**Tracker** Gary Paulsen,2012-05-29 A young hunter must confront the value of life as he faces the loss of his grandfather. For John Borne's family, hunting has nothing to do with sport or manliness. It's a matter of survival. Every fall John and his grandfather go off into the woods to shoot the deer that puts meat on the table over the long Minnesota winter. But this year John's grandfather is dying, and John must hunt alone. John tracks a doe for two days, but as he closes in on his prey, he realizes he cannot shoot her. For John, the hunt is no longer about killing, but about life.

Pacey Packer: Unicorn Tracker Book 1 J. C. Phillipps,2020-08-04 Introducing a brand-new middle-grade graphic novel series with attitude that's just right for fans of Babymouse and Real Friends, and for anyone who loves--or hates!--unicorns! Pacey's little sister, Mina, has always said her stuffed unicorn, Slasher, is real--but seriously? He's a stuffed toy! Then again, he does seem to be leading Mina outside her room and to . . . some kind of weird magical unicorn land? Pacey may not believe in unicorns, but she's not about to let her little sister be kidnapped, so she does the only thing she can: follows them to unicorn land (that she totally does NOT believe in). And for the record, it's NOTHING like the stories. First off, what's up with Slasher's attitude? It's not Pacey's fault he's trapped in a ridiculous stuffed body. And that Alpha Unicorn guy? NOT. Nice. Pacey will just be grabbing Mina and taking her home, thankyouverymuch . . . that is, if she can work with the grumpiest unicorn stuffy ever to outsmart the Evil Alpha Unicorn and find the way out--preferably without stepping on any poisonous killer flowers. (WHAT IS WITH THIS PLACE ANYWAY?!)

**The Woman in the Lake** Nicola Cornick,2019-02-26 From the bestselling author of House of Shadows and The Phantom Tree comes a spellbinding tale of jealousy, greed, plotting and revenge—part history, part mystery—for fans of Kate Morton, Susanna Kearsley and Barbara Erskine London, 1765 Lady Isabella Gerard, a respectable member of Georgian society, orders her maid to take her new golden gown and destroy it, its shimmering beauty tainted by the actions of her brutal husband the night before. Three months later, Lord Gerard stands at the shoreline of the lake, looking down at a woman wearing the golden gown. As the body slowly rolls over to reveal her face, it’s clear this was not his intended victim... 250 Years Later... When a gown she stole from a historic home as a child is mysteriously returned to Fenella Brightwell, it begins to possess her in exactly the same way that it did as a girl. Soon the fragile new life Fen has created for herself away from her abusive ex-husband is threatened at its foundations by the gown’s power over her until she can't tell what is real and what is imaginary. As Fen uncovers more about the gown and Isabella’s story, she begins to see the parallels with her own life. When each piece of history is revealed, the gown—and its past—seems to possess her more and more, culminating in a dramatic revelation set to destroy her sanity.

The Simples Love a Picnic J. C. Phillipps,2014 When Ben, Lulu, Mom, and Dad go to the park for a picnic, nothing goes according to plan.

*Tracker's Canyon* Pam Withers,2017-07-22 Nominated for the 2018 Forest of Reading 2019 Red Maple Fiction award When Tristan’s dad disappears, he puts his tracking skills to the test to find him — but will Tristan’s talents save him if it turns out to be a trap? Thanks to his dad’s coaching, sixteen-year-old Tristan is one of the best climbers and trackers in his small town. He can read footprints and bushes like they’re security-camera footage, and fearlessly descend rock faces and waterfalls. But when his father disappears, leaving his mother too grief-stricken to function, the young canyoneer’s life goes into freefall. Left in the hands of a well-meaning but incompetent uncle and a space-cadet housekeeper, Tristan finds life a struggle no matter how hard he works. When he nears the end of his rope at home, the teen decides to set off into Swallow Canyon in search of his father — only to realize that someone may be out to get him. Now the question is who’s stalking whom, and are Tristan’s skills up to the dangerous game playing out in the deep, shadowy canyon?

**The Lion Tracker's Guide To Life** Boyd Varty,2019-10-22 Somewhere deep inside, you know what your gift, purpose, and mission are. Boyd Varty, a lion tracker and life coach, reveals how the wisdom from the ancient art of tracking can teach you how to recognize these essential ingredients in a meaningful life. Know how to navigate, don’t worry about the destination, and stay alert. These are just a few of the strategies that contribute to both successful lion tracking and a life of fulfillment. When we join Boyd Varty and his two friends tracking lions, we are immersed in the South African bush, and, although we learn some of the skills required for actual tracking, the takeaways are the strategies that can be applied to our everyday lives. Trackers learn how to use all of their senses to read the environment and enter into a state of “greater aliveness.” When we learn to find and follow our inner tracks, we learn to see what is deeply important to us. In the same way the trip in the classic Zen and the Art of Motorcycle Maintenance was a vehicle to examine how to live out our values, the story of this one-day adventure—with danger and suspense along the way—uses the ancient art of tracking to convey profound lessons on how to live a purposeful, meaningful life of greater harmony.

