**What's Wrong With Trump?** Michael N. Marcus, 2018-06-28 In 2016, like many millions of Americans, I had voted for Hillary Clinton to become our 45th president. And, like many millions of Americans, I assumed that there was no way that Donald Trump could beat her. In 2008 Trump wrote, I know Hillary and I think she'd make a great president. During the 2016 presidential campaign he said, She has to go to jail. If it were not for our peculiar and archaic Electoral College-plus last-minute interference from FBI Director James Comey just when Clinton's favorable poll ratings were moving up, and sabotage by Russia-Clinton would have become president. Trump frequently boasted about his landslide victory. In truth, his electoral win was no landslide at all. In the popular vote Clinton won by about 2.9 million votes-a margin of 2.1%. That's higher than the victories won by JFK, George W. Bush, Nixon and other recent American presidents. Jerome Kowalski, an attorney who has known Trump for more than 30 years, said, Michael N. Marcus's powerful book is nothing short of a detailed bill of particulars of the evil Trump presents and why his reign of terror must be stopped.

In her second memoir, Teresa chronicles her life since her release from prison and what it's been like to weather difficult times as a single mother. Though she recounts the happy memories she has experienced, she also touches upon some of the darkest times of her life, including her parents' hospitalizations for severe medical issues in late 2016, which led to the tragic passing of her mother in 2017. With unparalleled honesty and courage, Teresa opens up in Standing Strong in ways she never has before, showing her fans what it truly means to be a survivor.

**The Trump White House** Ronald Kessler, 2018-04-03 The unvarnished and unbiased inside story of President Donald Trump and his White House by New York Times bestselling author Ronald Kessler Based on exclusive interviews with the president and his staff, The Trump White House: Changing the Rules of the Game tells the real story of what Donald Trump is like, who influences him, how he makes decisions, what he says about the people around him, and how he operates when the television lights go off, while portraying the inside story of the successes that have already brought solid results as well as the stumbles that have turned off even longtime supporters and undercut his agenda. The Trump White House reveals: • Trump aides Ivanka Trump and her husband Jared Kushner have been responsible for Trump's most disastrous decisions. Trump is aware that his daughter and son-in-law are problems and has hinted to them that they should go back to New York. Seeing Jared on TV, Trump said, "Look at Jared, he looks like a little boy, like a child." • First Lady Melania Trump has a tremendous impact on policy and strategy. She sits in on meetings and is widely admired by aides for her judgment. • Kellyanne Conway is the No. 1 White House leaker. • Trump's Secret Service Director Randolph "Tex" Alles proposed withdrawing protection from some Trump family members and aides to save money. Horrified White House staffers shot down the idea. • Trump has told friends that billionaires are constantly asking him to fix them up with longtime Communications Director Hope Hicks, a former model, but he says he refuses. • Trump calls certain reporters directly, feeding them stories attributed to "a senior White House official," creating the impression that the White House leaks even more than it already does. Never before has an American president had so much impact on the country and the world in so short a time as Donald Trump. Yet no president has stirred so much controversy, dominating media coverage and conversation both pro and con. Months after Trump took office, consumer confidence hit a seventeen-year high, unemployment plummeted to the lowest level in seventeen years, and the stock market zoomed to repeated record highs. At the same time, ISIS was nearly defeated, Arab countries banded together to stop financing terrorists and promoting radical Islamic ideology, and Trump's decision to send missiles into Syria because of its use of chemical weapons and his strident warnings to North Korean leader Kim Jong-un made it clear to adversaries that they take on the United States at their peril. Yet for all the media coverage, Trump remains a cipher. Ronald Kessler has known Trump and First Lady Melania Trump for two decades and understands him better than any other journalist. The book includes an exclusive interview with Trump, the only interview he says he has given or will give for a book as president. Crammed with media-grabbing revelations. The Trump White House is the unvarnished and unbiased inside story that answers the question: Who is Donald Trump?

*New York Magazine* ,1981-11-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. *The Fixers* Joe Palazzolo,Michael Rothfeld,2020-01-14 The shocking, definitive account of the lawyers and media tycoons who enabled the rise of Donald Trump, featuring new revelations from a Pulitzer Prize-winning Wall Street Journal team With his blunt-force fame and the myths he’s propagated about himself, Donald Trump has always moved in a world of gossip barons, crooked lawyers, and porn stars. But when he became the Republican nominee for the presidency in 2016, all of these characters crawled out from the underbelly of Trump’s stardom and stumbled onto the global stage with him. In *The Fixers*, Joe Palazzolo and Michael Rothfeld have produced a deeply reported and exquisitely drawn portrait of that world, full of secret phone calls, hidden texts, and desperate deals, unearthing the practice of “catch and kill” by which Trump surrogates paid hush money to cover up his affairs, and detailing Trump’s historic relationship with his fixers—from his early, influential relationship with Roy Cohn to his reliance on Michael Cohen, National Enquirer publisher David Pecker, and former New York mayor Rudy Giuliani. It traces the arc of their interactions from the 1970s through the 2016 campaign and beyond. It is a distinctly American saga that navigates the worlds of reality TV, cash-for-trash tabloids, single-shingle law shops, celebrity bashes, high-end real estate, pornography, and politics. The characters and settings of this book are part of a vulgar circus that crisscrosses the country, from New York to L.A. to D.C. Terrifying, darkly comic, and compulsively readable, *The Fixers* is an epic political adventure in which greed, corruption, lust, and ambition collide, and that leads, ultimately, to the White House. Advance praise for *The Fixers* “Of the dozens of books chronicling Donald Trump’s presidency, *The Fixers* is destined to sit atop the pile. It has everything you look for in a political page-turner: Colorful characters, intrigue, sex, corruption and—unlike much of the Trump canon—meticulous, factual reporting by two ace reporters. What a read!”—John Carreyrou, *New York Times* bestselling author of *Bad Blood*
