Postsocialist Politics and the Ends of Revolution Neda Atanasoski, Kalindi Vora, 2022-10-20 Moving past the conflation of state socialism with all socialist projects, this book opens up avenues for addressing socialist projects rooted in decolonial and antiracist politics. To that end, this anthology brings together scholarship across regions that engages postsocialism as an analytic that connects the 'afters' of the capitalist-socialist dynamic to present day politics. Resisting the revolutionary teleology of what was before, "postsocialism" can function to create space to work through ongoing legacies of socialisms in the present. Looking at the Middle East, Scandinavia, Korea, Romania, China, and the US, the chapters in this book assess ongoing socialist legacies in new ethical collectivities and networks of dissent opposing state- and corporate- based military, economic, and cultural expansionism since the end of the Cold War. The majority of the chapters in this book were originally published as a special issue of the journal, Social Identities.

The Home Edit Clea Shearer, Joanna Teplin, 2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series *Get Organized with The Home Edit* (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-

room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).
