Plus, the sleep deprivation makes it nearly impossible to keep track of what is happening. This stylish and easy to use log makes it simple to track feedings, sleeping schedules, diaper changes and much more. This makes identifying problems much easier and can aid in conversations with your pediatrician. Our baby log book will also give you these features and benefits: **VERSATILE USE** - You can save your daily log book as a keepsake or just so you can look back on previous information for medical, feeding, or behavioral issues. It's a very helpful log book for parents or caretakers who want to be more involved. **USEFUL & CONVENIENT** - You will love the convenience of having a daily log book for your baby. It's easy to use, anyone can fill in the information making it great for parents and caregivers alike. It includes special columns to track feedings, sleep schedules, diaper changing, supplies needed, and special notes. **A NOTEBOOK BUILT TO LAST** - The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few

months of use. If you invest in a more permanent journal, you can preserve your twins' early growth and progress for later.
