*The Liberal Redneck Manifesto* Trae Crowder, Corey Ryan Forrester, Drew Morgan, 2017-10-10 The Liberal Rednecks--a three-man stand-up comedy group doing scathing political satire--celebrate all that's good about the South while leading the Redneck Revolution and standing proudly blue in a sea of red. Smart, hilarious, and incisive, the Liberal Rednecks confront outdated traditions and intolerant attitudes, tackling everything people think they know about the South--the good, the bad, the glorious, and the shameful--in a laugh-out-loud funny and lively manifesto for the rise of a New South. Home to some of the best music, athletes, soldiers, whiskey, waffles, and weather the country has to offer, the South has also been bathing in backward bathroom bills and other bigoted legislation that Trae Crowder has targeted in his Liberal Redneck videos, which have gone viral with over 50 million views. Perfect for fans of Stuff White People Like and I Am America (And So Can You), *The Liberal Redneck Manifesto* skewers political and religious hypocrisies in witty stories and hilarious graphics--such as the Ten Commandments of the New South--and much more! While celebrating the South as one of the richest sources of American culture, this entertaining book issues a wake-up call and a reminder that the South's problems and dreams aren't that far off from the rest of America's--

*Jeff Foxworthy's Redneck Dictionary II* Jeff Foxworthy, 2007-09-25 Clearly one redneck dictionary was not enough. And it's no wonder. The South is positively bursting at the seams with colorful words and turns of phrases in this distinct dialect. Now men and women from all across this great land can further fine-tune their fluency and showcase their confidence when speaking to folks who hail from below the Mason-Dixon line. Need a crash course in this truly inspired lingo? Well, Jeff Foxworthy's Redneck Dictionary II puts the "vern" in "vernacular," offering up a veritable gumbo of must-be-known selections: infamy (in'fe-mé) adv. and n. another person's intent to exact physical punishment. "Ever since I stole his girlfriend, Bobby's had it infamy." assassin (e-sas'-en) v. to disrespect verbally. "Don't just stand there assassin me, boy-go clean your room!" honor student (än'-er stu'-dent) prep. and n. to be positioned over, and supported by, a pupil. "Yeah, I knew piano lessons after midnight was weird, but I still didn't suspect nothin' till I caught her honor student." So open your ears and activate your funny bone with this hilarious,

practical, and playfully illustrated reference. It's like having your very own personal dialect coach—one who doesn't mind getting picked up and read and laughed at and passed along to friends.

*50 Ways to Tell a Redneck from a Hillbilly* Earl O'Kuly, 2014-12-08 A darn funny book that will keep you laughing while you learn the differences between rednecks and hillbillies, and as this book shows you, there are differences. And just when you think you know the difference between rednecks and hillbillies, there are some questions at the back of the book, with a city slicker's scorecard, to find out if you really do know the difference. The city slicker's scorecard alone will have you LOLing!

**Redneck Country...Black Letter Law** John Russell Smith, 2010-07 Criminal defense attorney J.R. Cuttler begins his Sunday with thoughts of flying his airplane around the East Texas area and later watching his Dallas Cowboys play the hated Washington Redskins. That thought is shattered in an instant when the local radio station reports the abduction and rapes of a twenty-nine-year-old woman and her twelve-year-old cousin from the local Walmart parking lot. The identity of the victims and the initial allegations as to their assailant would draw Cuttler into a capital murder case that would forever change

his life and his practice of law. This small, deep East Texas town located on the Texas-Louisiana border still lives in times we would all like to forget...times most of us have fought to forget. Therefore, when two White women are allegedly abducted, beaten, raped and sodomized by an uppity young Black man, the county digresses into the mindset of Coloreds use back door. After his arrest in another jurisdiction, Lincoln Johnson is beaten beyond recognition by two deputies returning him to the local jail. It is this senseless barbarity that raises Cuttler's ire to the degree that he agrees to represent the accused. The development of pre-trial tactics, the trial, and hypnotic conclusion pits modern scientific methodology and old time trial theatrics.

*Black Rednecks and White Liberals* Thomas Sowell, 2010-09-17 This explosive new book challenges many of the long-prevailing assumptions about blacks, about Jews, about Germans, about slavery, and about education. Plainly written, powerfully reasoned, and backed with a startling array of documented facts, *Black Rednecks and White Liberals* takes on not only the trendy intellectuals of our times but also suc...

**The Redneck Chronicles** Brent Basham, 2004-02-01 At first glance, you may expect this book to follow the tradition of backwoods behavior and self deprecating humor commonly found in redneck literature. It seems the approach most authors take when discussing this particular subject matter is from the outside looking in, much like observing captive animals at the local zoo. That perspective, though often entertaining, hardly provides an accurate depiction of what it's actually like to be a monkey. To do that, we'd need to get the story from the inside, straight from the monkey's mouth. Unfortunately though, monkeys can't speak. But rednecks can. And just like no two

monkeys are exactly the same, some rednecks have managed to evolve beyond their predecessors. However, it seems that no matter how intelligent they become, they can never quite escape their genetic predisposition toward certain behaviors. A rare blend of satirical humor and heartfelt reality, *The Redneck Chronicles* is a one-of-a-kind story about growing up in the south. Written in an honest and captivating tone, the author candidly shares the details of his life, allowing you to relive those experiences through the eyes of a redneck. Reading between the lines you'll undoubtedly discover a timeless memoir that resonates with anyone, of any age, regardless of cultural differences.

Why I'm Proud to Be a Redneck Ellen Patrick, 2007-06-01 Look good in camouflage. Been driving since I was twelve. Horse sense tests at genius level. How many reasons can you think of for why you're proud to be a redneck? You'll want to share them with your friends and family through the pages of this hilarious little book.

**The Redneck Instruction Book**, 1996 From the illustrator of *How to Speak Southern* and *True Grits* comes a title in the same vein as *The Southerner's Instruction Book*, a sure ticket to identifying rednecks and edifying rednecks and non-rednecks alike. Illustrations.

*Redneck Romeo* Xavier Neal, 2018-04-03 A small town man. A big city woman. A star-crossed love affair that begins in paradise... What starts as five days of fun in the sun leads to two people traveling down an emotional dirt road. Down a highway paved with good intentions but full of unpredicted roadblocks. Will the tumultuous track they take ultimately tear them apart, leaving their lives in a tattered tragedy, or will they manage to survive and tie their souls together for a life time? \* Complete Standalone \*

**The Redneck War** Guy Nixon,2016-05-14 Don't you find it rather interesting that the largest war fought on American soil since the American Civil War, which had airplanes dropping bombs on American towns, killing American Civilians, was never taught or even mentioned to you in school? This history can and has been told by several points of view, but here it is from the point of view of the Rednecks who fought it.

Redneck Hillbilly Desi Northup,2017-01-06 Redneck and yo mama jokes. Yo mamma's head is so big it shows up on radar. If your first love also won a blue ribbon at the county fair... You just might be a redneck!
