Cruel Creeds, Virtuous Violence Jack David Eller, 2011-03 This illuminating, in-depth study presents a wealth of case material, demonstrating the many manifestations of religious violence-not just war and terrorism, which are the focus of so many discussions of religiously motivated violence-but also more prevalent forms. The author, an anthropologist, devotes separate chapters to: - sacrifice (both animal and human); - self-mortification (including self-injury, asceticism, and martyrdom); - religious persecution (from anti-Semitic pogroms to

witchhunts); - ethno-religious conflict (including such hotspots as Sri Lanka, Northern Ireland, and the former Yugoslavia); - religious wars (from the ancient Hebrews'' wars and the Christian Crusades to Islamic jihad and Hindu righteous wars); - and religious homicide and abuse (spousal abuse, genital mutilation, and dowry death, among other manifestations). In the final chapter, Religion and Nonviolence, the author examines nonviolent and low-conflict societies and considers various methods of managing conflict. This book goes a long way toward helping us understand the nature of violence generally, its complicated connections with religion, and how society in the future might avoid being blindsided by the worst aspects of human nature.

Creed's Honor Linda Lael Miller, 2022-04-11 Meet a handsome, small-town rancher as he follows his dreams and his heart in this classic Montana Creeds novel from New York Times bestselling author Linda Lael Miller! Conner Creed knows exactly who he is: a hardworking rancher carrying on his uncle's legacy in Lonesome Bend, Colorado. Maybe a small-town cowboy's life isn't his dream, but he owes the man who took him in as a kid. Until the identical twin brother he's been estranged from for years reenters his life. Conner struggles with identity issues as he gets to know his free-spirited brother. And then he meets Tricia McCall, a beautiful woman who knows a thing or two about living someone else's dreams. Together, they just might find their own dreams right here in Lonesome Bend... Previously published. Read the entire fan-favorite Montana

The U.S. Military and the Catholic Faith: A Comparison Brandon Schild, I started this book from a topic that just hit me out of the blue one day while at work in my office. From there, I decided to write a summarized comparison of the Church and the U.S. Military and share it with others. This was written in hopes that it could be used as an evangelization book. This little book could possibly be used to help support some belief questions as well. Which could hopefully be used as an apologetic tool as well. Please forgive me if any errors seemed to be found within this piece of work. As much as I tried to make this to be as perfect as possible, I know it won't be, but we all must try to do our best at what we can do. As Jesus states, "Be perfect, therefore, as your heavenly Father is perfect" (Matt. 5:48).

The Army Profession ADRP 1 Headquarters Department of the Army, 2021-08-17 Contents Chapter 1 THE UNITED STATES ARMY PROFESSION. Chapter 2 THE ARMY ETHIC Chapter 3 TRUST--THE BEDROCK OF OUR PROFESSION HONORABLE SERVICE--OUR NOBLE CALLING MILITARY EXPERTISE--OUR APPLICATION OF LANDPOWER. Chapter 6 STEWARDSHIP OF THE ARMY PROFESSION Chapter 7 ESPRIT DE CORPS--OUR WINNING SPIRIT Appendix A THE ARMY CULTURE AND THE ARMY ETHIC Appendix B OATHS, CREEDS, AND NORMS OF CONDUCT Foreword Our Nation's founders created a republic in which citizens of character work together to

establish justice, ensure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty. As a result of their vision, decisions, and actions our Nation is a model of freedom and democracy throughout the world. Protection of our way of life requires constant vigilance. Each generation inherits not only the rights and privileges of being an American, but also the responsibility to defend the Constitution, against all enemies, foreign and domestic. Since 1775, our Army's vital, enduring role has been to fight and win our Nation's wars. By design, our Army has a dual nature. It is both a military department of government and a military profession. Both are essential to accomplish the mission. However, it is the Army Profession that forges the special bond of Trust and confidence with the American people. The Army Profession is defined by its essential characteristics: Trust, Honorable Service, Military Expertise, Stewardship, and Esprit de Corps. The members of the Army Profession, Soldiers and Army Civilians, create and strengthen the Army culture of Trust. We pursue a noble calling and contribute Honorable Service as a partner within the joint community and other government services that dedicate themselves to defending the Nation. At the same time, we are citizens whose Character, Competence, and Commitment exemplify the ideals espoused by the Army Ethic. In living by and upholding the Army Ethic, we are Trusted Army Professionals.

The Creeds of Christendom (All 3 Volumes) Philip Schaff, 2023-12-11 This eBook edition has been formatted to the highest digital standards and adjusted for readability on all devices. The Creeds of Christendom, with a History and Critical Notes is a three volume set written by Philip Schaff. The book classifies and explains many different statements of belief and articles of faith throughout the Christian history. Schaff deals with the history of the creeds, starting with the Ecumenical creeds, and moving to Greek and Roman creeds, then Old Catholic Union creeds, and finally to the Evangelical creeds and Modern Protestant creeds.

