**Conjugal Love** Alberto Moravia, 2020-08-25 To begin with I'd like to talk about my wife. To love means, in addition to many other things, to delight in gazing upon and observing the beloved. --From *Conjugal Love* When Silvio, a rich Italian dilettante, and his beautiful wife agree to move to the country and forgo sex so that he will have the energy to write a successful novel, something is bound to go wrong: Silvio's literary ambitions are far too big for his second-rate talent, and his wife Leda is a passionate woman. This dangerously combustible situation is set off when Leda accuses Antonio, the local barber who comes every morning to shave Silvio, of trying to molest her. Silvio obstinately refuses to dismiss him, and the quarrel and its shattering consequences put the couple's love to the test.

The Love Revolution Joyce Meyer, 2009-09-22 Joyce Meyer is not satisfied with the status quo. She believes that we each need to become a revolutionary and practice love every day. And if Joyce has her way, the revolution will spread - person by person, house by house, town by town, until the old culture of selfishness and greed gives way to a new culture of concern for others. The book is a revolutionaries' manual, a hands-on primer for bringing the Golden Rule to life in the twenty-first century. Meyer starts out by giving some stunning statistics. Right now...210,000 children will die this week because of poverty; 640 million children do not have adequate shelter; every day, 3,000 children are abducted into the sex-trafficking industry; every day, 16,000 children die from hunger-related causes. She goes on to say that although crisis is global, the solution is local. We can't solve the world's problems, but that isn't a reason to remain idle. LOVE REVOLUTION focuses on personal behavior on the local scale. It's not just a call to action; it is a call to being: being the person who goes out of your way to encourage someone who's out of hope; being the one who smiles at a stranger; being the one who is willing to do something for nothing. The paradox: when we do something for nothing, what we often get is something far greater.

**To Selena, with Love** Chris Perez, 2013-11-05 Chris Perez tells the story of his relationship with music superstar Selena in this heartfelt tribute. One of the most compelling and adored superstars in Latin music history, Selena was nothing short of a phenomenon who shared all of herself with her millions of devoted fans. Her tragic murder, at the age of twenty-three, stripped the world of her talent and boundless potential, her tightly-knit family of their beloved angel, and her husband, Chris Perez, of the greatest love he had ever known. For over a decade, Chris held onto the only personal thing he had left from his late wife—the touching and sometimes painful memories of their very private bond. Now, for the first time, Chris opens up about their unbreakable friendship, their forbidden relationship, and their blossoming marriage that was cut short. Chris's powerful story gives a rare glimpse into Selena's sincerity and vulnerability when falling in love, strength and conviction when fighting for that love, and absolute resilience when finding peace and normalcy with her family's acceptance of the only man she called her husband. While showcasing a side of Selena that has never been disclosed before and clarifying certain misconceptions about her life and death, *To Selena, with Love* is an everlasting love story that immortalizes

the heart and soul of an extraordinary, unforgettable, and irreplaceable icon. This commemorative edition includes photos and a special chapter detailing the author's reflection since writing the book.

Four Seasons of Love Nacarid Portal,2017-12-25 Hi, my name is Christopher, and this is my story, maybe It's just like yours, or maybe it isn't. We might not have anything in common, but, we may be very similar and have questions without answers. I'm sure we are both constatly hunted by our past. Although we may not, I don't think I'm like you, my shy friend, invisible in the crowd, addicted to be an addict. In the end, it doesn't matter whom I look like, or who I truly am. What you have in your hands is my journal and it is welcoming you to live inside of a MAYBE, and to fall in love as much as to end up ignoring it. Life introduced her to me, to show me my desire of living through her eyes. Everything started in May, but I can't tell you what day is today. I'd like to welcome you to my life, filled with excess and fun. I invite you to a world merged with crisis, and to a life filled with music, concerts and poetry.

**The Kiss Quotient** Helen Hoang, 2021-04-27 From the author of *The Bride Test* comes a romance novel hailed as one of *The Washington Post's* 50 Notable Works of Fiction in 2018 and one of Amazon's Top 100 Books of 2018! "This is such a fun read and it's also quite original and sexy and sensitive."—Roxane Gay, *New York Times* bestselling author "Hoang's writing bursts from the page."—Buzzfeed A heartwarming and refreshing debut novel that proves one thing: there's not enough data in the world to predict what will make your heart tick. Stella Lane thinks math is the only thing that unites the universe. She comes up with algorithms to predict customer purchases—a job that has given her more money than she knows what to do with, and way less experience in the dating department than the average thirty-year-old. It doesn't help that Stella has Asperger's and French kissing reminds her of a shark getting its teeth cleaned by pilot fish. Her conclusion: she needs lots of practice—with a professional. Which is why she hires escort Michael Phan. The Vietnamese and Swedish stunner can't afford to turn down Stella's offer, and agrees to help her check off all the boxes on her lesson plan—from foreplay to more-than-missionary position... Before long, Stella not only learns to appreciate his kisses, but craves all of the other things he's making her feel. Their no-nonsense partnership starts making a strange kind of sense. And the pattern that emerges will convince Stella that love is the best kind of logic...
