

# At The Beach

Michèle Dufresne, Pioneer Valley Books

**On the Beach** Nevil Shute, 2010-02-09 The most shocking fiction I have read in years. What is shocking about it is both the idea and the sheer imaginative brilliance with which Mr. Shute brings it off. **THE SAN FRANCISCO CHRONICLE** They are the last generation, the innocent victims of an accidental war, living out their last days, making do with what they have, hoping for a miracle. As the deadly rain moves ever closer, the world as we know it winds toward an inevitable end....

**At the Beach** Anne Rockwell, 2014-06-10 A young girl spends a radiant summer day at the beach in this updated classic from the author of *Apples and Pumpkins*. Sun...sand...the bright blue ocean! There is so much for a young girl to do on a visit to the beach: sand castles to build, seashells to gather, sandpipers to run with, and a picnic lunch to enjoy. This updated edition of a perennial summertime favorite includes new jacket art from Lizzy Rockwell and refreshed interior art and design.

*The Beach Book* Gloria Steinem, 1963 Gloria Steinem's 1963 book celebrating beach culture dedicated To Ocean Beach Pier that was and to Paradise Island. Introduction by John Kenneth

Galbraith (yes, the economist and diplomat). Fascinating peak into early '60s attitudes to leisure. -- Amazon.com.

The Beach Alex Garland, 1998-02-01 The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to the Beach. The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time

it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

**To the Beach!** Linda Ashman, 2005 A family keeps forgetting the things they need to take to the beach.

At the Beach Mandy Stanley, 2002-04-15 Introduces words related to the beach.

Bats at the Beach , 2006 Quick, call out Tell all you can reach: the night is just perfect for bats at the beach So pack your buckets, banjos, and blankets don t forget the moon-tan lotion and wing with this bunch of fuzzy bats to where foamy sea and soft sand meet. Brian Lies s enchanting art and cheery beachside verse will inspire bedtime imaginations again and again. Come visit a bedazzling world of moonlight, firelight, and . . . bats

**The Beach Book** Melcher Media,2005 In these and seven other stories, *The Beach Book* gathers a seminal selection of fiction set on beaches around this big glue globe. Internationally acclaimed authors and emerging voices have all written eloquently about the sea's siren song. This book is completely waterproof. Put it right in your beach tote along with your sunscreen and beach ball!

**Meet Me on the Beach** Hilary Boyd,2017-03-07 Where do you run when your heart's breaking all the rules? When pillar-of-the-community Harry Stewart dies of a sudden heart attack, the whole village is devastated - except for his wife Karen, the only one who really knew the abusive alcoholic Harry had become. Suddenly freed from this oppressive marriage, Karen is nonetheless wracked with guilt about the circumstances of her husband's death, and sees the presence of her spoiled step-daughter, Sophie, as a suitable purgatory. Her only comfort in her grief and isolation is William, the sympathetic local vicar. As Karen shares her secret, William's listening ear soon becomes a shoulder to cry on, and before long Karen realises she is falling in love. But William has a wife and teenaged daughter, not to mention a parish to watch over - and be watched by. As the pressure becomes too much to bear,

Karen flees to the seaside and to Mike Best's beach café. But when William suddenly turns up again in her life, can they persuade each other to take one final leap of faith together?

**The Beach Book** Carl Heywood Hobbs, 2012 Waves and tides, wind and storms, sea-level rise and shore erosion: these are the forces that shape our beaches, and beach lovers of all stripes can benefit from learning more about how these coastal processes work. With animation and clarity, *The Beach Book* tells sunbathers why beaches widen and narrow, and helps boaters and anglers understand why tidal inlets migrate. It gives home buyers insight into erosion rates and provides natural-resource managers and interested citizens with rich information on beach nourishment and coastal-zone development. And for all of us concerned about the long-term health of our beaches, it outlines the latest scientific information on sea-level rise and introduces ways to combat not only the erosion of beaches but also the decline of other coastal habitats. The more we learn about coastline formation and maintenance, Carl Hobbs argues, the better we can appreciate and cultivate our shores. Informed by the latest research and infused with a passion for its subject, *The Beach Book* provides a wide-

ranging introduction to the shore, and all of us who love the beach and its associated environments will find it timely and useful.

