Marya Khan and the Awesome Adventure Park (Marya Khan #4) Saadia Faruqi, 2024-03-26 The fourth book in Saadia Faruqi and Ani Bushry's illustrated chapter book series, *Marya Khan and the Awesome Adventure Park* finds the ambitious Pakistani American third-grader learning about competition and fun in a story that's perfect for fans of *Ivy & Bean* and *Stella Diaz*. Spring break is finally here, and Marya could not be more excited. Because this spring break, she, Hanna, and Alexa are going to Skye Adventure Park—the coolest theme park around! Skye Adventure Park is huge and has so many things to see, so Marya and her friends need to plan how they'll spend their weekend there. They have to go to the water park (obviously) and avoid boring rides like the Ferris wheel. But the thing that Marya wants to do most of all is the obstacle course. When she learns that they have a leader board that displays the fastest people's names, Marya knows that she has to win and make it on that board! She just needs to practice and practice and beat out the very-athletic Alexa. But when the time comes, will Marya win the obstacle course? Or is there more to this park than winning after all? Me and My Awesome God Ben Fulks, 2010-03-02 "This book represents the work that God has accomplished through my team and I over the last sixteen years. He has enabled us to establish over one hundred churches and save over ten thousand souls. The work has enriched my life with new friends both here and over there. Through the power of God, all things are possible. If we let Him into our lives."

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled *The Last Lecture*. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—*Really Achieving Your Childhood Dreams*—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Hoping for the Best Sarah Berryman, 2016-11-22 "Fed up of how-to books, and people with perfect children who do wonderful things all of the time? This is how it really is in our house. It's hectic, it's noisy and it's messy most of the time. But by and large it's a happy house." Parenting book *Hoping for the Best: Three months in the life of a twin plus one mummy* offers a unique day-to-day glimpse into the challenges and craziness thrown at a mum to three young boys. Sarah has "real children". They did not sleep through from day one. They did not master baby-led weaning. They have all had the norovirus, chicken pox and two of the three have had nits. They have bitten and been bitten. One has a hearing aid, one wears splints at night to stop him walking on tip toes and one has a speech delay. They play a little, bicker a lot, and are friends and enemies in equal measure. *Hoping for the Best* gives a rare insight into daily life with identical twins, and the dynamics between them, their younger feistier sibling and the rest of the family. The book will appeal to other parents and those who enjoy humorous writing and family life biographies. Started as a diary, the book was born when other school mums suggested that this would be just the kind of book that they would love to read – not a parenting manual, not a book about becoming a new mum but the true reality of life as a mum with identical twins plus one. With Sarah's mantra "Hoping for the best, prepared for the worst and unsurprised by anything in between", a quote from the American author Maya Angelou, woven through the diary, this account portrays an indelible impression of resilience and humour through the colourful challenges of each and every day.

Firefly Lane Kristin Hannah,2008-02-05 From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the coolest girl in the world moves in across the street and wants to be her friend. Tully Hart seems to have it all---beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become Tully and Kate. Inseparable. So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, *Firefly Lane* is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship---jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. *Firefly Lane* is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you---and knows what has the power to hurt you . . . and heal you. *Firefly Lane* is a story you'll never forget . . . one you'll want to pass on to your best friend.
