Dane Wylder, recently retired NFL tight end and future Hall of Famer, wants a baby. Naturally, marriage is off the table. He's not the marrying type. The Baby Maker Lili Valente,2018-02-05 Some men are troublemakers or dealmakers. The men in my family? We're baby makers. For six generations, the women of wine country have had a saying: don't bang a Hunter man unless you want a bun in your oven. Yeah, well. I've got a saying too: no thanks. The last thing I need is baby makes three. My business is expanding and the only thing I'm interested in getting knocked up is my bottom line. But then one night Emma Haverford makes me an offer I can't refuse--she backs away from the land I have my eye on in exchange for a favor... A big, fat, baby making favor... ***** When I hear women have gotten pregnant shaking hands with Hunter men, I know I need Dylan Hunter's...ahem, special skills...way more than I need to expand my vineyard. I'm ready to give my heart to a child and I'm tired of waiting for my late-to-the-party Prince Charming to make my dreams come true. So I promise Dylan--three months of hot, heavy, baby-making s-e-x and then I'm out of his hair forever. But what if when it comes time to say good-bye, all I want to do is keep bottling up more memories with this big-hearted man? Baby Maker (a Real Man, 17) Jenika Snow,2018-05-28 TEX There was only one woman I wanted, and I'd been secretly lusting after her for years. My sister's friend. That first time I saw Calissa was like a right hook to the face, taking me down until there was nothing left. She was my world. She's too young for me, too innocent, but that won't stop me from making her mine. There's no stopping it, no controlling this possessive, primal need to claim her. I'd have Calissa no matter what, as my woman, my wife ... with my baby inside of her. CALISSA It was a forbidden desire to want your best friend's older brother, but it was my reality. Tex was big and strong and a successful owner of a security company. He was definitely all man. I'd thought he'd never see me as anything more than his sister's friend. How wrong I was. No more longing gazes or fantasies that we were together. He knew what he wanted out of life and apparently that was me ... pregnant with his child. Warning: This hero really knows what he wants and that's the heroine and getting her knocked up! But no worries, this story is still sweet-even if it is filthy-and you still get that Happily Ever After.
