Bowling Beyond the Basics James Freeman, Ron Hatfield, 2018-07-12 Why did I leave the 10-pin on that shot? Why isn't my ball hitting the pocket anymore? Should I change balls, or move? How heavy should my ball be? What's the best bowling ball? How do I get more hook? Why do I keep missing my spares? Bowlers are faced with endless questions, problems, and choices every time we bowl. Answers and solutions abound, but a great many of them are ineffective or just plain wrong. How do we know what to do? How do we know what to believe? In this book we examine: What doesn't work, and what bowlers have wrong. What's really happening on the lanes, and how things really work. What you need to change to get back to striking. How to properly make that change. We teach you how to figure out exactly what's wrong with your shot. We show you all of the adjustments available to you, teach you what each one actually does, and show you how and when to apply it. We give you strategies that will improve your lane play and your decision making. Finally, we teach you a mathematically sound spare system that will simplify

your game and make picking up your spares an easy proposition. We give you all of the knowledge and tools you need to take your game to the next level and become the bowler you want to be.

Secret Mischief Robin Blake,2021-04-01 The discovery of a body in a pigsty, shot to death, leads Coroner Titus Cragg and Dr Luke Fidelis into a complex and baffling murder investigation. April, 1746. When County Coroner Titus Cragg is called to examine a body found shot to death at a local farm, he finds himself drawn into a bizarre and complex case where nothing is as it first appears. As he questions those who knew the victim, it becomes clear that not everyone is telling him the whole truth. Could the motive for the murder lie in a dangerous contract the dead man had signed more than twenty years before, a so-called tontine agreement? Just what does the victim's enigmatic lawyer, Ambrose Parr, know that he's not revealing? As he and Dr Luke Fidelis attempt to track down the six other signatories to the contract, Titus realizes that if they do not find answers - and fast - more violent deaths will surely follow.
