Calls to God Susan K. Todd,2013 Calls to God is a spiritual guide to understanding and detaching conscious, energetic cording. This is beyond the cording you are exposed to in everyday interactions. These are conscious, energetic infiltrations that deliberately cord to you and extract energy from you discreetly without your consent. How do they impact your life? When in conflict, the conscious energetic cording amplify your negative emotions to manipulate you to react rather than act. The cording takes all the energy they choose for personal gain and leaves you to deal with the consequences. They purposely try to keep you immersed in conflict to divert your attention away from your spiritual path. In regards to your physical and mental health, evolved conscious

energetic cording are capable of causing health issues and attaching to symptoms of diseases and injuries. You end up treating the organic reason for the injury or symptom and ignoring the energetic component. Calls to God are decrees that are recited by you in collaboration with God's energy to disengage conscious, energetic cording. They are said from the heart, calling for accountability, not vengeance, with unconditional love and forgiveness. With routine use, you will move through conflicts instead of becoming a part of them. You will clear the energetic component of disease and injury. Calls to God decrees will teach you how to regain your spiritual autonomy and not be encumbered with the influences of conscious energetic infiltrations that do not have your best interest at heart.
