Lee Siegel

*Are You Serious?* Lee Siegel, 2011-06-28 Lee Siegel, author of *Falling Upwards*, *Not Remotely Controlled*, and *Against the Machine* delivers a provocative critique of modern lightness and frivolity, and a timely guide to being serious in an unserious age. In the vein of *The Culture of Narcissism*, *Shop Class as Soulcraft*, and *How Proust Can Change Your Life*, Siegel offers a revelatory look at how a serious bearing is vital to accomplishing any worthwhile goal in an era increasingly defined by a sardonic approach to life.

**Are You Serious?** Aj Freeman, 2022-02-04 So let me start off by saying, if life is like a box of chocolates, you never know what you gonna get. (From the movie *Forrest Gump*) Some of mine are melted, because my life has not turned out the way I thought or intended it to be. Life has different challenges and obstacles that change us. This book is about some of the highs and lows of my life. The title *Are you Serious* was chosen because I believe that we sometimes take life too seriously. We don't laugh enough at ourselves because we are too busy laughing at others to take the attention off ourselves. As you read each chapter you will see that my life has not always been easy. I had to endure some things because it comes from within. The upbringing of my Grandparent's faith helped to sustain me while the fantastic four saved my life. I look back at some of the things I did and I have to ask myself, are you serious right now?

**God, Are You Serious?** Kay Jemison, 2008-12 This is not your average, or even ordinary, collection of stories. Most young adults dream of the day when they are freed from the nest to take on the world and finally be independent! But for Kay Jemison, did this come at too high a price? A rollercoaster ride is typical but Kay didn't bargain on a never ending coaster of lies, bank robbery, attempted murder, and abusive relationships! Often stopping to ask God why her deck of cards was always stacked against her, she found herself wavering on getting to know Him. But something wouldn't let her give up on God or life, despite each negative experience. Her ambition led her to an encounter with God, hoping to get answers to her unanswered questions. Kay discovered that out of an overdeveloped sense of personal obligation she often repeated mistakes that risked her life, despite the danger signs. Enemies were camouflaged as friends; friends lacked commitment and integrity. Characters grew increasingly bizarre. God chose Kay, having His hand on her life, long before she even knew He existed. This story's heart is about perseverance and ambition for one's destiny while developing a relationship with God.

Hell: Are You Serious? K.J. Parker , 2013-01-28 We live in age when the fear of hell no longer holds sway in society and even in the church the subject is so rarely mooted it seems almost taboo. The reason for that, it is argued, is fundamentally the consequence of evolution becoming the accepted explanation for the origin of our existence: by undermining the biblical explanation for Creation it has undermined the whole of the biblical witness. By arguing that evolution is demonstrably false and, to the contrary, drawing on science that presents compelling evidence that the natural world has a Creator, *Hell: Are You Serious?* argues that we therefore live in perilous times: since we have good reason to believe that the Bible is true and in particular that the teaching of Jesus is true, especially as it is borne out in the lives and experience of those who put their trust in Him, we have to conclude that His warning of an eternal and final punishment for the unrighteous is a very real danger. *Hell: Are You Serious?* reaffirms the terrifying message of Jesus about hell and who goes there. Asking readers to be honest with themselves about what it is they believe and why they believe it, it makes an earnest appeal for them to consider the warnings of Christ afresh and believe.

You Cannot Be Serious John McEnroe, James Kaplan, 2002-06-10 A no-holds-barred, intimate memoir by John McEnroe—the bad boy of professional tennis. John McEnroe stunned the tennis elite when he came out of nowhere to make the Wimbledon semifinals at the age of eighteen—and just a few years later, he was ranked number one in the world. *You Cannot Be Serious* is McEnroe at his most personal, an intimate examination of Johnny Mac, the kid from Queens, and his "wild ride" through the world of professional tennis at a boom time when players were treated like rock stars. In this "bracing serve-and-volley autobiography" (*The Boston Globe*) he candidly explores the roots of his famous on-court explosions; his ambivalence toward the sport that made him famous; his adventures (and misadventures) on the road; his views of colleagues from Connors to Borg to Lendl; his opinions of contemporary tennis; his marriages to actress Tatum O'Neal and pop star Patty Smyth; and his roles as husband, father, senior tour player, and often-controversial commentator.

