How to Tell If Someone Truly Loves You Femi Ogunjinmi,2020-03-25 Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love.Dr. Femi Gfem Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by 100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His signature conference, Revelations of Relationship Seminar occurs every year in United State and has been conducted internationally in Nigeria. Dr. Femi is the founder of National Relationship Equity Day, an organization that has created a national awareness day celebrated June 24th of every year. National Relationship Equity Day is dedicated to eradicating gender inequity in relationship and promoting the use of gifts, values, skill sets, and interests as a way of defining roles in relationship other than gender.

You Are What You Love James K. A. Smith,2016-03-29 You are what you love. But you might not love what you think. In this book, award-winning author James K. A. Smith shows that who and what we worship fundamentally shape our hearts. And while we desire to shape culture, we are not often aware of how culture shapes us. We might not realize the ways our hearts are being taught to love rival gods instead of the One for whom we were made. Smith helps readers recognize the formative power of culture and the transformative possibilities of Christian practices. He explains that worship is the imagination station that incubates our loves and longings so that our cultural endeavors are indexed toward God and his kingdom. This is why the church and worshiping in a local community of believers should be the hub and heart of Christian formation and discipleship. Following the publication of his influential work *Desiring the Kingdom*, Smith received numerous requests from pastors and leaders for a more accessible version of that book's content. No mere abridgment, this new book draws on years of Smith's popular presentations on the ideas in *Desiring the Kingdom* to offer a fresh, bottom-up rearticulation. The author creatively uses film, literature, and music illustrations to engage readers and includes new material on marriage, family, youth ministry, and faith and work. He also suggests individual and communal practices for shaping the Christian life.

How to Fall in Love with Anyone Mandy Len Catron,2017-06-27 “A beautifully written and well-researched cultural criticism as well as an honest memoir” (Los Angeles Review of Books) from the author of the popular New York Times essay, “To Fall in Love with Anyone, Do This,” explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy. What really makes love last? Does love ever work the way we say it does in movies and books and Facebook posts? Or does obsessing over those love stories hurt our real-life relationships? When her parents divorced after a twenty-eight year marriage and her own ten-year relationship ended, those were the questions that Mandy Len Catron wanted to answer. In a series of candid, vulnerable, and wise essays that takes a closer look at what it means to love someone, be loved, and how we present our love to the world, “Catron melds science and emotion beautifully into a thoughtful and thought-provoking meditation” (Bookpage). She delves back to 1944, when her grandparents met in a coal mining town in Appalachia, to her own dating life as a professor in Vancouver. She uses biologists’ research into dopamine triggers to ask whether the need to love is an innate human drive. She uses literary theory to show why we prefer certain kinds of love stories. She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from. And she tells the story of how she decided to test an experiment that she’d read about—where the goal was to create intimacy between strangers using a list of thirty-six questions—and ended up in the surreal situation of having millions of people following her brand-new relationship. “Perfect fodder for the romantic and the cynic in all of us” (Booklist), *How to Fall in Love with Anyone* flips the script on love. “Clear-eyed and full of heart, it is mandatory reading for anyone coping with—or curious about—the challenges of contemporary courtship” (The Toronto Star).

The Angry Therapist John Kim,2017-04-18 Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new approach, that he sometimes calls “self-help in a shot glass” is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let’s face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the

tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as The Angry Therapist, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of me too as opposed to you should. He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. The Angry Therapist blog, that inspired this book, has been featured in The Atlantic Monthly and on NPR.

Talk to Me Like I'm Someone You Love Nancy Dreyfus, Psy.D.,2009-12-24 “The most crucial relationship advice book since Men Are from Mars.”—Erin Meanley, Glamour.com A groundbreaking, interactive relationship tool that literally places in the hands of couples the power to transform chronically frustrating relationship dynamics. We've all been there. A conversation with a loved one escalates into conflict. Voices rise to a fever pitch and angry, accusative words fly through the air. At times like these, it seems impossible to find the magic words that will lead to healing. Enter Talk to Me Like I'm Someone You Love. A psychotherapist with decades of experience in counseling couples, Nancy Dreyfus hit upon the revolutionary practice outlined in this book during a couples-therapy session in which a wife’s unrelenting criticism of her husband was causing him to become emotionally withdrawn. In the midst of this, Dreyfus found herself scribbling on a scrap of paper, “Talk to me like I'm someone you love,” and gestured to the husband that he should hold it up. He did and within seconds the familiar power differential between the two shifted, and a gentler, more genuine connection emerged. Dreyfus was startled, then intrigued, and then motivated to create a tool that could help others. This book features more than one hundred of Dreyfus's flash cards for real life, written statements that express what we wish we could communicate to the person we love, but either can't find the right words or the right tone in which to say it. The statements include: • Taking responsibility: I realize I'm overreacting. Can you give me a minute to get sane again? • Apologizing: I know I've really hurt you. What can I do to help you trust me again? • Loving: You are precious, and I get that I haven't been treating you like you are. A one-of-a-kind, practical relationship tool, Talk to Me Like I'm Someone You Love will help couples to stop arguing and begin healing.

Do You Love to Be Needed, or Need to Be Loved? Shari Schreiber,2018-09-27 Shari Schreiber learned about healing people by having to surmount her own painful life experiences. Tenacious about her pursuit of wholeness and wellness, she invented tools in her mid-twenties to help her grow beyond mere survival and learn to thrive. She imparted these tools and methods to her clients for eighteen of the twenty-five years she was passionately dedicated to helping others repair themselves. Returning to school at forty-one, she’d hoped to legitimize the talents she’d always had, but found that experience lacking. Ms. Schreiber has not worked as a state-licensed professional, because in her view, “psychotherapy” or mind work never seemed to resolve or remedy human pain. Her own approach was extremely unconventional, unique and effective in contrast to other forms of intervention, even within the realm of addiction recovery. Having retired from her wellness practice in late 2017, she hopes to publish many more books that might help you gain clarity, wholeness, contentment, inner peace and joy.
