Aston Villa Football Club Tony Matthews,2003 A history of Aston Villa Football Club

Aston Villa Peter Waring,2004-10-01 Aston Villa: Head to Head reveals for the first time how Villa have fared against every club they've ever played, in any competition, since the club entered the Football League. From Accrington to York City, Villa's complete record of matches against each club is looked at in detail and illustrated with pictures. Also included is a table of players who've played for both clubs and a 'fact file' highlighting the most surprising nuggets to be gleaned from this fresh way of interpreting the club's statistics. Did you know that Villa have not met rivals Birmingham City in the FA Cup for over a hundred years? Or that the biggest attendance ever at Villa Park came on 2 March 1946 when 76,588 packed into the ground to see a seven-goal FA Cup thriller against Derby that Villa eventually lost 4-3? Within these pages you will discover that Villa and Everton, both founder members of the Football League, have met each other in the league more often than any other pair of clubs; that Villa's biggest ever Premiership away win was the 5-0 drubbing of Leicester in 2004 and that Villa have lost only once in 20 games against Burnley. All these facts and figures, along with countless others, are easily accessible in Aston Villa: Head to Head, which deserves a place on any fan's bookshelf. This new addition to Breedon's well-respected stable of football statistics books has been meticulously researched and compiled. Comprehensive enough for the die-hard statto, yet readable enough for the armchair fan, it is sure to appeal to everyone with an interest in the history of Aston Villa FC.

Aston Villa Greatest Games James Driver-Fisher, 2016-04 Expertly presented in evocative historical context, and described incident-by-incident in atmospheric detail, *Aston Villa Greatest Games* offers a terrace ticket back in time, taking in their 19th-century dominance of club soccer, the ignominy of relegation to the Third Division, and then lifting Europe's biggest trophy just a decade later. Villains Danny Brown, Paul Brittle, 2008-02-10 Aston Villa is one of the biggest and best-supported football clubs in Britain, the giant from England's second city with a long and distinguished history, culminating in an unforgettable European Cup victory in 1982. The story of their terrace army, however, has never been told - until now. Like all major clubs, Villa have had their hooligans and hardmen, and have been involved in some of the fiercest battles of the past four decades. **VILLAINS** traces their gangs from the 1960's up to the present day. Through first-person testimony, it reveals for the first time the antics of the Steamers, who achieved nationwide infamy, led by a band of colourful and fearless characters such as Pete the Greek, who famously once headbutted a police horse and took on the Millwall leader in a one-on-one brawl. Eventually they were superseded by the C Crew, a multi-racial gang who brought together youths from different areas of Birmingham during the 2-Tone era. This was the heyday of hooliganism, and the Villa Park faithful clashed with the toughest and most violent mobs around, often led into battle by co-authors Paul Brittle and Black Danny Brown, who was jailed in 1981 for one of the most infamous football-related attacks. They went on riotous trips to Europe, fought at service stations and in nightclubs, and conducted bitter rivalries against foes from across the Midlands and beyond. The story is brought up to date with tales of the Villa Youth and accounts of the notorious Battle of McDonalds Island against their Birmingham City rivals the Zulus.
