Through the Malay Archipelago Emily Richings, 2022-09-15
Through the Malay Archipelago by Emily Richings is full of great descriptions and insider knowledge of places known in Malaysia.
Excerpt: From the railway station at Batavia the comfortless dos-a-dos, colloquially known as the sado, a vehicle resembling an elementary Irish car, and drawn by a rat-like Timor pony transports us to the fashionable suburb of Weltevreden, away from the steamy port and fever-haunted commercial capital...

Archipelago Monique Roffey, 2012-07-05 Author of *The Mermaid of Black Conch*, Rathbone Folio Prize 2021 longlisted, Winner of the Costa Best Novel Award 2020 & Winner of the Costa Book of the Year 2020 Gavin Weald lives with his six-year old daughter Océan and their dog Suzy in a newly rebuilt pink house. It is only a few months since a devastating flood swept through their home, with heartbreaking consequences. Gavin is trying desperately to carry on, but wakes each night to his daughter's cries and his own fears for the future. So one day he does the only thing he can think of: he takes his daughter and his dog down to the marina, to his old boat *Romany* which hasn't set sail in years, and embarks upon a voyage to make his peace with the waters. They set sail into deep open ocean, watch fish and dolphins leap from the waves, and head for the Caribbean archipelago that Gavin

longed to explore as a younger man, before he fell in love with a woman and moored his boat for what he thought was the last time. Now Gavin has a new reason for wanderlust and an unexpected crew, who are about to discover the full power and majesty of the sea. A miraculous journey awaits, new sights and wonders - but it will take more than an ocean to put the memory of the flood behind them... Praise for Archipelago: 'There's a warmth to this book, an exuberance and a wisdom, that makes the experience of reading it feel not just pleasurable but somehow instructive. It's funny, sometimes bitingly poignant. A brilliant piece of storytelling' Andrew Miller, author of *Pure*, winner of the Costa Book of the Year 2011

The Hawaiian Archipelago Bird Isabella L., 2023-08-09

Published in 1875, *The Hawaiian Archipelago* depicts a far different Hawaii than the one we see in travelogues or the one made famous by Pearl Harbor. Ms. Bird's work is significant because of the historical as well as personal perspective she offers. During Bird's time, one primary concern about Hawaii was its dwindling population and abandonment of once-thriving communities. Her love for the islands and the personal healing she experiences, both physically and psychologically, leaves her in its thrall. Illustrated edition contains photographs and illustrations from previous print

editions.

The Ghoul Archipelago Stephen Kozeniewski,2018-06-29 After ravenous corpses topple society and consume most of the world's population, freighter captain Henk Martigan is shocked to receive a distress call. Eighty survivors beg him to whisk them away to the relative safety of the South Pacific. Martigan wants to help, but to rescue anyone he must first pass through the nightmare backwater of the Curien island chain. A power struggle is brewing in the Curiens. On one side, the billionaire inventor of the mind-control collar seeks to squeeze all the profit he can out of the apocalypse. Opposing him is the charismatic leader of a ghoul-worshipping cargo cult. When a lunatic warlord berths an aircraft carrier off the coast and stakes his own claim on the islands, the stage is set for a bloody showdown. To save the remnants of humanity (and himself), Captain Martigan must defeat all three of his ruthless new foes and brave the gruesome horrors of...The Ghoul Archipelago.

The Light on the Island Helene Glidden,2001-03-27 Readers can once again enjoy Helene Glidden's classic *The Light on the Island*, as this 50th Anniversary Edition retells the touching story of a young girl growing up on Patos Island in the San Archipelago of Washington State. Her parents raised thirteen children while her father served as the Patos Island lighthouse keeper from 1905 - 1913. Helene reminisces about the adventure and heartbreak experienced on a beautiful but remote island where smugglers, old timers, and God weave in and out of their lives.
