**Bye-Bye Time** Elizabeth Verdick, 2008-08-10 An award-winning author/illustrator team offers a fresh look at the times and transitions all toddlers face daily, giving young children the tools to handle routines with confidence and cooperation. Being dropped off at childcare or cared for by a baby-sitter means saying good-bye to Mom or Dad—and for many toddlers, bye-bye is a big deal. This gentle book helps ease the transition with simple rituals: hugs and kisses, a big wave, a deep breath, and the confidence to seek comfort with the new caregiver or other children. Toddlers learn that good-bye isn't forever, it's just for a while. Part of the Toddler Tools series, Bye-Bye Time can be shared before (or during) the desired "time," or whenever toddlers need encouragement with routines. Includes tips for parents and caregivers.

**My First Coloring Book: Animals, Shapes, Numbers, Colors** Art Therapy Art Therapy Coloring, 2021-12-05 My First Coloring Book: Animals, Shapes, Numbers, Colors 50 Coloring Pages for Toddlers: Basic Skills and Animals! Educational coloring books are tools that parents can use to jump-start their child's education, sharpen their skills, and teach kids at home - all in a fun and entertaining way! Young children learn through play as they absorb a multitude of information. Toddlers enjoy coloring, drawing, and scribbling while engaging in learning activities. Your child will learn basic skills concepts while having fun coloring in an Art Therapy Coloring Toddler Book. What makes educational coloring books beneficial is they blend learning activities with something kids naturally love to do - color! Buying your child their first coloring book is a great investment, not only for the entertainment value but also for creative and intellectual development! My First Coloring Book: Animals, Shapes, Numbers, Colors is packed with valuable learning activities for babies and toddlers ages 1-4. Not only will they have fun coloring all the pages, they will also learn foundational concepts like number recognition, tracing and writing numbers, shapes, and colors! Learning basic skills is helpful if your child is in preschool, about to enter kindergarten, or already in kindergarten! Help your child succeed in school by gaining familiarity with numbers, shapes, colors, and other foundational concepts. Knowing the basics supports your child's learning experience in kindergarten. Children can develop a sense of artistic ability through coloring as well as develop fine motor skills. They'll soon be telling you what's on each of the pages that they're working on. You'll be so proud to see how much they've learned just from sitting and coloring for a little while each evening. Repetition is a great way to teach children so we encourage consistency and variety. It's always a good idea to seek out a variety of educational tools that teach basic skills concepts! You can color right alongside your child to help them understand what they're seeing and coloring. This is an important time between you and your child. You can also actively engage with your child in other related ways to increase their comprehension. For example, you can: Show them how to spell the colors they are using. Help them to sound out letters to get them ready to read. Do simple math by counting objects. Point out letters and numbers you see on signs. Sing the alphabet song with your child. And so on This toddler coloring book can be a stepping stone to many different educational opportunities that you can share with your young child! It is a great Christmas or birthday gift idea for any young child in your life.