**Humor, Seriously** Jennifer Aaker, Naomi Bagdonas, 2021-02-02 WALL STREET JOURNAL, LOS ANGELES TIMES, AND USA TODAY BESTSELLER • Anyone—even you!—can learn how to harness the power of humor in business (and life), based on the popular class at Stanford's Graduate School of Business. Don't miss the authors' TED Talk, "Why great leaders take humor seriously," online now. "The ultimate guide to using the magical power of funny as a tool for leadership and a force for good."—Daniel H. Pink, #1 New York Times bestselling author of *When and Drive* We are living through a period of unprecedented uncertainty and upheaval in both our personal and professional lives. So it should come as a surprise to exactly no one that trust, human connection, and mental well-being are all on the decline. This may seem like no laughing matter. Yet, the research shows that humor and laughter are among the most valuable tools we have at our disposal for strengthening bonds and relationships, diffusing stress and tension, boosting resilience, and performing when the stakes are high. That's why Jennifer Aaker and Naomi Bagdonas teach the popular course *Humor: Serious Business* at the Stanford Graduate School of Business, where they help some of the world's most hard-driving, blazer-wearing business minds infuse more humor and levity into their work and lives. In *Humor, Seriously*, they draw on findings by behavioral scientists, world-class comedians, and inspiring business leaders to reveal how humor works and—more important—how you can use more of it, better. Aaker and Bagdonas unpack the theory and application of humor: what makes something funny, how to mine your life for material, and simple ways to identify and leverage your unique humor style. They show how to use humor to rebuild vital connections; appear more confident, competent, and authentic at work; and foster cultures where levity and creativity can thrive. President Dwight David Eisenhower once said, "A sense of humor is part of the art of leadership, of getting along with people, of getting things done." If Dwight David Eisenhower, the second least naturally funny president (after Franklin Pierce), thought humor was necessary to win wars, build highways, and warn against the military-industrial complex, then you might consider learning it too.

**This Is a Serious Book** Jodie Parachini, 2016-10-11 This is a very serious book. Nothing silly is allowed. There are no funny faces, no clowns, and definitely no shenanigans. A serious book is always respectful, and, of course, is always in black and white. But wait! Who's this? Zebra might be black and white, but he is NOT serious. And he and his friends are ruining the book with their antics, parades, and parties! This funny and irreverent book that pits its narrator against its characters in a hilarious way invites reader participation and encourages kids to think about writing their own books and stories—just as donkey does here in the end. A joyful page-turner of a book that celebrates writing and creativity and will appeal to fans of *The Book With No Pictures*.

**You Can't Be Serious** Kal Penn, 2022-08-09 Kal Penn's unlikely career arc has taken him from nerdy American kid from an immigrant family in

the New York suburb of Montclair, New Jersey, to world-famous actor, to White House staffer under President Obama, and back to actor again. Now, in *You Can't Be Serious*, he reflects on the most ridiculous, offensive, and rewarding moments that have stood out during his journey. With intelligence, humor, and charm on every page, Penn explores what it means to be the embodiment of the American Dream, as the child of immigrant parents who came to this country with very little, and who never expected to see their son get his big break by sliding off an oiled-up naked woman in a raunchy Ryan Reynolds movie. He also pulls back the curtain on racism in Hollywood and the constant reminders that he would never fit in. And of course, he reveals how, after twenty-five years fighting for success in Hollywood, he made the terrifying but rewarding decision to walk away from it all for a career in politics. Above all, *You Can't Be Serious* shows that everyone can have more than one life story. Penn bravely demonstrates by example that no matter who you are and where you come from, you have many more choices than those presented to you. It's a story about struggle, triumph, and learning how to keep your head up. And okay, yes, it's also about whether Kal really smoked weed in the White House with the former First Lady--because let's be honest, that's what you really want to know--

*The Serious Goose* Jimmy Kimmel,2024-05-07 Meet a very Serious Goose in late-night host Jimmy Kimmel's first fun and funny picture book! There is nothing silly about this goose. Inspired by Jimmy's nickname for his kids, The Serious Goose reminds us to be silly in a serious way. Put your little comedians in front of a mylar mirror and challenge them to make this no-nonsense goose smile. This delightful read-aloud is guaranteed to create giggles of giggles time and time again! Kimmel’s proceeds from sales of THE SERIOUS GOOSE will be donated to Children’s Hospital Los Angeles (CHLA) and children’s hospitals around the country.

**Are You Serious?** Sean Stadler,2010-08-01 A new age and depth of sarcastic humor is born in this dry collage of writing, drawing, and photography that both captures and thoroughly mocks the frustrations of daily adult life.

**Serious** John McEnroe,2008-09-04 John McEnroe enjoyed tremendous success at all levels of tennis, and he owns 77 career singles titles, including 7 Grand Slams. He joined the circuit in 1978 and it took him only three years to attain the No. 1 ranking. The 1980 Wimbledon final, between McEnroe and Bjorn Borg, is considered by many tennis experts to be the best match ever, a five-set thriller which McEnroe avenged the following year for his first Wimbledon title. In doubles, McEnroe is recognised as the best player of all time. He was ranked No. 1 for a record 257 weeks and captured a total of 74 titles, including 8 Grand Slams. Still an active player, McEnroe is now an outstanding tennis commentator and broadcaster for the BBC and other national networks. This autobiography, his first, covers an awesome tennis career, marriage to movie star Tatum O'Neal and where arguably the greatest tennis player of all time goes from here. This is SERIOUS.