The Soldier's Catechism Michael E. Cannon, 2006-02 Michael Cannon has served for many years as a Military Chaplain, and has both seen the need for this Manual and acted to meet that need. He has done tremendous research in gathering materials for this Soldier's Catechism including the following: (1) The Soldier's Catechism used in Oliver Cromwell's New Model Army (2) The Soldier's Pocket Bible which comes from the same period of time, and contains hundreds of passages centered around themes addressed to the soldier. (3) Significant quotations from the Creeds and Confessions of the Church of Jesus Christ The Soldier's Catechism, although not infallible as the Word of God, has become to me like the protective sheath for the Soldier's sword of the Spirit (Eph 6:17). This daily help encourages me

to mediate on the whole counsel of God as revealed in Scripture from the vantage point of one who must prepare and lead Soldiers into both physical and spiritual combat. The Soldier's Catechism emboldens my spiritual expeditionary endurance as I wrestle against the rulers of darkness of this age as a warrior in God's Church triumphant. My hope is the Soldier's Catechism will be an encouragement to you as we fight the good fight along side each other. - Colonel Michael C. Cloy, Infantry, US Army

Army Doctrine Reference Publication Adrp 1 the Army Profession June 2015 United States Government US Army, 2015-07-08 This publication, Army Doctrine Reference Publication ADRP 1, The Army Profession, includes seven chapters and two appendixes. Chapter 1 discusses the nature of professions, explains why the Army is a profession, and introduces the essential characteristics of the Army Profession (trust, honorable service, military expertise, stewardship and esprit de corps). Chapter 2 provides the doctrine on the Army Ethic, including our shared identity as Trusted Army Professionals and our supporting roles as honorable servants, Army experts, and stewards of the Army Profession. The chapter includes discussion of the moral-principles that guide our decisions and actions in conduct of the mission, performance of duty, and all aspects of life. Chapter 3 describes trust as the foundation of our relationship with the American people who rely on the Army to ethically, effectively, and efficiently serve the Nation. Within the Army Profession, trust is the organizing principle that

supports cohesive teamwork. The Army Profession develops Soldiers and Army Civilians to exercise mission command in honorable service in defense of the Nation. Chapter 4 discusses honorable service, an essential characteristic of the Army Profession, as support and defense of the Constitution, the American people, and the national interest in a manner consistent with the Army Ethic. Chapter 5 describes military expertise as an essential characteristic that provides ethical design, generation, support, and application of landpower, primarily in unified land operations, and all supporting capabilities essential to accomplish the mission, in the right way, in defense of the American people. Chapter 6 recognizes that stewardship, an essential characteristic, is the responsibility of Army Professionals to strengthen the Army as a profession and to care for the people and resources entrusted to us by the American people. Stewardship provides for the long-term readiness and resilience of our people and organizations. Chapter 7 provides a discussion of esprit de corps, an essential characteristic of our profession that denotes our collective ethos of camaraderie within cohesive teams. Esprit de corps is embedded in the Army culture of trust and is carried on through customs, courtesies, and traditions. Appendix A expands on the discussion of the Army culture. Appendix B restates the oaths, creeds, and norms of conduct. As trusted Army professionals-Soldiers and Army Civilians-we are honorable servants of the Nation, Army experts, and faithful stewards of the people,

other resources, and profession entrusted to our care. By our oath, we are morally committed to support and defend the Constitution. This duty requires a foundation of trust with the American people, reinforced as the Army Profession contributes honorable service, military expertise, and stewardship with courageous esprit de corps. Within the Army Profession, Army professionals earn and sustain trust by demonstrating character, competence, and commitment. We make right decisions and take right actions that are ethical, effective, and efficient.

The Creeds of Christendom Philip Schaff, 2007-11-01 Philip Schaff's The Creeds of Christendom is a massive set, originally published in three volumes and here reproduced across five volumes, cataloging and explaining the many different creeds from the myriad Christian denominations. The differences in belief between Calvinists, Lutherans, and Presbyterians, for example, can often be subtle, so a thorough examination of the particulars as well as an explanation for how those different beliefs result in a different worldview is necessary. Volume One: Part II covers: . the Catechism of Geneva AD 1546 and 1541 . the Reformed Confessions of France and Netherlands . the Reformed Confessions of Germany . the Reformed Confessions of Bohemia, Poland, and Hungary . the Anglican Articles of Religion . the Presbyterian Confessions of Scotland . the Westminster Standards . the Creeds of Modern Evangelical Denominations. (See Volume One: Part I for the Table of Contents for this volume.) Swiss theologian PHILIP SCHAFF (1819-1893) was educated

in Germany and eventually came to the United States to teach at the German Reformed Theological Seminary in Pennsylvania. He wrote a number of books and hymnals for children, including *History of the Christian Church* and *The Creeds of the Evangelical Protestant Churches*.
