Operation Ares Chuck Kimball, 2017-11-15 Two deep black operatives must risk their lives to sink a private Russian submarine loaded with heroin and a cargo ship carrying illegal weapons. Both shipments are destined to end up on the streets of the United States. As part of the Operation Ares mission, POTUS orders the two patriots to kill the kingpin who leads the most innovative and unpredictable smuggling organization, so sophisticated that no one has ever been able to stop him. The two agents essential assignments take them on a dangerous journey where audacity, imagination, and loyalty are crucial. On occasion, they find themselves working outside the law to reach their objectives. To maintain their sanity, these brave fighters have coping tools, brotherhood and a sense of humor. Complicating their endeavors, one of them is entangled in a love affair that could compromise the mission. Their story is an amalgam of chaos, success, tragedies, adventure, humor, and love.

Edicts of Ares Michael Riggs, 2006-08 Of the successful military leaders over the past recorded millenia, there are a few nuggets of military wisdom that are consistently repeated by the most successful military leaders in history, truisms that have been successfully demonstrated time and again. When one sees highly successful military leaders utilize the identical same principles, though separated by continents, culture, and millennia, it would appear that one who proposes to take up the art of war as a vocation would give these basic concepts significant weight. For those who would follow these edicts of war, not a single battle, campaign, nor war has been lost since 1479 BC. Yet even the greatest commanders, including Hannibal Barca, Napoleon, and Lee lost when they uncomprehendingly abandoned these absolute rules. Thus, these inviolable edicts determine battlefield success. Not the General.

The Oxford Handbook of Women and Competition Maryanne Fisher, 2017 The Oxford Handbook of Women and Competition is one of the first scholarly volumes to focus specifically on competition and the competitive forces between women. Midlife Muse Donna McDonald, 2021-08-23 *Midlife Muse* is a paranormal women's fiction and fantasy novel and an action and adventure tale from USA Today Bestselling Author Donna McDonald. I may look like a 40-year-old woman, but inside I'm a goddess. My name is Goddess Atlanta. Haven't you heard of me? No? Bet you've heard of my twin sister, Athena, the Goddess of War. Sure. Everyone's heard of her. Shunned by my birth family, I grew up with the Muses as sisters and friends. Being a Muse sucked, though, and I failed at inspiring others. What can I say? Being a warrior is the song that sings in my blood. Just hand me a sword and move back while I call down

lightning. Be careful though because my aim's not what it used to be. Becoming a 40-year-old and mostly mortal woman has taken a toll, especially on my knees. Because of my father, my entire pantheon is also mortal and dying. I have to find a worthy champion to help me save us all. Failure is not an option no matter how old or mortal I get. My name is Atlanta, Goddess of the Doomsday Prophecy. And this is my Mortal Midlife Story. AUTHOR NOTE: This new story is both paranormal and fantasy (think Trolls, Pegasi, and Dragons) and women's fiction (think issues of aging). Romantic elements are also included. This is the first book in my new series which has its roots in Greek mythology. You can count on the good guys winning some of their battles, but that's the only promise I can make. As with all my work, there will be lots of laughs along the way. Topics: mythology, Greek mythology, goddess, series starter, first in series, fantasy series, paranormal action and adventure, women's fiction, fantasy fiction, paranormal romance, shifter romance, romance ebook, romance series, fantasy romance, paranormal elements, contemporary fantasy, urban fantasy, HEA, strong heroine, alpha hero, romance fiction, romance books, USA Today Bestseller, paranormal romance shifters series
