Richard Grossinger

New Healing Secrets of Angels and Herbs Jennifer Bailey,2013-04-03 Do you feel out of focus? Do you wish you could cleanse all the negative, toxic energy from your life? Do you long to know how to purify yourself, body, soul, and spirit? Do you want to know how to invite powerful spiritual beings into your life? Do you want to experience a profound state of serenity? Do you yearn for more strength and vitality? For the first time, spiritual teacher, naturopath, and herbalist Jennifer Bailey shares her gentle and natural approach to self-healing. She explains how you can invite the powerful healing energies from high levels of the solar system, channelled through the herbs in your garden, for your own use. You can bring the archangels and fairy kings and queens into your daily life. Through these amazing techniques, you can learn how to: • cleanse your meridians; • restore your crystal grid; • remove unhealthy blocks; • improve your strength; • feel more vitalised; • awaken your spiritual power; • unleash the power of herbs and plants; and • enjoy increased health. Once you know how to quickly bring in high beings associated to each colour for everyday use, you can improve your focus, communication, strength, vitality, balance, calmness, and harmony. “An incredible read, guiding the beginner into initiation and offering valuable insights and practical exercises for all those who are passionate to take the next step.” —Emi Jackson, Reiki practitioner, and massage therapist, Oceania Healing Centre.

The Seven Skins of Esther Wilding Holly Ringland,2024-02-06 A haunting, magical novel about joy, grief, courage and transformation from the international bestselling author of *The Lost Flowers of Alice Hart*. ‘On the afternoon that Esther Wilding drove homeward along the coast, a year after her sister had walked into the sea and disappeared, the light was painfully golden.’ The last time Esther Wilding’s beloved older sister Aura was seen, she was walking along the shore towards the sea. In the wake of Aura’s disappearance, Esther’s family struggles to live with their loss. To seek the truth about her sister’s death, Esther reluctantly travels from Lutruwita/Tasmania, to Copenhagen, and then to the Faroe Islands, following the trail of the stories Aura left behind: seven fairy tales about selkies, swans and women, alongside cryptic verses Aura wrote and had secretly tattooed on her body. *The Seven Skins of Esther Wilding* is a sweeping, deeply beautiful and profoundly moving novel about the far reaches of sisterly love, the power of wearing your heart on your skin and the ways life can transform when we find the courage to feel the fullness of both grief and joy.

Cultivate the immortal and fight the warrior Zhang Cheng, Ye Fantian was dressed in black and was in tatters. In his right hand, he held a sword full of blood, and his determined face was full of disdain. He looked at the leaders of various factions around him

Dark Pool of Light: The crisis and future of consciousness Richard Grossinger,2012 Explores and compares neuroscientific and philosophical views of reality and human consciousness--Provided by publisher.

Dark Pool of Light, Volume Three Richard Grossinger,2012-12-18 In books like *Embyogenesis and Embryos*, *Galaxies*, and *Sentient Beings*, author Richard Grossinger brought together the subjects of biological embryology and the esoteric process of human consciousness becoming embodied (The embryo is the universe writing itself on its own body). In *Dark Pool of Light*, his three-volume series of books discussing the nature of reality and consciousness, Grossinger weaves neuroscience-based behaviorism and the phenomenology of being and reality together with psychological and psychospiritual views of that single thing which is most difficult to understand or vindicate: our own existence. In 2008, Grossinger began studying with noted psychic teacher John Friedlander, who helped him refine his vision of cerebral and somatic awareness to still-subtler levels. *Dark Pool of Light* began unnamed in the journals of my psychic work with John Friedlander, says Grossinger, not so much a record of actual practices as insights from them and extensions out of them. This expansive inquiry into the nature of consciousness ends with this third volume in the series, *The Crisis and Future of Consciousness*. Grossinger addresses the perennial question of evil and shares the author's hopes and fears for the future of humanity. While wisdom gleaned from such seemingly disparate sources as science, philosophy, religion, and spirituality might appear very, very different things, Grossinger nevertheless finds their meeting place in subjective, lived experience.

