Astrology Plain & Simple Cass Jackson,Janie Jackson,2016-04-01 Everyone reads their horoscope in the newspaper and online; however few really understand very much about astrology. To the uninitiated, astrology can seem rather daunting. All those measurements, degrees, and logarithms—what's simple about it? This wonderful introduction demystifies a topic that

everyone knows a little bit about and provides a basic framework for understanding it. The Jacksons' easy and straightforward approach explains how you can learn more about yourself and those around you through the zodiac. They also explore some more esoteric topics in astrology, including trines, aspects, and conjunctions. Look up the characteristics of each sun sign, create a birth chart, find out your rising and moon signs, and more. Illustrated with line drawings and charts, this plain and simple guide will be received enthusiastically by the novice and the experienced alike. This book was previously published by Sterling in 2005 as *Simply Astrology*.

*The Biggest Book of Horoscopes Ever* Trish MacGregor, 2016-09-13 This book is an incredible resource for any reader to get a glimpse into the future and to reflect on the recent past with astrological insight into not just the year ahead but two more years on top of that! Readers will have all their astrology needs set through the end of 2019 so they can look way ahead and also look back in an incredible three-year period. Trish MacGregor - well-renowned astrologer and author of the late Sydney Omarr horoscope books, as well as *Page Street's Secrets to Scorpios* - takes each sign through the year with month by month overviews of the moon and planets' movements and how they're likely to impact you. She will tell you to sit back and relax as the stars shine in your favour, or to get ready for challenges in your love life, finances or creative endeavours, as well as how the stars may impact your moods and more. The book is a must-have for anyone who follows astrology and

wants an unparalleled look at their lives or the lives of people close to them. The wealth of information that Trish shares on the actual horoscopes, plus the detailed overview of astrology at the beginning of the book, will appeal to curious beginners as well.
