🔖 **Assassin’s Creed Brotherhood** Norberto Petrovitch Petrovitch,2020-07-22 Assassin Creed: Brotherhood, the story once again features Ezio Auditore da Firenze, now a legendary Master Assassin, as he strives to rebuild the Assassin Brotherhood in Rome, by bringing down the tyrannical Templar family, the Borgia, and bringing the city into the true wealth and wonder of the Renaissance. Brotherhood retains the gameplay from its predecessor, with many significant new additions. Combat with the knife, sword and mace is now dual-wielded, paired with throwing knives and the Hidden Gun respectively. This allows Ezio to seamlessly utilize the ranged weapons in the middle of combat. In addition, a new kill-streak feature allows Ezio to continuously move from enemy to enemy and perform multiple takedowns and executions using melee weapons. Utilizing dual-wielded weapons also allow Ezio to perform dual executions that work in conjunction to the kill-streak feature. This is the 100% complete guide to Assassin’s Creed Brotherhood. Carefully designed to avoid unnecessary story spoilers. Quick search index for ease-of-use.

🔖 **The Assassin’s Weapon** Nic M DiSalvo,2023-10-01 Dajah’s on a mission to kill his creators, but first he has to find them. Between the constant struggle with the destructive voice in his head, and endless nightmares thanks to the company that wanted weapons instead of children, his day-to-day activities are... interesting. When his best lead turns into the one thing that might doom him, he faces an impossible choice: Work with the enemy to survive what’s coming, or risk losing everything. Kiera calls the shots. She’s trying to make her city a better place one hit at a time, but she’s lost the passion that once drove her. After her ex-boss targets her for personal reasons, she has no choice but to team up with a non-human to reclaim her freedom. Navigating the treacherous landscape of trust, betrayal, and awakening magic will be the hardest path she’s walked yet. It might rekindle her spark, but it also means coming to terms with a past of uncertain memories. All lines are drawn in the sand, and when trust is a luxury and caring’s a liability, the line between enemy and ally blurs. Debut author Nic M DiSalvo takes readers on a science fantasy adventure packed with action, morally grey heroes, and megalomaniac organizations with world-altering secrets. The Assassin’s Weapon is the first book in the Sa’Nar Chronicles.

🔖 **Instinctive Shooting** Buz Fawcett,2013-01-01 Here, point and shoot.? These words from his father propelled Buz Fawcett’s shooting success as a child, gaining him a number of High Gun awards at local trap clubs by the time he was fourteen. Because of his success, his father awarded him his grandfather’s Model 1912 Winchester, which he mastered, even though it ?kicked the whey? out of him. However, his amazing shooting abilities as a kid didn’t follow him into adulthood. Fawcett entered into what he calls his ?Dark Ages? of shooting after accepting an associate editor position at Sports Afield in New York City, where he had to read and edit what other gunmen were writing about shooting techniques. Eventually, he took a position as editor of Guns & Ammo magazine, located in California. He soon found himself in a position where he could shoot as much as he liked. After a number of years and extensive research into shooting methods, Fawcett rediscovered his talents through a technique called ?Instinctive Shooting.? This research and a lot of practice finally led to teaching a workshop on instinctive shooting to help others become adept at this miraculous ?point and shoot.? method. Instinctive Shooting is Fawcett’s guide for other gunmen, describing exactly how and what needs to be done to achieve the ultimate shooting instincts. Practical and hands-on, the book covers such topics as determining your dominant eye, achieving proper shotgun fit, how to correct point and shoot, selecting equipment, practice regimens, mounting, and much more.

🔖 **The New Assassin’s Field Guide & Almanac** M.W. Gats,2021-12-07 The New Assassin’s Field Guide & Almanac By: M. W. Gats After a hard childhood under the stern gaze of his father, “The Master Chief,” Dan Ketch goes to college thinking he’s free to remake himself and restart his life. But seeking to avenge an injustice leaves him both abandoned by the girl he loved and a murderer. Dan figures it can’t get worse but counts himself lucky he got away with it. He didn’t. Approached by the mysterious Kestrel, Dan finds himself “scouted” by a secretive organization called The Thanatos Guild, which sits up and takes notice when a skillful amateur murder has been executed. Dan is given a choice: accept the training the Guild provides and commit three more murders of their choice. Then you can retire to wealth and peace. Refuse, and the authorities will learn all they need about your original crime. A third option is, after your initial three, you can stay with the Guild—as a professional provider of expedient murder. Years later, Dan is just that, wealthy, deadly, and living the life of the successful assassin. He even has a guide—the tome he stole from the library of Bones—the New Assassin’s Field & Almanac, author unknown, with all the advice a professional killer could want. But when Dan’s long-lost college love reaches him with news of a daughter he never knew, he has to decide if he wants to continue as Proteus, paladin of the Thanatos Guild, or retire and find anything inside that could be useful as a father to a little girl. And before that decision can be fully considered, Dan finds himself embroiled in a breach of the Guild’s secrets and forced to attempt a rescue of the three people he’s been told to kill next.
