Alan Moore

Zombiegate Matthew Gabrielli,2022-11 Sophie and Jamie have just been cancelled, a misplaced selfie has gone viral, and the pair have been accused of mocking a dead child. But their troubles are only just beginning. As the real and digital world collide, their lives and friendship are ripped apart by algorithms, online mobs and an obsessive troll called Mr Punch.Zombiegate is a witty and empathetic debut play that gets behind the headlines and hashtags of internet trolls, scrutinising mob mentality and myths around cancel culture, and asks us to empathise with the people we find it hard to agree with. Zombiegate was a winner of Theatre Royal Haymarkets Masterclass Pitch Your Play 2018,and premiered at Theatre503 in November 2022.

Deadlocked 5 - Aftermath A. R. Wise,2015-04-17 Twenty years have passed since the zombie apocalypse devastated the world. All that's left of the world is a bleak wasteland where the plague keeps people fighting for their lives. A single man is on a quest for revenge. He's in search of the people responsible for the outbreak. His journey leads him to a discovery that will change everything. Meanwhile, a new world is revealed that's under the strict control of the same people responsible for the plague. Two innocent prisoners of this regime must escape and learn the truth about the world they never knew existed. When these two worlds collide, the truth of the apocalypse will be revealed.

Zombie Off Scott Lee,Doug Ward,Christina Civello,2014-06-28 The introduction of ZOMBIE OFF was a godsend for the survivors in the outskirts of Philadelphia. For Connor, it made things easier. Known as The Seeker, he's the one person in the safe zone that you go to when no one else can help. Now, he faces his toughest mission yet - a trip into the city where over 750,000 flesh hungry zombies await. Even with ZOMBIE OFF, things can go wrong. But no level of planning could have prepared him for the events to come. Thrust into a madman's psychotic plot, Connor soon finds himself in a fight for his life as he and his friends struggle to survive . . . and keep alive the hope of mankind.

Crossed #6 Garth Ennis, Garth Ennis takes no prisoners and offers no hope in the most intense book of his career! Cindy's patience is tested by her own group as some horrific truths about who they were before the Crossed appeared is unveiled. How evil can people really be? Nothing is going right, but this is no fairy tale - there are no magic cures on the horizon. When civilization crumbles in one terrifying moment; when people are gleefully breaking into unthinkable acts of violence all around you; when everyone you love has died screaming in agony: What do you do? There is no help. There is no hope. There is no escape. There are only the Crossed. This stomach-churning vision is brought to vivid (and more than a little disturbing) life by his partner in crime Jacen Burrows.

The New York Times Book Review ,1975-04

Crossed #3 Garth Ennis, Cindy and her small band of survivors are facing impossible odds, dwindling resources, and a dearth of options. Forced to keep moving, the group travels from one small town to the next, encountering only a handful of remaining humans in the midst of the Crossed outbreak. But the dire state of society has forced some people to do horrible things... and the few humans left may be capable of greater evils than the Crossed themselves. What can Cindy turn a blind eye to, and what must be stopped, at any cost? Nothing is going right, but this is no fairy tale - there are no magic cures on the horizon.

Crossed +100 Alan Moore,2015 Archivist Future Taylor leads a salvage team working to rebuild the historical record of the original Crossed outbreak. She's seen them in videos, but never any live ones, the Crossed are part of the distant past. Until suddenly, a handful appear, and the blood begins to flow. All is not as it seems as a horrific mystery unfolds.--page 4 of cover

The Crusade of Connor Stephens Dewey Moss,2017-10-29

Everyone's Fine with Virginia Woolf Kate Scelsa,2019-08-12 A sharp-witted parody of a celebrated American drama, EVERYONE'S FINE WITH VIRGINIA WOOLF is, in turns, loving homage and fierce feminist takedown. Kate Scelsa's incisive and hilarious reinvention of Edward Albee's classic Who's Afraid of Virginia Woolf? slyly subverts the power dynamics of the original play's not-so-happy couple. In the end, no one will be left unscathed by the ferocity of Martha's revenge on an unsuspecting patriarchy.

