*The Video Poker Edge, Second Edition* Linda Boyd,2005-10 Although most people believe that winning in casinos is a matter of luck, video poker actually gives you an opportunity to make decisions. The problem is that most people simply don't know how to make smart playing moves--or they didn't until now. In this book, author and gambling expert Linda Boyd offers a user-friendly guide that helps you gain the winning edge over video poker machines. The Video Poker Edge first explains the basics of video poker, and introduces you to eight common video poker games that pay well and are easy to play. For each recommended game, you'll learn the correct response to every common hand you may be dealt. The author even provides handy strategy cards that can be removed from the book and taken along to the casino for reference.

**Frugal Video Poker** Jean Scott,2006-08 Frugal Video Poker is the most comprehensive book ever written on practicing, playing, and winning at this popular casino game. Video poker is beatable when you know what pay schedules to look for and how to play when you find them. Whether you want to play for profit or merely make your money last longer in a casino, Frugal Video Poker will take you where you want to go. Beginners are walked through the basics, first learning to distinguish between good and bad paytables, then playing the strategies that maximize the machine's potential. Players who already have some experience will discover crucial bridge concepts that lead to improved results. For experts, Frugal Video Poker covers special opportunities, such as tournaments, promotions, progressives, and the cutting-edge new games--an extensive resource section paves the way to advanced study. And everyone can benefit from the detailed lessons on how to use readily available video poker computer software to take the game to its highest level.
