*As A Man Thinketh* James Allen,2020-05-21 Thought is the seed for action. If you control the cause- you can control the effect. The main message of this succinct, yet powerful, book is: the quality of your thoughts determine your quality of life. If your thoughts are pure and good, your life will also be good; and vice versa.Man's mind may be likened to a garden, which may be intelligently cultivated or allowed to run wild; but whether cultivated or neglected, it must, and will, bring forth. If no useful seeds are put into it, then an abundance of useless weed-seeds will fall therein, and will produce their kind.James Allen maintains: The man is the master of thought, the molder of character, and the maker and

shaper of condition, environment, and destiny. He compares the human mind with a garden and the man with a gardener. Just like a gardener removes the weeds from his garden so must we discard the impure and useless thoughts from our mind and must concentrate on cultivating the useful and pure thoughts. By the right choice and true application of thoughts, man ascends towards perfection.
