The Toltec Secret Sergio Magana,2014-11-01 Discover the powerful dreaming techniques of the ancient Toltecs in this eye-opening read from a renowned Mexican healer In this remarkable book, Sergio Magaña explores the history and wisdom of the ancient Toltec tradition. Closed to outsiders until now, this rich spiritual tradition is over 5,000 years old and was a touchstone for the Aztecs. The original holders of this secret knowledge, the Chichimeca, were considered to be masters who had a deep understanding of the dream state. They had a working knowledge of the power of our perceptions—how they can form our reality and even influence matter itself. The Toltec Secret guides you, step-by-step, through the Toltec rituals and symbols that will enable you to: · Become lucid in your dreams · Create your life through your dreams · Send healing to others while in the dreaming state · Communicate with your ancestors · Develop your intuition and use Toltec techniques to see the aura · Heal and rejuvenate your body by connecting with the energy of the sun · Use the mysterious obsidian mirror for healing yourself and others · Practice the powerful dances of the Toltecs and Mexihcas · See your “teyolia,” or path of the soul, to learn who you were in past lives and release parts of yourself that are trapped in old experiences. An in-depth study on the hidden power of dreams and expanded consciousness, this is recommended reading for fans of Don Miguel Ruiz and Carlos Castaneda who want to grow their Toltec library.

Children of the Sun Elizabeth Manson Bahr,2014-11-06 Children of the Sun is an epic retelling of the Conquest of Mexico from the Aztec point of view, and a breath-taking story of courage and loyalty, treachery and deceit. Peopled with a huge cast of characters from the agonised Emperor himself and his headstrong daughter to the enigmatic conquistador Hernan Cortes, this is a richly imagined recreation of one of history's most extraordinary civilisations and a heart-breaking lament for its fall.

The Sun Kingdom of the Aztecs Victor Wolfgang Von Hagen,1958 The world of the Aztec Indians of Mexico before Cortes.

The Rise and Fall of the Aztec Empire Joan Stoltman,2017-12-15 Students are taught that the Aztecs were destroyed by Hernán Cortéz, the conqueror of Mexico. However, there is much to learn about who the Aztec people were before they were conquered. The native Mexicans were part of a rich and vibrant culture that spanned hundreds of years. To understand this complicated society, readers are provided with an engaging main text and colorful photographs and historical images. Informative sidebars throughout detail the long history, and sudden defeat, of the Aztec Empire.

Fifth Sun Camilla Townsend,2019 Fifth Sun offers a comprehensive history of the Aztecs, spanning the period before conquest to a century after the conquest, based on rarely-used Nahuatl-language sources written by the indigenous people.

Daughter of the Sun Jackson Gregory,1921

The Ancient Sun Kingdoms of the Americas Victor Wolfgang Von Hagen,1973

The Fifth Sun Burr Cartwright Brundage,2014-02-19 The ancient Aztecs dwelt at the center of a dazzling and complex cosmos. From this position they were acutely receptive to the demands of their gods. The Fifth Sun represents a dramatic overview of the Aztec conception of the universe and the gods who populated it—Quetzalcoatl, the Plumed Serpent; Tezcatlipoca, the Smoking Mirror; and Huitzilopochtli, the Southern Hummingbird. Burr Cartwright Brundage explores the myths behind these and others in the Aztec pantheon in a way that illuminates both the human and the divine in Aztec life. The cult of human sacrifice is a pervasive theme in this study. It is a concept that permeated Aztec mythology and was the central preoccupation of the aggressive Aztec state. Another particularly interesting belief explored here is the mask pool, whereby gods could exchange regalia and, thus, identities. This vivid and eminently readable study also covers the use of hallucinogens; cannibalism; the calendars of ancient Mexico; tlachtli, the life-and-death ball game; the flower wars; divine transfiguration; and the evolution of the war god of the Mexica. A splendid introduction to Aztec religion, *The Fifth Sun* also contains insights for specialists in ethnohistory, mythology, and religion.

Aztec Mythology: The Gods and Myths of Ancient Mexico Sebastian Berg,2021-08-14 Discover the mythology of the Aztec civilization. The Aztec civilization of Central Mexico consisted of several communities with distinct cultures and languages. The Nahuatl-speaking tribes were the most popular and celebrated rituals based on their own version of myths and stories. While the Mesoamerican cultures shared many stories, rituals, and myths with the Aztecs, they were recognized as a separate community. The Aztecs were believed to come from the regions around Lake Texcoco and the Anahuac Valley. These regions collectively form the modern Mexico City we know today.

Under an Aztec Sun Harriet Doerr,1990

The Sun Kingdom of the Aztecs Víctor W. von Hagen,Alberto Beltran,2013-10 This is a new release of the original 1958 edition.

Aztec Warrior God: Chapter One, Emergence David Towner,2021-08-13 After the fall of the Aztec Empire on August 13th, 1521, many surviving Mexica withdraw into a secret level of the underworld (Mictlan) to rebuild the culture without interference from the outside world. The god of war, Huitzilopochtli, then grants immortality to five warriors and eight designated intellectuals who are tasked with restoring Aztec culture while creating a harmonious, prosperous and unified planet. Their immortality is preserved by a well-guarded water source known as the “Healing Waters”. Over the next five hundred years, the intellectuals anonymously integrate themselves into various cultures around the world to develop an understanding of technology, cultural development and languages, always returning to the underworld to share the knowledge with their society. Meanwhile, the warriors hone their fighting skills and prepare for their emergence into modern society. On the 500th anniversary of the fall of their empire (August 13th, 2021), the immortals emerge to discover a world that has been crippled by a Lassa virus pandemic. Upon discovering that the virus was created in a lab by a Russian Oligarch named Adrian Volkov, who is also manipulating and selling vaccines to the highest bidder, they decide to negotiate with him to help distribute vaccines to the most devastated countries. When Volkov makes it clear that he has no interest in supporting their cause, the warriors decide that his organization must be destroyed.
