In the small blue room there was a bubbala, and a little shmatta, and then—oy vey!—came the whole mishpacha! This zesty parody of one of America's favorite picture books offers a very different bedtime routine: one that is full of family exuberance and love. Instead of whispers of “hush,” this bedtime includes dancing and kvelling, and of course, noshing—because this little bunny is a Jewish bunny, and this joyous book celebrates the Jewish values of cherishing your loved ones, expressing gratitude, and being generous. Filled with Yiddish words, the book includes a phonetic glossary and even an easy latke recipe by beloved cookbook author Ina Garten, who calls the book “brilliant, beautiful, important, and so much

fun!"

Baby Sleep Solution Hazel Brown,2013-05-05 Babies need care and attention for almost all aspects during his or her infant age. This is because they are still too young to manage their own life and they are still incapable of taking care of themselves such as feed themselves, bathe themselves, etc. Since babies cannot communicate to their parents verbally as to what their likes and dislikes are, what ails them, what makes them happy, etc.; parents must be ultra sensitive to their babies' needs as well as be knowledgeable about the things that are best for their babies while they are on their infant age. With this, parents should always know the right food to feed their babies and how to give them proper hygiene. Along with this, parents must also ensure that their babies get enough sleep that they need.