It's True, It's True, It's True Breach Theatre,2018-10-16 Fringe First and Total Theatre Award- winning Breach (Tank, The Beanfield) restage the 1612 trial of Agostino Tassi for the rape of baroque painter Artemisia Gentileschi. Based on surviving court transcripts, this new play dramatises the seven-month trial that gripped Renaissance Rome, and asks how much has changed in the last four centuries. Blending myth, history and contemporary commentary, this is the story of how a woman took revenge through her art to become one of the most successful painters of her generation.

Closure Limited Max Brooks,2012-02-16 A terrifying collection of short stories from the master of zombie fiction, Max Brooks. Written in his trademark style, these

tales combine horror, drama, and socio-political commentary to explore the aftermath of the zombie apocalypse. Stories range from a company staffed by human survivors, offering gory revenge on their former zombie attackers, to a vampire who realises too late that he will have nothing left to drink as zombies wipe out his human blood supply.

DEAD DOG PARK Barry Malawer,2016-12-09 A pursuit through an abandoned building ends in a four-story fall that changes Officer Rob McDonald and thirteen-year-old Tyler Chapin's lives forever. Everything that happens next hangs on one question: did the young black boy fall on his own or was he pushed by the white cop on his heels? A collage of scenes weaves through the events that follow as Tyler's mother seeks a savvy lawyer's counsel and Rob faces those who doubt his actions, from his wife, to his partner, to the jury, and to himself. It's twelve years before he's ready for answers once and for all -- and Tyler's the only one who has them. A timely drama about the shifting nature of truth and responsibility.

On Bear Ridge Ed Thomas,2019-11-29 One minute we had customers, the next minute there was no-one. In a lost village, blurred by redrawn borders, hidden under a crumb on the map, Bear Ridge Stores still stands. After a hundred years, the family butchers and grocers – a place for odds and ends, contraband goods, and the last petrol pump for 30 miles – is now silent. But owners John Daniel and Noni are not leaving. They are defiantly drinking the remaining whiskey and remembering good times, when everyone was on the same side and the old language shone. Outside in the dark, a figure is making their way towards them. A semi-autobiographical story about the places we leave behind, the indelible marks they make on us, and the unreliable memories we hold onto.

Plot Points In Our Sexual Development Miranda Rose Hall,2019 Theo and Cecily want to be honest about their sexual histories, but what happens when telling the truth jeopardizes everything?

Baby Reindeer Richard Gadd,2019-10-07 I looked at her, wanting her to laugh. Wanting her to share in the joke. But she didn't. She just stared. I knew then, in that moment – that she had taken it literally... Edinburgh Comedy Award winner Richard Gadd has a chilling story to tell about obsession, delusion and the terrifying ramifications of a fleeting mistake. This powerful and engaging monologue play portrays a man brought to the edge by the actions of a chance encounter which takes a toll on all aspects of his life. In doing so it asks important questions about victims, the justice system and how one decision has the ability to change your life.

Dr Korczak's Example David Greig,2004-05 Set in the final, numbered, days of an orphanage in the Warsaw ghetto in 1942, this play is based on real events. It's 'alienation' device of depicting its characters through the use of dolls, further enhances our painful feeling of powerlessness. Yet, in spite of its tragic outcome, it leaves us uplifted by the power of love.

J'Ouvert Yasmin Joseph,2019-05-27 Winner of the James Tait Black Prize for Drama 2020 “What people you know can party through all of the earth's elements?” Carnival is here. The streets of Notting Hill are alive with history and amongst the pulsating soca, dazzling colour, and endless sequins and feathers, Jade and Nadine are fighting for space in a world they thought was theirs. A timely reflection on the Black British experience and sexual politics of Carnival, J'Ouvert is a piercing, hilarious and fearless story of two best friends, battling to preserve tradition in a society where women's bodies are frequently under threat.
