(2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Auction of Today Milton C. Work,2015-06-15 Excerpt from Auction of Today With so many excellent textbooks now in circulation, it seems almost audacious to add another treatise to current card literature. It happens, however, that the game of Auction, or Auction Bridge, as it is generally called (Auction Whist is perhaps a more appropriate title), has been so completely and so suddenly revolutionized that books written upon the subject a few months ago do not treat of Auction of today, but of a game abandoned in the march of progress. Only a small portion of the change has been due to the development of the game, the alteration that has taken place in the count having been the main factor in the transformation. Just as a nation, in the course of a century, changes its habits, customs, and ideas, so Auction in a few months has developed surprising innovations, and evolved theories that only yesterday would have seemed to belong to the heretic or the fanatic. Auction of Today (Classic Reprint) Milton C. Work,2017-12-22 Excerpt from Auction of Today Beyond doubt, the present game, like other modern

improvements, has come to stay, and with that belief the following pages are offered as an aid to the thorough understanding of the new order of things. SOLD: Highest Bidder Jolie Day,2020-07-28 I bought her at an auction. My best friend's sister. How I wound up at the auction? I'm only here to close a multimillion-dollar deal. Until she walks out on stage. I could tell she didn't recognize me. My best friend's sister. The friend that's no longer alive. She doesn't know the truth about what happened to him. Before I could stop myself, I put in a bid. I was the asshole who got to walk away with her on my arm. That damn dress. It left little to the imagination. I told myself I wouldn't touch her--shouldn't touch her. Not like this, not after bidding on her at some seedy underground auction. But I wanted to make sure she was safe. How could someone so gorgeous, classy, and smart be a virgin? She said she couldn't be bought. But she was everything I never knew I wanted. And now, she was mine. All mine. From USA Today bestselling author, Jolie Day, comes **SOLD: Highest Bidder**, a top-of-the-line story, a sparkling Alpha Billionaire Boss romance dripping with sexual tension. Get ready for a wild ride! Warning: Contains adult sexiness and tons of steam.