**At the Beach** Shira Evans, 2017 Take a stroll along the beach. What do you see? Young readers will learn all about the beach and the animals that call it home in this fun pre-reader. Through text features such as the vocabulary tree and the wrap-up activity, kids will be introduced to new words and concepts -- helping them expand their understanding of the world.

**A New Friend at the Beach** Michèle Dufresne, Pioneer Valley Books, 2007-01-01 Two white dogs, Rosie and Bella, make friends with a brown dog, Olive, when they dig in the sand together on the beach. Later Olive takes them back to her home and they eat clam chowder.

A Day at the Beach Geoffrey Wolff, 2013-03-06 With these interwoven autobiographical essays, Geoffrey Wolff, author of the acclaimed *The Duke of Deception*, recounts the moral (and immoral) education of a writer, friend, husband, and father, as he offers his spirited, elegant, and deeply felt observations on an extraordinary life: from wildly dysfunctional childhood Christmases to a

concupiscent career teaching literature in Istanbul; from a victory over the chaos of drink to a life-affirming surrender to the majesty of the Matterhorn; and from a foundering friendship to the transcending love of family. He shares with us, then, the wisdom of an alert man learning through the unsettling collisions of time, place, and local custom, and through the force of hardship and hazard, to bring his many disparate selves together -- with astonishing high-stakes candor and dazzling literary agility.

*Chu's Day* Neil Gaiman, 2015-04-21 A New York Times bestselling picture book from Newbery Medal-winning author Neil Gaiman and acclaimed illustrator Adam Rex! Chu is a little panda with a big sneeze. When Chu sneezes, bad things happen. But as Chu and his parents visit the library, the diner, and the circus, will anyone hear Chu when he starts to feel a familiar tickle in his nose? *Chu's Day* is a story that reflects upon how young children aren't always listened to...sometimes to calamitous effect.

*The Bookstore on the Beach* Brenda Novak, 2021-04-06 A page-turner with a deep heart.—Nancy Thayer, New York Times bestselling author of *Girls of Summer* How do you start a new chapter of

your life when you haven't closed the book on the previous one? Eighteen months ago, Autumn Divac's husband went missing. Her desperate search has yielded no answers, and she can't imagine moving forward without him. But for the sake of their two teenage children, she has to try. Autumn takes her kids home for the summer to the charming beachside town where she was raised. She seeks comfort working alongside her mother and aunt at their bookshop, only to learn that her daughter is facing a huge life change and her mother has been hiding a terrible secret for years. And when she runs into the boy who stole her heart in high school, old feelings start to bubble up again. Is she free to love him, or should she hold out hope for her husband's return? She can only trust her heart...and hope it won't lead her astray. A heart-tugging romance. Readers are sure to be sucked in."—Publishers Weekly, starred review Don't miss New York Times bestselling author Brenda Novak's latest novel, *The Seaside Library*! Other charming reads from Brenda Novak: *Summer on the Island* *One Perfect Summer*

The Beach Book Bret Sigillo, 2014 The ultimate guide to all of Eleuthera's 135 beaches --Cover.

At the Beach Elizabeth Spurr,2013-04-02 Simple, evocative language and charming illustrations describe one boy's day at the beach. In this gently rhyming board book about a visit to the beach, a young boy digs in the sand and makes a sand birthday cake, then loses it to the waves. His mother distracts him with a picnic and he falls asleep at the end of a full and happy day. Elizabeth Spurr and Manelle Oliphant together create a perfect sit-in-your-lap reading experience for toddlers.

**At The Beach** Katja Spitzer,2016-09-27 Perfect for small hands, this mini-hardback book is a delightful introduction to learning words at the beach. The newest in the Little Books for Little Hands series sees Katja Spitzer's quirky illustrations taking a joyful trip to the beach to teach young children the simple vocabulary of the popular vacation spot. Let's go to the beach!

*Bella and Rosie at the Beach* Michèle Dufresne,2015 Daisy and Rosie go to the beach.

*Pete at the Beach* James Dean,2013-05-21 It's a hot summer day, and Pete and his mom and brother are going to the beach! Pete loves the beach, but the waves make the water look scary. When his brother Bob offers to give him a surfing lesson, will Pete give it a try? Full color.

## **FAQs About At The Beach Books**

How do I know which eBook platform is the best for me?  
Finding the best eBook platform

---

depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.	Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading	eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. At The Beach is one of the best book in our library for free trial. We provide copy of At The Beach in digital format, so the resources that you find are reliable. There are
