DURJOY DATTA

- 📖 **The World’s Best Boyfriend** Durjoy Datta,2015-04-24 Hate, is a four letter word. So is love. And sometimes, people can’t tell the difference... Dhurv and Aranya spend a good part of their lives trying to figure out why they want to destroy each other, why they hurt each other so deeply. And, why they can’t stay away from each other. The answer is just as difficult each time because all they’ve wanted is to do the worst, most miserable things to one another. Yet there is something that tells them: This is not it. If you want to know the answer to it all, read the book.
- 📖 **The Perfect Boyfriend** Renee Novelle,2014-06-26 Book #2 in the Boyfriend series. The Perfect Boyfriend picks up right where we left Reagan and Ian in The Boyfriend List. As their friendship blossoms quickly into a steamy romance, Reagan and Ian have to learn to navigate their shifting relationship...and everything that entails. But their newfound bliss doesn’t come without a few unexpected challenges. In the midst of realizing just how sweet the romance can be between them, and all the benefits of their new dynamic, Reagan is informed that her ideal situation has changed. Not only will she need to begin taking on more classes to speed up her graduation date, but she’ll also have to start looking for a job to supplement her fading income. Meanwhile, Ian has chosen to pull out of school once his father is diagnosed with a terminal illness in order to help manage the family business and spend time with him while he still can. But he wrestles with the guilt of leaving Reagan behind, and the pressure of his new responsibilities. As the two meet their new challenges head-on, they’ll be forced to discover whether or not they’re as compatible as lovers as they were as friends. With their focus pulled in so many directions, will they have what it takes to keep a long distance relationship alive? Can Ian prove that he’s still be the perfect boyfriend, or will they fold to statistics under the growing tensions of their lives? Throw in some manipulative exes, a new boss with an inflated ego, and a co-worker from hell and the two have a recipe for either a fairy tale ending, or a complete disaster. The Perfect Boyfriend is a New Adult Romance about trust, love, and discovering the true depths of personal strength.
- 📖 **The Paradox of Choice** Barry Schwartz,2009-10-13 Whether we’re buying a pair of jeans, ordering a cup of coffee, selecting a long-distance carrier, applying to college, choosing a doctor, or setting up a 401(k), everyday decisions—both big and small—have become increasingly complex due to the overwhelming abundance of choice with which we are presented. As Americans, we assume that more choice means better options and greater satisfaction. But beware of excessive choice: choice overload can make you question the decisions you make before you even make them, it can set you up for unrealistically high expectations, and it can make you blame yourself for any and all failures. In the long run, this can lead to decision-making paralysis, anxiety, and perpetual stress. And, in a culture that tells us that there is no excuse for falling short of perfection when your options are limitless, too much choice can lead to clinical depression. In The Paradox of Choice, Barry Schwartz explains at what point choice—the hallmark of individual freedom and self-determination that we so cherish—becomes detrimental to our psychological and emotional well-being. In accessible, engaging, and anecdotal prose, Schwartz shows how the dramatic explosion in choice—from the mundane to the profound challenges of balancing career, family, and individual needs—has paradoxically become a problem instead of a solution. Schwartz also shows how our obsession with choice encourages us to seek that which makes us feel worse. By synthesizing current research in the social sciences, Schwartz makes the counter intuitive case that eliminating choices can greatly reduce the stress, anxiety, and busyness of our lives. He offers eleven practical steps on how to limit choices to a manageable number, have the discipline to focus on those that are important and ignore the rest, and ultimately derive greater satisfaction from the choices you have to make.
- 📖 **Outlander** Diana Gabaldon,2004-10-26 #1 New York Times Bestseller • Now a Starz Original Series Unrivaled storytelling. Unforgettable characters. Rich historical detail. These are the hallmarks of Diana Gabaldon’s work. Her New York Times bestselling Outlander novels have earned the praise of critics and captured the hearts of millions of fans. Here is the story that started it all, introducing two remarkable characters, Claire Beauchamp Randall and Jamie Fraser, in a spellbinding novel of passion and history that combines exhilarating adventure with a love story for the ages. One of the top ten best-loved novels in America, as seen on PBS’s The Great American Read! Scottish Highlands, 1945. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassenach—an “outlander”—in a Scotland torn by war and raiding clans in the year of Our Lord . . . 1743. Claire is catapulted into the intrigues of a world that threatens her life, and may shatter her heart. Marooned amid danger, passion, and violence, Claire learns her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. This eBook includes the full text of the novel plus the following additional content: • An excerpt from Diana Gabaldon’s Dragonfly in Amber, the second novel in the Outlander series • An interview with Diana Gabaldon • An Outlander reader’s guide Praise for Outlander “Marvelous and fantastic adventures, romance, sex . . . perfect escape reading.”—San Francisco Chronicle “History comes deliciously alive on the page.”—New York Daily News

- 📖 **Intimacy** Osho,2007-04-01 One of the greatest spiritual teachers of the twentieth century shares his wisdom about building loving relationships in Intimacy: Trusting Oneself and the Other. “Hit-and-run” relationships have become common in our society as it has grown more rootless, less tied to traditional family structures, and more accepting of casual sex. But at the same time, there arises an undercurrent of feeling that something is missing—a quality of intimacy. This quality has very little to do with the physical, though sex is certainly one possible door. Far more important is a willingness to expose our deepest feelings and vulnerabilities, with the trust that the other person will treat them with care. Ultimately, the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed, even if that trust is betrayed, we will not suffer any permanent damage. In this gentle and compassionate guide, Osho takes his readers step-by-step through what makes people afraid of intimacy, how to encounter those fears and go beyond them, and what they can do to nourish themselves and their relationships to support more openness and trust. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.
