**Aqua Jewel** Alexa Wilcox,2016-04-18 Once a year in Mencia, every thirteen-year-old has a chance to gain a talent. You could have the power to fly, or to become invisible. You might be telepathic, or telekinetic. There's such a wide variety. But there is a catch: if you are Untalented, you are exiled from Mencia. On the day of her Talent Gaining, Lexa is given an old family heirloom - a beautiful blue necklace - as a present from her proud mother. Only when disaster strikes does Lexa realize that the necklace contains more power than she could have ever imagined. . . and could very well have enough to save many lives. But is it already too late?

*The Jewel and Her Lapidary* Fran Wilde,2016-05-03 2016 Nebula Award finalist for Best Novelette From Fran Wilde, the Andre Norton and Compton Crook Award-winning author of *Updraft*. The kingdom in the Valley has long sheltered under the protection of its Jewels and Lapidaries, the people bound to singing gemstones with the power to reshape hills, move rivers, and warp minds. That power has kept the peace and tranquility, and the kingdom has flourished. Jewel Lin and her Lapidary Sima may be the last to enjoy that peace. The Jeweled Court has been betrayed. As screaming raiders sweep down from the mountains, and Lapidary servants shatter under the pressure, the last princess of the Valley will have to summon up a strength she's never known. If she can assume her royal dignity, and if Sima can master the most dangerous gemstone in the land, they may be able to survive. "The central fantastical idea is pretty cool... nicely written... I suspect the world it's set in might yield more fine stories." – Locus At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**His Real Life** Catherine Hoffmann, 2014-06-05 His Real Life is about the young life of the West's dominant figure, Jesus of Nazareth. Its focus is on his central desire to live a full human life on earth, not only as his parents' loving child and as a son of the nation of Israel, but to transcend all boundaries in order to live in deepest beauty and widest truth as the universal man. The action unfolds through Jesus' vivid encounters with individuals of every loved and various kind, through the early years of his childhood at the creation, his event-packed adolescence, and all the startling physical adventures and soul journeys through which Jesus gradually grasps his identity. This drama of self-discovery peaks on the Jordan at Jesus' baptism, when, as a man matured by experience and faith, Jesus achieves the awareness of who he is and who, therefore, we all are. As such, Jesus' struggle for self-clarification is the story of everyone.

*Burma Banyan* Dawn Fraser Kawahara, 2019-09-18 In *BURMA BANYAN, A Daughter's Odyssey*, the reader is invited on an intimate set of travels as the author overcomes qualms about returning to Burma after a life span. Memories of Dawnie, her child self, besiege her. These memories are not set in the peaceful, civilized atmosphere of Dehra Dun, nestled in the hills north of Delhi, the setting of her notable first memoir—*Jackals' Wedding, A Memoir of a Childhood in British India*—but in remote areas of northern Burma and in Mandalay, the capital of “Upper Burmah,” in an unstable atmosphere and generally unsafe surroundings. The Burma sojourn of the author's immediate family following Japanese occupation during World War II begins with a replay of their last days in India, continuing the compelling true story within a family story. Counterpoint with modern-day travels, the author once again revisits a long-locked past to probe the truth of romanticized early life. She reveals how she and her sister coped with expectations and warnings and absorbed the fears and insecurity of their parents in the aftermath of war to compound their own secret worries, how they became adept at assessing their grownups' mood swings, and chameleonic in adapting themselves accordingly. Entertaining stories of the generations before, ancestors who settled in India and Burma from faraway lands, flow naturally as the daughters' parents, Pansy and William, return to live for a time in the country of their birth. Their resulting storm-and-sun relationship, the nucleus of the symbolic “jackals' wedding,” continues as such in *BURMA BANYAN*. Kawahara's odyssey, which completes in an unexpected way, also takes readers from Hawai'i to the British Isles, and forays to Australia and New Zealand in search of “lost” family members. The search for a missing father—and a home—is the taproot of these journeys.
