Michael Thomas Ford

Baldwin of Ford: Spiritual Tractates Baldwin of Ford,2001-09 The Spiritual Tractates were written almost entirely during the decade Baldwin lived at Forde, probably as sermons which were then recast later. They reveal a man thoroughly and happily at home in cistercian spirituality, an acute theologian well aware of contemporary currents, and one of the last true representatives of the rich patristic-monastic tradition. Henry Ford And The Jews Neil Baldwin,2001-12-03 Drawing upon oral history transcripts, archival correspondence, and unpublished family memoirs, independent scholar Baldwin describes Henry Ford's rabid anti-Semitism and the Jewish American community's response to him. Topics include Ford's hateful essays in The Dearborn Independent, his publication of treatises on the alleged international Jewish banking conspiracy, and his impact on the anti- Semitic movement in Europe in the years leading up to World War II. The People's Tycoon Steven Watts,2009-03-04 How a Michigan farm boy became the richest

man in America is a classic, almost mythic tale, but never before has Henry Ford's outsized genius been brought to life so vividly as it is in this engaging and superbly researched biography. The real Henry Ford was a tangle of contradictions. He set off the consumer revolution by producing a car affordable to the masses, all the while lamenting the moral toll exacted by consumerism. He believed in giving his workers a living wage, though he was entirely opposed to union labor. He had a warm and loving relationship with his wife, but sired a son with another woman. A rabid anti-Semite, he nonetheless embraced African American workers in the era of Jim Crow. Uncovering the man behind the myth, situating his achievements and their attendant controversies firmly within the context of early twentieth-century America, Watts has given us a comprehensive, illuminating, and fascinating biography of one of America's first mass-culture celebrities.

The Complete Stories of Paul Laurence Dunbar Paul Laurence Dunbar, 2005 The son of former slaves, Paul Laurence Dunbar was one of the most prominent and publicly recognized figures in American literature at the turn of the twentieth century. Thirty-three years old at the time of his death in 1906, he had published four novels, four collections of short stories, and fourteen books of poetry, not to mention numerous songs, plays, and essays in newspapers and magazines around the world. In the century following his death, Dunbar slipped into relative obscurity, remembered mainly for his dialect poetry or as a footnote to other more canonical figures from the period. *The Complete*

Stories of Paul Laurence Dunbar showcases his gifts as a writer of short fiction and provides key insights into the tensions and themes of Dunbar's literary achievement. Through examining the 104 stories written by Dunbar between 1890 and 1905, readers will be able to better understand Dunbar's specific attempts to maintain his artistic integrity while struggling with America's racist stereotypes. His work interrogated the color-line that informed American life and dictated his role as an artist in American letters. Editors Gene Jarrett and Thomas Morgan identify major themes and implications in Dunbar's work. Available in one convenient, comprehensive, and definitive volume for the first time, *The Complete Stories of Paul Laurence Dunbar* illustrates the complexity of his literary life and legacy. ABOUT THE EDITORS---Gene Jarrett is an assistant professor of English at the University of Maryland, College Park. He is co-editor (with Henry Louis Gates Jr.) of a forthcoming anthology, *New Negro Criticism: Essays on Race, Representation, and African American Culture*. Thomas Morgan is a lecturer at the University of Tennessee, Knoxville. His research and teaching interests focus on critical race theory in late-nineteenth century American and African American literature, specifically as it applies to the politics of narrative form.

Concise History of the Baldwin Place Baptist Church, Together with the Articles of Faith and Practice Thomas Ford Caldicott, 1854

The Amen Corner James Baldwin, 2013-09-17 From one of the most brilliant writers of the twentieth century—a masterpiece of the modern American theater: a play about faith and family, about the gulf between black men and black women and black fathers and black sons. [Baldwin] uses words as the sea uses waves. —Langston Hughes In his first work for the theater, James Baldwin brought all the fervor and majestic rhetoric of the storefront churches of his childhood along with an unwavering awareness of the price those churches exacted from their worshipers. For years Sister Margaret Alexander has moved her Harlem congregation with a mixture of personal charisma and ferocious piety. But when Margaret's estranged husband, a scapegrace jazz musician, comes home to die, she is in danger of losing both her standing in the church and the son she has tried to keep on the godly path.

Around Chadds Ford Karen Smith Furst, 2005 Chadds Ford grew along an important early thoroughfare where it crossed the Brandywine Creek. Travelers along this east-west highway between Philadelphia and Baltimore were obliged to ford the creek at property owned by businessman John Chadds. At first, farms, mills, and homesteads composed the architectural landscape. As the town grew, so did businesses, such as the Gallagher General Store and the Chadds Ford Hotel. By the end of the nineteenth century, wealthy Philadelphians, attracted by Chadds Ford's pastoral setting, began to build stately summer homes. Around Chadds Ford features photographs from 1870 to 1950, when the town enjoyed the sophistication of these newcomers but still retained its rural flavor.
