365 Sports Cars You Must Drive John Lamm,Steve Sutcliffe,Larry Edsall,James Mann,Kris Palmer,2020-10-27
365 Sports Cars You Must Drive puts you in the driver's seat of a century's worth of sports car legends (and a few rather less legendary), each presented with a fun and informative profile and fact-and-spec box. It's the ultimate gearhead's bucket list and poses the challenge: How many have you driven? Whoever coined the phrase getting there is half the fun must have owned a sports car. And the wag who suggested that it's the journey not the destination? Probably driving a Lotus or MG at the time. From towering icons like Ferrari, Lamborghini, Porsche, and Corvette to everyman sportsters from Triumph, MG, Sunbeam, and Miata to oddballs like Crosley, Sabra, and DB, sports cars inspire passion and strong opinions as few other vehicles on the road can. In one beautiful book, long-time Road & Truck magazine chief photographer John Lamm, along with other top motoring contributors, gives the reader illustrated profiles of every sports car you've ever dreamed of driving! Now, imagine if you could drive a different sports car—any sports car—every single day for a year. Which would you choose?

History's Greatest Automotive Mysteries, Myths and Rumors Revealed Matt Stone, Preston Lerner, 2012-11-05

Chock-full of amusing car-related trivia and miscellany.
—Detroit News Did you know that after James Dean's death behind the wheel of his Porsche 550 Spyder, parts of the car were sold off, and said parts then cursed their new owners? (Or did they?) Did you know Bonnie and Clyde stole Ford V-8s almost exclusively as getaway cars because they were the fastest cars of their day—and that Clyde wrote Henry Ford a thank-you note? Did you know that a monkey by the name of Jocko Flocko once won a Grand National race? (NASCAR Hall of Fame driver Tim Flock helped.) Rumors, myths, and fantastic stories have swirled around the automobile for over a century. This fascinating collection compiles funny stories and a trunkful of trivia: What was the first car to break the sound barrier? Who won the first Indy 500? What kind of car was dancer Isadora Duncan in when she was killed? What car performed the most spectacular stunt in the James Bond movie oeuvre? In all of these cases, the answers may not be what you think. Entertaining stories of vehicular crime, racing, moviemaking and various mishaps and mayhem. —The New York Times

Slow Car Fast Ryan K. ZumMallen, *Slow Car Fast: The Millennial Mantra Changing Car Culture for Good* explores the changing tides of car culture and re-examines the meaning of being a “car guy” in 2020. Veteran automotive journalist Ryan K. ZumMallen parses this world through the drivers, tuners and designers that live and breathe it against the fertile backdrop of Southern California. How did horsepower and speed get so out of control? Do young people still like cars? Who are the automotive icons that will shape car culture for years to come? *Slow Car Fast* offers answers to the questions on the mind of every kid who grew up with a poster on their wall and dreamed of owning their dream car one day, ferreted out through first-hand reporting on the ground. ZumMallen goes inside the automotive zeitgeist to explain how modern car culture came to be, from the old-school (massive improvements in engineering and technology) to the new-school (the rise of video games and social media). Featuring interviews with dozens of influential voices and ride-alongs in today's automotive unicorns, *Slow Car Fast* is a must-have eBook for anyone who knows that getting behind the wheel is only the beginning.

Fifty Years with Car and Driver Marty

Padgett, 2005-10 50 Years with Car and Driver

commemorates the golden anniversary of the most popular car magazine on the planet. But more than that, 50 Years with Car and Driver tells the story of the American automobile and how the editors of the magazine witnessed that history and reported on it, firsthand. A look at how Car and Driver evolved from its beginnings as Sports Cars Illustrated, in the able hands of great automotive journalists such as Ken Purdy and John Christy, and then came into its own as the musclecar era of the Sixties dawned. Writers such as David E. Davis, Jr., Brock Yates and Patrick Bedard helped to craft a literary car magazine that drew as much inspiration from Tom Wolfe's writing as it did from the great cars of the day. Through the Seventies the magazine's reputation solidified as the technical authority on new cars, and the literary tradition continued with such writers as Don Sherman and author P.J. O'Rourke. Throughout the Eighties, the magazine prospered even when its writers went off the deep end - literally, getting stranded in Mexico during a Baja comparison test. Car and Driver watched over the virtual rebirth of the American car during that decade, with the renaissance at Ford through the Taurus and the revival of the Corvette, while keeping its lock on the strongest feature writing in the auto magazines with stories like Brock Yates's thirty-years-past observance of the death of James Dean. The Nineties saw Car and Driver continue its

leadership as the world's largest-selling automotive magazine. From the introduction of the Acura NSX and the Mazda Miata to the brand-new Mustangs and Corvettes that have come in just the past years, Car and Driver has been the authority that readers trust when it comes to 0-60 times, road tests and reviews. Fifty Years with Car and Driver combines classic stories from the magazine, commentary by former staffers including the author, vintage and modern photos of the hottest and most important cars reviewed by the magazines, as well as stories from behind the scenes - with all the attitude, expertise and visual excitement readers have come to expect from the magazine itself.--BOOK JACKET.

Corvette Odyssey Terry Berkson, 2004 An original blend of philosophy, the nuts and bolts of crime, urban adventure, and the underbelly of America's car-crazed culture, this story of a man's obsessive search for a stolen roadster is sure to thrill auto fans and lovers of a fine tale well told.
