**Would You Rather** Allison Ashley, 2022-08-23 Pitch-perfect...gives me all the feels, and I love every one of them!—Ali Hazelwood, New York Times bestselling author of The Love Hypothesis “Ashley makes favorite rom-com tropes feel new again with a pitch-perfect friends-to-lovers story.” —Publishers Weekly starred review Would you rather play it safe in the friend zone, or risk it all with a modern marriage of convenience? Noah and Mia have always been best friends, and their friendship is the most important thing to them. Life is going great for Noah and he's up for a promotion in a job he loves. But Mia's life is on hold as she awaits a kidney transplant. She's stuck in a dead-end job and, never wanting to be a burden, has sworn off all romance. So when the chance of a lifetime comes to go back to school and pursue her dream, it's especially painful to pass up. She can't quit her job or she'll lose the medical insurance she so desperately needs. To support her, Noah suggests they get married—in name only—so she can study full-time and still keep the insurance. It's a risk to both of them, with jobs, health and hearts on the line, and they'll need to convince suspicious coworkers and nosy roommates that they're the real deal. But if they can let go of all the baggage holding them back, they might realize that they would rather be together forever.

**Perfect Distraction** Allison Ashley, 2020-03-23 Lauren Taylor isn't thinking about love, especially not with the impossibly attractive man she accidentally spilled coffee all over. He's out of her league and she's focused on finishing her oncology pharmacy residency. She's sworn off men who are too handsome for their own good, anyway. Andrew Bishop can't stop thinking about the gorgeous redhead who crashed into him and then disappeared, even though he should have way more on his mind - like dealing with his Hodgkin Lymphoma diagnosis and finishing out his last year in law school. When Andrew and Lauren run into each other at the cancer center where she's working and he's being treated, they try to keep it professional. They can be friends, and nothing more. But sometimes life has other plans...

**Home Sweet Mess** Allison Ashley, 2021-06-21 Charming NFL marketing manager Logan Davis has a major crush on his best friend's sister. Despite the fact that pursuing her would be a Bad Idea, she makes him want to abandon casual dating. Sassy social worker Jeni Bishop has lost faith in love. She can't stand Logan or the NFL team he works for, but can't help thinking he could help her scratch an itch. When Jeni's brother and Logan's closest friend is diagnosed with cancer, they unexpectedly find themselves on the same team. With Logan interested in a relationship and Jeni ardently avoiding them, they resist their growing attraction even as their lives continue to intertwine in unexpected ways. Can a man who has never experienced love convince a woman hardened by it that romance isn't dead?

**Answer Creek** Ashley E. Sweeney, 2020-05-19 From the award-winning author of Eliza Waite comes a gripping tale of adventure and survival based on the true story of the ill-fated Donner Party on their 2,200-mile trek on the Oregon-California Trail from 1846 to '47. Nineteen-year-old Ada Weeks confronts danger and calamity along the hazard-filled journey to California. After a fateful decision that delays the overlanders more than a month, she—along with eighty-one other members of the Donner Party—finds herself stranded at Truckee Lake on the eastern side of the Sierra Nevada Mountains, stuck there for the entirety of a despairing, blizzard-filled winter. Forced to eat shoe leather and blankets to survive, will Ada be able to battle the elements—and her own demons—as she envisions a new life in California? Researched with impeccable detail and filled with imagery as wide as the western prairie, Answer Creek blends history and hearsay in an unforgettable story of challenging the limits of human endurance and experiencing the triumphant power of love.

**After Ashley** Gina Gionfriddo, 2006 THE STORY: AFTER ASHLEY is a blisteringly funny and deeply affecting story about a teenage boy navigating the joys and terrors of life—all through the distorting prism of a media firestorm. When a family tragedy deals the Hammond family a dose of dubious celebrity, Justin finds himself paralyzed, unable to fully grieve or grow up. The only bright spot is a girl, only Justin can't decide if she's a saving angel or a self-interested groupie. In a world as weird as this one, she might just be both.

**Forever, Ashley** Lori Copeland, 1992 The author of Fool Me Once and Sweet Hannah Rose tells of a Boston museum guide who falls and awakens in the Green Dragon Tavern--on the eve of Paul Revere's fateful ride in 1775. Ashley meets the man of her dreams as the rumblings of war threaten to separate them forever.

**Finding Ashley** Danielle Steel, 2021 Two estranged sisters get the chance to connect again and right the wrongs of the past.--

**Hating Alison Ashley: Australian Children's Classics** Robin Klein, 2013-03-20 Alison Ashley. She was the most beautiful, graceful, elegant thing you ever saw in your life . . . And from the first day I hated her. Every so often, there comes a story so brilliant and lively and moving that it cannot be left in the past. Rediscover the magic of our country's most memorable children's books in the Penguin Australia Children's Classics series of stories too precious to leave behind.

**Full Flight** Ashley Schumacher, 2022-02-22 Everyone else in the tiny town of Enfield, Texas, calls fall football season, but for the forty-three members of the Fighting Enfield Marching Band, it's contest season. And for new saxophonist Anna James, it's her first chance to prove herself as the great musician she's trying hard to be. When she's assigned a duet with mellophone player Weston Ryan, the boy her small-minded town thinks of as nothing but trouble, she's equal parts thrilled and intimidated. But as he helps her with the duet, and she sees the smile he seems to save just for her, she can't help but feel like she's helping him with something too. When her strict parents find out she's been secretly seeing him and keep them apart, Anna and Weston learn what it truly means to fight for something they love. With the marching contest nearing and the two falling hard for one another, the unthinkable happens, and Anna is left grappling for a way forward without Weston. Ashley Schumacher's Full Flight is about how first love shapes us—even after it's gone.