How to See and Read the Aura Ted Andrews,2006 Anyone can learn to see and experience the aura more effectively. -Ted Andrews If you've ever felt immediately comfortable-or uncomfortable-around someone you've just met, you've probably sensed a person's aura. Now you can learn to actually see the aura-the energy field that surrounds the human body. Popular author Ted Andrews presents simple and effective techniques for not only seeing auras, but also deciphering what the aura reveals about a person's physical, emotional, and spiritual self. Discover how to: See the colors of the aura and interpret their meanings Make simple tools to measure the aura Cleanse, strengthen, and protect your own aura Increase your sensitivity and intuition Boost your energy and improve your health

Meltpoint John Sutherland,2014-03 Miraculously defying the odds, the SS Fort Lauderhall survived a torpedo attack while in convoy during WWII. Strategists put forward various reasons as to why she hadn’t sunk, but could they be wrong? Perhaps the SS Fort Lauderhall was ill-starred from the beginning? A decade or so later she was found by a fast cargo passenger liner drifting in the South Atlantic - abandoned, except for two bodies. The search party which boarded her discovered ominous signs of something untoward but nothing to indicate why she had been left crewless, or why her hands had taken to only two of the four lifeboats. Was it mutiny or sea gremlins? Had sea fever turned some of her crew into mass murderers? Or had some disastrous phenomena overtaken her? Under the command of a less than inspiring captain the outlook of her ill-starred beginning manifests itself. Only after discovering why her hands take to the lifeboats, can answers be found.

Sylvan Tales Stephanie K McMahan,Stephanie K. McMahan,2009-08 Katherine's life changes forever when she runs into Jason in the hallway of Granite City High School. Jason, the school's star football player, is angry. He chases and follows her into the local library where Katherine discovers an ancient book. Upon further examination of the book, Katherine finds herself crossing into another dimension. She falls through the pages of the book and lands in a magic kingdom of elves called Elfenore. The Prophecy of Scrolls predicted that she would come to Elfenore. But a Dark Cloud is forming over the mountains and it is moving closer to the Kingdom of Elfenore. Katherine finds the courage and strength to help the elves fight the evil that threatens their peaceful existence. They must protect the Secret of Elfenore at all costs. Can Katherine and the elves fight the evil of the Dark Cloud? Will their efforts be enough to save the Kingdom? Come along with Katherine on the adventure of a lifetime! It's an adventure that you'll never forget!

A Critical and Exegetical Commentary on Genesis John Skinner,1910

Bounty J.C. Staudt,2017-11-27 Wizard. Thief. Alchemist. Fraud. I did it. I became someone else. I narrowly avoided the deaths of my loved ones, not to mention my own. Now I'm suffering the consequences. A powerful being has left this world, and those less qualified are descending like vultures to consume what's left. This is the vacuum I'm living in, caught between one of the most vicious vampire covens in New Detroit and a goblin gang who wants me dead. But vampires and goblins are the least of my troubles. The Fae Council wants to keep my fiendish former master imprisoned, and it's going to take an army to convince them otherwise. It's a good thing I know where to get one. This book contains violence and adult language. A brand-new paranormal urban fantasy fiction series for lovers of Jim Butcher's Dresden Files, Kevin Hearne's Iron Druid Chronicles, M.D. Massey's Junkyard Druid, J.A. Cipriano's Thrice Cursed Mage, Pippa DaCosta's Veil Series, Al K. Line's Dark Magic Enforcer, Domino Finn's Black Magic Outlaw, and many others. Google Books Keywords: urban fantasy, magic, elf, elves, elfs, dwarf, dwarves, dwarfs, wizards, werewolves, vampires, dragons, trolls, ogres, giants, monsters, paranormal, young male protagonist, tough guy fiction, epic fantasy, action and adventure, jim butcher, dresden files, kevin hearne, iron druid chronicles, m.d. massey, junkyard druid, j.a. cipriano, thrice cursed mage, pippa dacosta, the veil series, al k. line, dark magic enforcer, domino finn, black magic outlaw.

Trouble with the Cursed Kim Harrison,2022-06-14 Rachel Morgan must keep her friends close—and her enemies closer—in the next Hollows novel from #1 New York Times bestselling author Kim Harrison. Rachel Morgan, witch-born demon, has one unspoken rule: take chances, but pay for them yourself. With it, she has turned enemies into allies, found her place with her demon kin, and stepped up as the subrosa of Cincinnati—responsible for keeping the paranormal community at peace and in line. Life is . . . good? Even better, her best friend, Ivy Tamwood, is returning home. Nothing’s simple, though, and Ivy’s not coming alone. The vampires’ ruling council insists she escort one of the long undead, hell-bent on proving that Rachel killed Cincy’s master vampire to take over the city. Which, of course, Rachel totally did not do. She only transformed her a little. With Rachel’s friends distracted by their own lives and problems, she reaches out to a new ally for help—the demon Hodin. But this trickster has his own agenda. In the end, the only way for Rachel to save herself and the city may be to forge a new understanding with her estranged demon teacher, Al. There’s just one problem: Al would sell his own soul to be rid of her. . . .