**Sky Hunters: X-Battalion** Jack Shane,2009-05-21 Bobby Autry is one of the best in the world at what he does. An elite combat chopper pilot, Autry has been tested under fire and always come out on top. But his new assignment might change all that. He's been tasked to lead a new unit of the elite Night Stalkers, a unit that can outfly the rest of the pilots in SOAR (Special Operations Air Regiment), outshoot the best gunners in the SEALs or Deltas, and

operate as indepdently as the most lawless gureillas. The results: an experimental unit expected to fail: the X–Battalion. It won't be easy. The pilots he has at his command are the craziest, most dangerous, most unpredictable men in the military, men capable of thinking beyond rules and regulations, but men equally capable of breaking them. Autry will need every one of them if they are to survive their first mission. North Korean dictator Kim Il Sung had procurred a weapon of apocalyptic destruction, and all intelligence points to his willingness to use it within the next 48 hours. If he deploys the weapon, he will poison the entire planet with radioactive fallout. The only way to stop him is with a group that can move silently, strike powerfully, and not worry about breaking a few rules along the way. The only way to stop him: X–Battalion.

Even Now Karen Kingsbury,2010-05-21 Sometimes hope for the future is found in the ashes of yesterday. Shane Galanter - a man ready to put down roots after years of searching. But is he making the right choice? Or is there a woman somewhere who even now remembers - as does he - those longago days . . . and a love that hasn't faded with time? Lauren Gibbs - a successful international war correspondent who gave up on happily-ever-after years ago - when it was ripped away from her. Since then, she's never looked back. So how come she can't put to rest the one question that haunts her: Why is life so empty? Emily Anderson - a college freshman raised by her grandparents who's about to take her first internship as a journalist. But before she can move ahead, she discovers a love story whose tragic ending came with her birth. As a result, she is drawn to look back and search out the mother she's never met. A young woman seeking answers to her heart's deep questions. A man and woman separated by lies and long years, who have never forgotten each other. With hallmark tenderness and power, Karen Kingsbury weaves a tapestry of lives, losses, love, and faith - and the miracle of resurrection.

Streams of Living Water Richard J. Foster,2001-11-27 The author of the bestselling celebration of discipline explores the great traditions of Christian spirituality and their role in spiritual renewal today. In this landmark work, Foster examines the streams of living water -- the six dimensions of faith and practice that define Christian tradition. He lifts up the enduring character of each tradition and shows how a variety of practices, from individual study and retreat to disciplines of service and community, are all essential elements of growth and maturity. Foster examines the unique contributions of each of these traditions and offers as examples the inspiring stories of faithful people whose lives defined each of these streams.

**The Tracker** Max Brand,2014-12-15 Tom Fuller-a scrupulously honest fellow, a person of extraordinary physical strength, and owner of a savage horse, Rusty, that he alone was able to tame-is generally regarded as a half-wit. He has been summarily fired from every job he has ever had and even comes to regard himself as a failure. He makes one more try when he is hired on as a blacksmith's assistant by Boston Charlie. Finally here is a job that Tom can perform successfully, and his spirit soars. Oliver Champion, who stops at the smithy to have his wagon horses newly shod, is impressed by Tom's ability. Champion also recognizes Tom as the son of the late Washington Fuller, a renowned gunfighter. Boston Charlie, far from being impressed by this revelation, is outraged and fires Tom, insisting that he leave at once. Champion takes this newfound opportunity to propose that Tom, who in addition to his physical strength is also an excellent shot, should become his bodyguard. Not having any alternative, Tom accepts the offer. It is obviously a decision made in haste, as Tom soon learns that Champion is new to the West, that he is an escaped convict from a prison in the East, and that he has come all this way in pursuit of a master criminal, Henry Plank, the man actually responsible for the robbery for which Champion was imprisoned. Now Champion wants Tom to lead him through unfamiliar country to get his revenge.

And just ask him, the reason his output is so high, is his HABITS as a writer. HABITS, both good and bad are in turn the key to your output. Are you sick of trying to achieve writing targets and failing? Then you need to introduce or reinforce good habits and eliminate the bad from your daily routine. This customizable, beautifully presented habit tracker for Sci- Fi authors is a guided day by day journal for tracking your habits, good and bad in order to help you reach your goals and be the most productive writer you can be.