**Push** Sapphire, 2021-06-22 A new 25th anniversary edition of the instant classic that inspired the major motion picture and Sundance Film Festival winner Precious: Based on the Novel by Sapphire, whose power and ferocity influenced a generation of writers. Precious Jones, an illiterate sixteen-year-old, has up until now been invisible to the father who rapes her and the mother who batters her and to the authorities who dismiss her as just one more of Harlem's casualties. But when Precious, pregnant with a second child by her father, meets a determined and radical teacher, we follow her on a journey of education and enlightenment as she learns not only

how to write about her life, but how to make it truly her own for the first time.

Des Pawson's Knot Craft Des Pawson,2011 Des Pawson has been a professional ropeworker for more than 25 years. His passion for knots goes back to the time when, aged 7, he was given a book with some knots in it. He has studied knots and sailors' ropework ever since. Over that time he has built up a number of recipe books containing the information required to make each item, whether it is a key fob, fender, mat or knife lanyard. Des Pawson's Knot Craft contains a selection from those recipe books, giving the reader the basic designs, illustrating which knots and sennits are used to make them. Here is a step-by-step breakdown of how to put the knots together as well as the size and lengths of materials required. Many books have been published on how to tie practical knots but not many books give help in putting the knots together to make an object.

A Cruel and Fated Light Ashley Shuttleworth,2022-05-24 An ailing king. An ambitious queen. Four tenuous friends. And a deadly game that threatens them all. The stakes are higher than ever in this thrilling sequel to A Dark and Hollow Star. After thwarting the man behind the gruesome ironborn murders - and breaking several fae laws to do so - all Arlo wants is a quiet summer. As the deity of luck's Hollow Star, capable of bringing about endless possibilities, this shouldn't be too much to ask, right? But someone is still trying to summon the mythical Seven Deadly Sins. All signs point to immortal meddling, and if this is the gods' attempt at returning to the Mortal Realm, it's Arlo they're going to use to do it. When Queen Riadne offers to host Arlo at the Seelie Summer palace, she jumps at the chance. She'll get to see more of Vehan and Aurelian and perhaps even work out her complicated feelings for the gorgeous ex-Fury, Nausicaä. But no one trusts the infamous Queen of Light, even as Arlo wonders if she's just been greatly misunderstood. With the Summer Solstice quickly approaching, everyone expects Riadne to finally challenge the High King for his crown. And as Arlo struggles to get control of her powers and take charge of her destiny, she'll soon be faced with a choice that won't only change the fate of the Mortal Realm forever, but could condemn it to a cruelty the likes of which the Courts have never known.

The Dead Romantics Ashley Poston,2022-06-28 A New York Times Notable Book of 2022! The New York Times Bestseller and Good Morning America Book Club Pick! I LOVED this book! ...Funny, breathtaking, hopeful, and dreamy.”—Ali Hazelwood, New York Times bestselling author of The Love Hypothesis A disillusioned millennial ghostwriter who, quite literally, has some ghosts of her own, has to find her way back home in this sparkling adult debut from national bestselling author Ashley Poston. Florence Day is the ghostwriter for one of the most prolific romance authors in the industry, and she has a problem—after a terrible breakup, she no longer believes in love. It’s as good as dead. When her new editor, a too-handsome mountain of a man, won't give her an extension on her book deadline, Florence prepares to kiss her career goodbye. But then she gets a phone call she never wanted to receive, and she must return home for the first time in a decade to help her family bury her beloved father. For ten years, she's run from the town that never understood her, and even though she misses the sound of a warm Southern night and her eccentric, loving family and their funeral parlor, she can’t bring herself to stay. Even with her father gone, it feels like nothing in this town has changed. And she hates it. Until she finds a ghost standing at the funeral parlor’s front door, just as broad and infuriatingly handsome as ever, and he’s just as confused about why he’s there as she is. Romance is most certainly dead . . . but so is her new editor, and his unfinished business will have her second-guessing everything she’s ever known about love stories. One of the Summer's Hottest Reads—Entertainment Weekly

*The Secret Diary of Ashley Juergens* Ashley Juergens,2010-06-15 I got called into Principal Miller's office again. She handed me a notebook. This notebook. She told me keeping a journal is an excellent way to express oneself. So I have to write in this stupid thing and turn it in at the end of each month. Little does she know what she's in for. With everything that's been going on--Amy's band camp pregnancy, my parents' divorce, a secret wedding--it's practically one-stop shopping for all your Grant High gossip needs. Property of Ashley Juergens. Read at your own risk (especially you, Amy).

**Wake Up Call** Victoria Ashley,2016-02-23 A broken girl... Twenty years old and I'd finally had enough. I couldn't take anymore, so I packed up my things and disappeared, leaving behind my drunken, abusive father and the mother that stood by and watched as I slowly died. I knew I was going, but not where I'd stop. The last thing I expected once on my own, was to be spending my nights stripping at a club in Florida, barely getting by. I should have known running from a past wouldn't make it stop haunting me, because misery will always find me and tear me down until there's nothing left of me. It always has... Things can always change though, right? Like looking up at a handsome, tattooed stranger, and with one stare he has me questioning everything I've ever believed in. I wasn't expecting or prepared for someone to storm into my life. Not him. Jace Montgomery. The name I'll never forget. The need to save me lies in his eyes, but I don't need a savior. Trust- what he wants to teach me. That I'm something more than what I've grown up believing and that I'm worth loving. Those are the things he wants me to believe. How am I supposed to let him in and show me I'm something when I've spent my entire life being... nothing? He won't give up, and honestly, I'm hoping he never does... Because maybe... just maybe... I am worth saving after all.
