Christian Childbirth Marianne Manley RN, CNM, 2014-09-30 Christian Childbirth by Marianne Manley RN, CNM contains birth stories written by Christians for Christians and provides information related to childbearing and beyond from a Christian perspective. Christians are encouraged to trust God at this time. "He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? . . . It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us" Romans 8:32-34 (KJV). An anthology of birth stories which depict various scenarios which may be encountered in natural childbirth follows a brief description of how Marianne became a Christian midwife. The many true stories and photos will give the reader a glimpse into the thoughts and challenges the mothers faced and how they overcame them and succeeded in a natural delivery. In the handbook section, Marianne shares what she does as a midwife. She provides information on early pregnancy, priorities, time management, warning signs, common discomforts, praying for loved ones, diet tips, recipes, exercise, sex during pregnancy, labor and birth advice, pain management, supplies needed, pros and cons of water birth, cord management, what to do when the

water breaks before labor, and emergency childbirth instruction for husbands. Post-delivery information include how to avoid hemorrhaging after the birth, the Ten Commandments for the postpartum mother, getting rid of belly fat, breast feeding, the circumcision decision, and newborn care. There are also guidelines for feeding on God's Word, loving our husbands and children, being a godly wife and mother, homeschooling with a new baby, child training tips, speaking gently, avoiding gossip, and much more. Christian Childbirth is a great resource for midwives, doulas, or personal maternity care – especially for those desiring a Christ-centered birth.

So Who's Counting? Erin McHugh,Emily Luchetti,2019-04-09 Inspiring quotes and advice to help readers see getting older as a time for reinvention and personal growth. "Aging is an extraordinary process where you become the person you should have been." —David Bowie So long nostalgia, and goodbye resignation! This book of quotes reminds us that growing old isn't about slowing down and taking it easy—it's a chance to ask, "What's next?" After all, sixty is the new fifty, seventy's the new sixty, and older is getting younger every day. With fun, forward-looking, and inspiring wisdom, *So Who's Counting?* is the ideal gift for baby boomers, Gen Xers or anyone reaching a major age milestone. Instead of cloying sentimentality or the standard sagging-body-part jokes, it strikes the perfect balance of humor, guidance, reflection, bon mots. Quotes are divided into nine sections, such as "As Old as You Feel," "Laughter: The Best Prescription," and "Aged to Perfection." *So Who's Counting?* is all about aging with gusto and celebrating what lies ahead.

BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.
