irish television host and author of the "charming debut novel" (New York Journal of Books) Holding--a masterly and haunting tale of secrets and ill-fated love follows a young woman as she returns to Ireland after her mother's death and unravels the identity of her father. When Elizabeth Keane returns to Ireland after her mother's death, she's focused only on saying

goodbye to that dark and dismal part of her life. Her childhood home is packed solid with useless junk, her mother's presence already fading. But within this mess, she discovers a small stash of letters—and ultimately, the truth. Forty years earlier, a young woman stumbles from a remote stone house, the night quiet except for the constant wind that encircles her as she hurries deeper into the darkness away from the cliffs and the sea. She has no sense of where she is going, only that she must keep on. With wistful and evocative prose, *A Keeper* is sure to appeal to “fans of sensitive character studies” (Publishers Weekly) and brilliantly illustrates Graham Norton's clear-eyed understanding of human nature and its darkest flaws.

A Keeper of Words Anna-Marie Ferguson,1995 This book is your key to accessing the combined power of two mythic and richly symbolic sources: the 1,500-year-old Arthurian legend and the ancient divinatory system of the Tarot.

Keeper 829 Michael Camarillo,2021-12-17 *Keeper 829* is Michael Camarillo's debut novel. This dystopian fiction reshapes the way the world works by mixing historical storytelling with an imaginative (and dark) future. In this cautionary tale, readers are taken to a world on the brink of collapse where humans are just another experiment in a cosmic vision fueled by genetic engineering. The oppressive organization that provides global harmony is not what it seems. Something inhuman is lurking in the shadows, and once the veil is dropped, readers will join a race against the extermination clock in a multi-book series. -- In 2098, a shadowy organization called The Institution governs a harmonious collective society. The new, faithless world is a veritable Eden. Or is it? Nesha Gray looks human but she's not... A letter and a stranger thrusts Nesha into a darker reality where humans are a crop for reaping. In a world of betrayal, deception, and genetic engineering, Nesha finds her purpose isn't what she thought. Only questions remain... Who is coming? Are humans worth saving? Who are the real enemies? -- *Keeper 829* contains themes that may be deemed too mature for certain audiences.
