The Best iPhone, Android, and BlackBerry Apps ,

Equipping the Nexus 7 Rob Nagle, Alex Ponting, Nicholas Nizibian, 2012-07-17
With over 600,000 apps available for Android devices, hunting down and evaluating every app that might be worthwhile can be a real challenge. Fortunately, this book saves you the trouble. We've compiled a list of the best made, best looking, and most useful Nexus 7 apps across twelve categories: - Productivity - Reading - Social - Graphics - Audio - Video - Local - Sports - Utilities - Health - Games - and a final category for apps we wanted to include, but which didn't fit into any of the other categories. In this book, our focus is on recommending nothing but the best; we think it will be a valuable addition to any Nexus 7 ebook library.

The Impulsive, Disorganized Child James W. Forgan, Mary Anne Richey, 2021-09-03 Impulsive, scattered, lost, unfocused, unprepared, disorganized: These are just a few of the words used to describe kids with executive functioning deficits, which commonly affect many children already diagnosed with ADHD, learning disabilities, and autism. The Impulsive, Disorganized Child: Solutions for Parenting Kids with Executive Functioning Difficulties helps parents pinpoint weak executive functions in their children, then learn how to help their kids overcome these deficits with practical, easy solutions. Children who can't select, plan, initiate, or sustain action toward their goals are children who simply struggle to succeed in school and other aspects of life. Parents need the helpful, proven advice and interactive surveys and action plans in this book to empower them to take positive action to teach their disorganized, impulsive child to achieve independence, success, and a level of self-support.

Applied Behavior Science in Organizations Ramona A. Houmanfar, Mitch Fryling, Mark P. Alavosius, 2021-09-30 Applied Behavior Science in Organizations provides a compelling overview of the history of Organizational Behavior Management (OBM) and the opportunity it presents for designing and managing positive work environments that can in turn have a positive impact on society. The book brings together leading experts from industry and research settings to provide an overview of the historical approaches in Organizational Behavior Management. It begins with an introduction to recognized practices in OBM and the applications of fundamental principles of behavior analysis to a variety of performance problems in organizational settings. The book then highlights how organizational practices and consumers' behavior combine in a complex confluence to meet an organization's goals and satisfy consumer appetites, whilst often unintentionally affecting the wellbeing of organizational members. It argues that the science of behavior has a responsibility to contribute to the safety, health and wellbeing of organizational members, consumers of organizational products, and beyond. Finally, the book recognizes the essential role of organizations in initiating, shaping, and sustaining the development of more nurturing and reinforcing work environments, through discussion of the need for innovation while adapting and responding to growing social upheaval, technological advances, and environmental concerns, alongside crises in the global economy, health, education, and environment. Showcasing emerging work by internationally recognized scholars on the application of behavior science in organizations, the book will be an essential read for all students and

professionals of Organizational Behavior Management, as well as those interested in using organizational applications to create new models of management.

First Dates with Jackie Ashenden Jackie Ashenden, 2021-06-24 Go on a first date with beloved romance author Jackie Ashenden! Check out the first few chapters of each of the books in her Alaska Homecoming series to see if you're interested in more: Small-town Alaska Sizzle Enemies to Lovers Romance Fiercely Independent Heroines and Rugged Mountain Men Heroes Deep River, Alaska boasts a fiercely independent though small population. The people who live here love it, and they don't much care what anyone else thinks. Come Home to Deep River Hope Dawson never expected to leave Deep River. Her mom needs her. Her grandfather died and left her the local hangout to run. Her dreams of college and adventure died long ago. Until Silas Quinn comes back to town, holding the key to set her free. But freedom means she loses him again, and he's the one she's really always wanted. Deep River Promise Astrid James didn't ask to be mayor of Deep River but since she is, she'll do everything she can to do right by the town and her son. And the last thing she needs is arrogant outsider Damon Fitzgerald coming in and taking charge, no matter how attractive he is. But when Astrid starts to realize that Damon is more than just a pretty face, she'll have to decide whether she can risk her heart and her son's happiness on a man whose mission is to leave Deep River. That Deep River Feeling Zeke Calhoun doesn't care much about Deep River, but he'll do just about anything to keep the promise he made to look out for his best friend's sister. As the sole police officer in Deep River, Morgan West won't be bossed around, but Zeke is irresistible. He's tough, challenging, and all kinds of sexy, but getting involved is the last thing on her mind. Or is it...?

Astrid Tasks To Do List: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Astrid Tasks To Do List : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard

Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
